

Palmetto Shared Services Alliance is a **BRIGHT** Idea!

The Resource Platform is a comprehensive source for downloadable and customizable resources to fit each childcare provider's specific need. Our goal is to help providers have easy access to all resources they need, including:

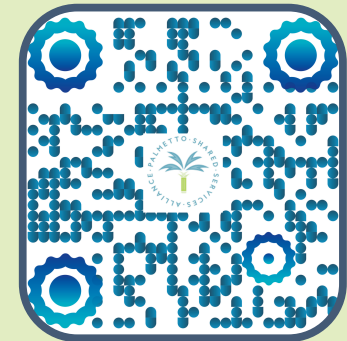

- Family Childcare Toolkit
- Forms & policies
- Marketing Toolkit
- Healthcare benefits
- Employment handbooks
- HR policies & forms
- Parent handbook
- National Cost Savings
- Covid Policies
- Posters
- Budget Templates
- Local Vendor Savings

PSSA partners with Acquire4Hire to offer childcare providers everything they need to find the perfect employees for their programs. With one-click, your job posting is pushed to multiple job sites for maximum exposure. Your dashboard keeps you organized through the entire process, which makes reaching, interviewing, and hiring the best people easier than ever!

PSSA provides quality online and on-site professional development opportunities for childcare providers across the state. We are committed to making it easier to:

- Successfully complete professional development either in-person or via PSSA's Online University.
- Receive high-quality DSS approved trainings developed by a master-certified trainer.
