

STRONGER Together

Early Learning Ventures & Alliance CORE for Providers

Early Learning Ventures (ELV) is a nonprofit organization that brings a shared services approach to the child care industry. Operating as a partner, not just a product, we assist providers with their daily admin duties and provide virtual tech support.

What is Alliance CORE?

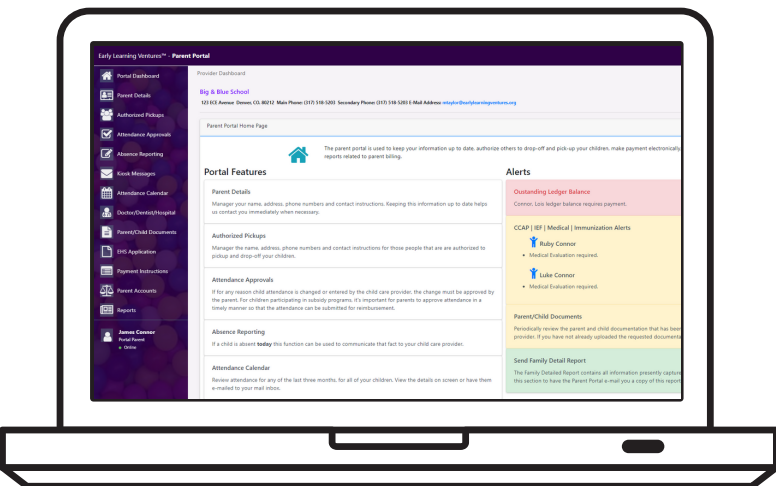

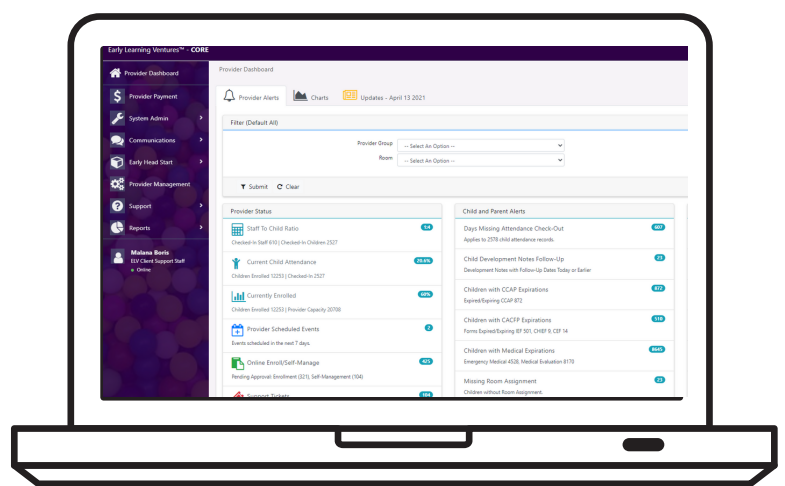

Alliance CORE is ELV's management system that assists child care providers with their:

- Attendance tracking
- Licensing Compliance
- Billing & invoicing
- Parent communication
- Filing and Reporting

How can child care providers benefit from Alliance CORE?

By moving past paper and pen, providers can house all the child care business information inside the cloud-based system including:

- Licensing and compliance tracking
- Time-Space Percentages for taxes
- Billing records for parents
- Communication logs with parents
- Child & Adult Care Food Program tracking & reporting

Why is this system helpful to staff and families?

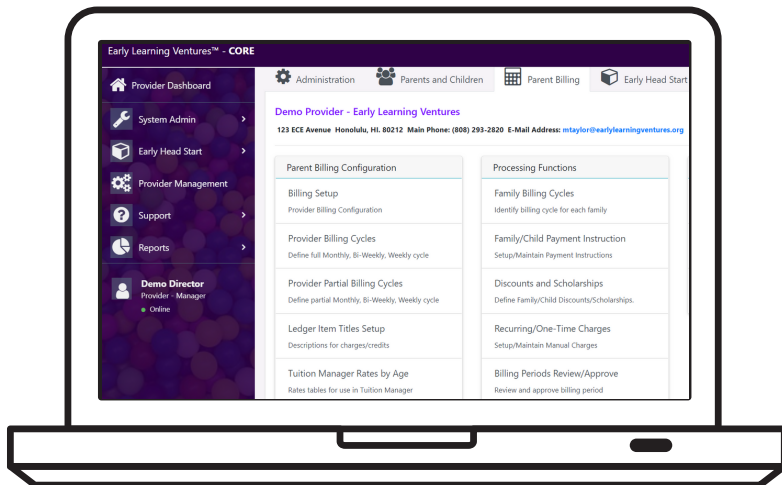

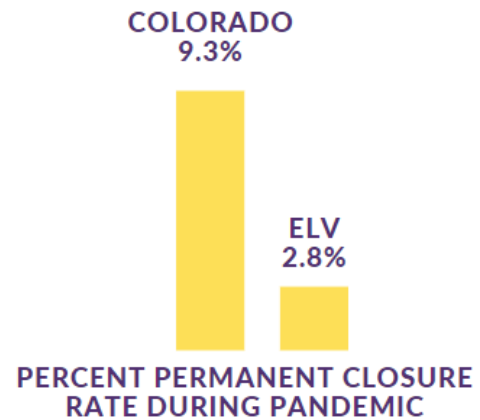

With easy communication, daily sign-in/out tools, and a parent portal, everyone can be on the same page and access their information from anywhere as well as:

- Pay their bill
- Upload documents and trainings
- Approve child attendance

Early Learning Ventures & Alliance CORE for Providers

ELV and Alliance CORE brings real-time data advantages to the industry and allows providers to stay open and in compliance with the resources, tools and guided support to do so.

Child Care Providers in the ELV Network were more than 3 times as likely to stay open during the COVID-19 Pandemic throughout 2020.

Analyses have showcased providers moving to CORE:

- Increase their billing collection rate
- Have fewer licensing violations
- Save time on their administrative requirements
- Report that they are more informed about their business

Our team is here for you!

- 12+ hours a day of virtual client support coverage
- Ongoing one-on-one trainings
- Local resources from partners
- Learning Community opportunities
- Webinar and weekly interview series
- We develop state-specific updates with our partners

Alliance CORE Costs:

Initial Set up Fee per Provider = \$450 one time fee for one-on-one onboarding to fully utilize Alliance CORE

Monthly Alliance CORE Fee:

- 0-30 Licensed capacity = \$25
- 31-60 Licensed capacity = \$50
- 61+ Licensed capacity = \$100
