## ARIZONA HEALTH EQUITY

### CONFERENCE

## Moving Beyond Health Disparities

Building Bridges: Connecting Communities in Research, Practice, & Policy

## Sponsorship Opportunities

The Arizona Health Equity Conference highlights current health equity research, practices, and policy efforts taking place in Arizona, and fosters innovation through collaboration, knowledge transfer, and a shared commitment to health equity among new and existing partners.

Conference attendees include physicians, nurses, researchers, clinicians, public health professionals, community health workers, social workers, and non-profit partners.

Annually, our conference attracts over 315 attendees from around the state, with over 30 speakers, and 20 - 25 exhibitors.

We invite you to partner as a sponsor with this important conference. This sponsorship allows you to position your company or organization as a leader in health equity by providing face-to-face interactions with thought leaders, visionaries, and affiliate organizations addressing challenges and opportunities around access to care in Arizona. We offer sponsorship opportunities to fit different objectives and budgets. Each sponsorship level is open to multiple organizations.
