

2021 ARIZONA HEALTH EQUITY Conference

Building Pathways To Successful, Healthy, Resilient & Equitable Communities

Sponsorship Opportunities

The Arizona Health Equity Conference highlights current health equity research, practices, and policy efforts taking place in Arizona, and fosters innovation through collaboration, knowledge transfer, and a shared commitment to health equity among new and existing partners.

Conference attendees include physicians, nurses, researchers, clinicians, public health professionals, community health workers, social workers, and non-profit partners. Annually, our conference attracts over 300 attendees from around the state, with 18 unique breakout sessions and over 30 speakers.

For the 2021 edition, we will be holding an hybrid conference with a limited numbers of in-person attendees (150) and up to 250 virtual attendees. This virtual offering will attract many professionals who may not have had the opportunities to travel to Phoenix in the past. We invite you to partner as a Sponsor for this important conference.
