GIVING TUESDAY SHARE YOUR SUPPORT FOR LAND & LEGACY

Land & Legacy is our charitable organization, which was created with three primary purposes. We aim to acquire land to conserve for future sportsmen, preserve resources such as native flora and fauna, and educate people about the importance of land conservation. Sharing the joys of ethical hunting is part of our mission. We strive to foster and protect the American tradition of sportsmanship for many years. On Giving Tuesday (December 3, 2024), consider Land & Legacy.

HAPPY THANKSGIVING FROM THE LODGE TEAM!

Happy Thanksgiving to you from everyone on the Lodge team: our guides, cooks, hospitality staff, and Toni (and the dogs, of course). We are grateful for our incredible team of guides and staff, who build a welcoming atmosphere that our many hunters get to call home away from home. We are grateful for an incredible count of wild pheasants this year.

We are also grateful for our affiliate farmers. Without their commitment to maintaining wild habitats and willingness to share their land, we would not be able to host hunters from almost every state. Last but not least, we are grateful for our hunters. You all complete our Lodge family, and we love hosting you here!

SNAG YOUR SPOT FOR DECEMBER HUNTS

Since pheasant season opened on October 19, we have been busily rounding up the wild roosters in our fields. Our November hunts were full of laughs and memories that are sure to last a lifetime, as we booked out the Lodge on a number of occasions with large groups. Our Lodge has the capacity to host 40 hunters, so it is the perfect place to hunt with corporate teams, your extended family, or friend groups that may be too large for some lodge settings. If that sounds like you, don't hesitate to call us and book your spot. We still have some openings for pheasant hunts in December, and you can lock in a spot right now. Give us a call at 1-855-SD-LODGE to book a few days on the wide-open prairie.

December is an underrated time for pheasant hunting. The weather is normally still warm enough to enjoy walking the fields, and you can find a last-minute spot for your group.

THE ONLY GIFT GUIDE YOU NEED FOR THE HUNTERS ON YOUR SHOPPING LIST

Holiday shopping season is here, and with Thanksgiving landing so late this year, you'll want to make sure that you have the perfect gift secured for every hunter on your list. Don't worry, we've got you covered. Whether you are purchasing new gear for yourself or you are shopping for another hunter, check out our top picks.

LEGENDARY BOB ALLEN HUNTING VEST

If his hunting vest has seen better days, it's time to give his look an upgrade with a new piece of gear. We love the brand Bob Allen for hunting vests (that's what we sell in our gift shop, embroidered with the Dakota Prairie Lodge & Resort logo). A vest is the perfect gift for veteran and newbie hunters alike, and he'll use it for years to come!

WATERFOWL-INSPIRED GOLF POLO

Many of our hunters love other outdoor sports as well. If the hunter that you're shopping for loves playing eighteen holes as much as he loves hunting for waterfowl, combine his passions with this [Rhoback Golf Polo](#), printed with a subtle waterfowl pattern. He'll be psyched to wear this on the green!

MUST-HAVE HEAVYWEIGHT HUNTING BOOT SOCKS

There's nothing worse than cold feet when you're on a hunting trip. While they might not seem like the most interesting gift, durable socks are crucial for every hunting trip. This heavy-duty [Darn Tough pair](#) will hold up against the elements.

DURABLE, SUPPORTIVE HUNTING BOOTS

A great hunt begins with a well-fitting pair of boots. If his footwear is looking a little worn out, it might be time for a replacement. Look for a pair with traction, ankle support, and water resistance that does not compromise breathability, like these [Irish Setter camo hunting boots](#).

OUTDOORSY MAGAZINE SUBSCRIPTION

If he loves to stay on top of the latest trends in hunting and outdoor sports, a magazine subscription could be the perfect gift. There are plenty of options, like *Upland Almanac* or *South Dakota Magazine*.

RECHARGEABLE HAND WARMERS

Hunting during the winter months? A pair of sleek, [rechargeable hand warmers](#) can easily slip into the pocket of his vest to stay toasty!
