PUPPIES ARE HERE! FIND YOUR NEXT HUNTING DOG

On Tuesday, March 11, our sweet hunting dog Molly welcomed her litter of eleven puppies into the world! She had six boys (four black, two yellow) and five girls (all black). Molly and the father of the litter, Blue, are both AKC-registered black labrador retrievers who have excellent hunting pedigrees. Molly has been a great first-time mother, and she loves nursing and cleaning her babies. They are now about 2.5 weeks old and are starting to attempt walking and opening their eyes. We still have a few of these adorable puppies available for sale – reach out to Toni ASAP if you are looking for a skilled future hunting dog who will also be great to have around the family. The puppies will be ready to go home in the middle of May. We are pricing the males at \$1,200 and females at \$1,500.

A SUCCESSFUL END TO SNOW GOOSE SEASON

We are hosting our final group of snow goose hunters for 2025 at the Lodge, this weekend and we are excited to share that we enjoyed a successful and abundant season! These geese are headed north now, but we were able to enjoy hunting them using windsock and flyer decoys. If you missed the chance to hunt snow geese with us this year, make sure to reserve your spot for next year between the middle of February and early April. We can accommodate groups of up to 40 people.
