MEET OUR TEAM SARAH POWERS

Lodge Hospitality Staff

Sarah is a jack of all trades here at the Lodge – she cleans, cooks, guides prairie dog hunters, and even helps out at shows! She loves the fast-paced nature of prairie dog hunting, but she treasures memories of hunting antelope at home in Wyoming with her stepdad. Sarah knows the value of sharing a hunt with the people you love the most.

Her favorite part of working at the Lodge? All the camaraderie! Sarah loves the teamwork that keeps things running smoothly.

THAT'S A WRAP ON SNOW GOOSE SEASON

Snow goose season is over, and the migration has moved onward. We had a fantastic snow goose season, and most importantly, we want to say thank you to all of the hunters who came out and helped keep the snow goose population in control.

Now, we are headed to the butcher, who will transform the leftover snow goose meat into meat sticks. Our 100 lbs. of snow goose meat will be mixed equally with pork for 200 lbs. of BBQ and jalapeño cheddar meat sticks. If you are prairie dog hunting with us this coming summer, expect to try one in your lunch box!

WHAT'S NEW? THE LATEST FROM THE LODGE

With snow goose season behind us, it is time to turn our attention to our summertime hunts. If you can believe it, we will be kicking off the prairie dog hunting season in just six weeks. Where has the time gone? We still have a few dates available this summer, so make sure to book your prairie dog hunting and fishing trips with us if you have not already. We hope to see you soon!

In April, we will be redesigning and replanting the food plots. We have spotted many pheasants running and cackling in the fields. With the lower levels of precipitation so far in 2026, we are hoping for rain in April.

We also loved exhibiting at three new shows this March, located in Missouri, Minnesota, and Michigan. Thank you so much to everyone who came to say hello at our booth!
