

# WHAT IS PALMETTO SHARED SERVICES ALLIANCE?

## THE RESOURCE PLATFORM

Palmetto Shared Services Alliance is a members-only resource that is intended to minimize the day-to-day stresses that monopolize the childcare industry. Services offered save childcare and after-school programs time and money, increase revenue, and improve overall quality.

## THE RESOURCE PLATFORM DOWNLOADABLE RESOURCES

One of the best features of the Resource Platform is the downloadable and customizable resources. Resources such as: employment handbooks, HR policies, parent policies, curriculum information, financial tools, and others.

## THE RESOURCE PLATFORM COST SAVINGS

The Resource Platform connects providers to discounts and savings with over 25 national vendors such as Discount School Supply, Kaplan, Staples, ADP, Ace Hardware and many more. We also connect providers to local, statewide vendors, including health insurance, property insurance, disinfectant services, and playground equipment.

## PALMETTO ECE CAREER CONNECTIONS

We provide our members access to a dedicated Early Childhood Job Board in partnership with Acquire4Hire, located on the home-page of the Resource Platform. With one-click, providers can post a job to the job board and PSSA will push the job out to 8 different job sites, including Indeed.

## ONLINE UNIVERSITY

We understand the difficulty in scheduling time to get your professional development hours completed; therefore, we are excited to offer an Online University where providers can get required and SC Endeavors approved hours on their own schedule. Members receive 50% most courses for themselves and their staff!

## IN-PERSON PROFESSIONAL DEVELOPMENT

Palmetto Shared Services Alliance is committed to providing quality onsite professional development for providers in the state of South Carolina at an affordable rate. Our Professional Development Coordinator is a master-certified trainer with Endeavors and can help you create the perfect training plan for your staff!
