Prospective Sponsor

Thank you for your interest in sponsoring the 2025 Arizona Health Equity Conference on Thursday, October 23rd in Phoenix, Arizona.

The Arizona Health Equity Conference highlights current health equity research, practices, and policy efforts in Arizona. It fosters innovation through collaboration, knowledge transfer, and a shared commitment to healthier communities among new and existing partners.

Conference attendees include physicians, nurses, researchers, clinicians, public health professionals, community health workers, social workers, and non-profit partners. Annually, our conference attracts more than 500 attendees from around the state and nationwide, featuring unique breakout sessions and speakers.

In 2025, we are excited to host an in-person conference, enhanced by the Whova app. This app will enrich the attendee experience by providing access to poster presentations, the agenda, speaker bios and presentations, maps, and the ability to connect and interact with other attendees. Attendees can also set up meetups and learn more about our sponsors. We invite you to partner with us as a sponsor for this significant event, showcasing your support for a healthier Arizona.

We hope to see you on October 23rd at the 12th Annual Arizona Health Equity Conference!

- 2025 Planning Committee
