

Annual Women's Weekend

December 5-6, 2020

Have you experienced the thrill of upland bird hunting?

Walking across the prairie with native grasses blowing in the wind...

Hearing the rustle of dogs zigzagging along the ground searching for birds...

Listening to the cackle of a colorful rooster just before he flies skyward...

Feeling the thrill of victory when your first shot brings him back down to earth...

Sharing your stories with your friends and smiling at all the great memories...

Dakota Prairie Lodge & Resort is hosting another annual Women's Weekend this fall! After you've celebrated Thanksgiving with your family, you deserve a weekend to yourself before the chaos of Christmas is underway. Join us in December for the experience of a lifetime! No pressure from the men in your life if you miss a few shots, and our sporting clay course will prepare you for success in the field.
