ECO GIFT SET

Our Custom Eco Gift Set includes a reusable coffee mug, A6 notebook and wheat straw ball pen with blue ink.

This unique and affordable eco gift set is perfect for corporate gifts, employee appreciation, onboarding gifts, and trade shows.

Customize it with your logo to create a memorable and environmentally conscious gift that reflects your brand's values.

Ideal for promoting sustainability and making a positive impact.

ECO GIFT SET

The tote combines two earthy materials in this eco-friendly reusable tote bag. Heavy-duty 12oz cotton is paired with a cork bottom giving this bag a unique material structure and visual appeal. The durable cotton handles and reinforced bottom make it strong enough to carry just about anything you'd want to put in it. Great for carrying books, groceries, clothing, and running errands. The large 18" opening makes it easy to pack and unpack. This tote offers a large, memorable area to proudly display any brand.

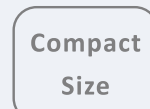

New style Cork Wood Eco Friendly Notebook with pen

The background is a composite image. On the right, a smartphone with a blue frame is propped up on a desk, displaying a portrait of a man. The rest of the image is a dark background with a glowing green circuit board pattern. A white hexagonal grid is visible in the bottom left corner. A white rectangular box with a thin border is positioned on the left side, containing the text.

GEO WIRELESS POWERBANK

28-044

It's a portable power bank to charge your smart-phone phone wirelessly. If your phone has built-in wireless charging function, no need for cable to charge! Géo Wireless charger solves a common problem with Qi charging which is the difficulty to center the device. Not anymore with Géo! The suction cups on it's back will hold your phone tight so that the charging will be fast and secure. The handsome light effect will be a very cool gesture for night use. And there is also one extra USB plug for non-Qi phones!

Wireless charger 5 Watt / 5000mAh fast charger compatible with both iPhone (X and later) and Android Qi compatible smartphones
Cutting Edge Geo design with accented LED lights - Built-in suction cups to maintain contact with your device at all time (Maximum distance for wireless charging: 8mm)
Safety first: Geo Wireless stops charging when a foreign object is detected
5 LED charge indicator - You can also use Geo Wireless Powerbank on a standard non-Qi device via its single USB port, including simultaneously while recharging a Qi enabled smartphone simultaneously Power-in via micro USB port (micro USB to USB cable included), Power out either wirelessly or via single USB port

POCKET LIGHT

46-008

Here's the BAG LIGHT. This is a Mini LED torch designed in the shape of a ceiling pendant light that can be used for handbags, briefcases, backpack. A woman's handbag is a universe all of its own. So, incidentally, is a man's briefcase. The dark depths of a bag's many compartments usually conceal the very object you are looking for. In order to shed some light on this matter, TROIKA is proud to present the BAG LIGHT: an attractively designed pocket torch in the shape of a modern pendant light which shines a bright LED beam into every corner of your bag. All you need to do to turn the BAG LIGHT on is to pull on its shade. This one's also a practical solution for the glove compartment and unlit keyholes and as a design highlight for your daughter's doll's house.

BAG LIGHT

46-009

Troika designed its bag light LED mini flashlight in the shape of a light bulb, hence the German name "Gluhbirne"

Specification:

MR. BIO MULTIPLE CABLE ADAPTOR

H7-28-055

To reduce the use of plastic, we imagined the Mr Bio, a multi-charging cable connectors fully biodegradable and recyclable. The cables are in DuPont Tyvek, a food grade material, resistant to water spray and 100% recyclable. The body and the connectors are in turn biodegradable plastic (3 to 5 years VS. 450ans for a plastic bag). Mr Bio comes in its packaging in 100% recycled paper and recyclable. Besides being environmentally friendly, Mr Bio offers connectivity at the forefront with its connections Type C In & Out, his lightning cable, USB & Micro USB. So you can charge all your smart-devices thanks to Mr. Bio. So go ahead, adopt Mr Bio and make it your new friend eco-fun!

The Mr Bio Wheat Charging Cable is more than a multi-device charging cable.

Using a combination of plastics and BioSphere Additives, Mr Bio is manufactured to be low-impact to create and completely biodegradable when disposed of. With a Lightning, Micro-USB, USB, and two Type-C adapters, you can transfer data and charge a wide range of portable devices.

TWIST USB FLASHDRIVE

The classic usb twist has been a promotional favourite for a long time and for good reason! The simple twisting design eliminates the need for a separate lid, making it a popular choice for schools and universities. The metal clip features a large branding area to both sides. The central body is available in a range of standard colours and can even be Pantone matched to a colour of your choice.

The Twist USB Flash Drive has a great space for imprinting with an imprint size of 1 x 1/2 inches, and with the imprint method which includes Laser Engraving or Screen Printing imprinting. Your company name can get a great recognition and visibility through this product with nice and easy imprint space when your customers use it and gives a great deal of promotion to your brand with good market awareness.

INÉ WALLET

INÉ collection was imagined to elegantly fix a simple issue born from our modern mobile lifestyle. INÉ's concept was born as a technical challenge: providing a full additional day of charge to a modern smartphone with the weight and dimension of the adopted wallet or credit card holder people are used to carry around (and of course, be also the most elegant credit card wallet!)

Keep your essential driver license, ID, mass transit card, credit card, or your Titanium Apple Card handy.

A compact braided cable looped to your keychain so you never question where you left it. Cables for both Android and iPhone are shipping in the box

An option to go even thinner by separating the battery side from the credit cards holder

All 4 credit card slots are lined up with RFID ultra-thin foil to protect you from remote thieves

INE MINI WALLET

3 TO 5
DAYS
DELIVERY

INÉ collection was imagined to elegantly fix a simple issue born from our modern mobile lifestyle.

Adopting INÉ is a massive game-changer, providing the comfort of the indispensable wallet and power bank into a single, but a chic product that still looks and weights like your usual wallet.

INÉ is your shortcut to the essentials you need.

TWISTER KEYRING

The Keyholder Twister Antik by Troika is one of the most stylish keychains available on the market. It comes standard with three keyrings, which is more than enough to carry all of your keys. The leather loop features a unique twisting feature, one of Troika's signature styles. This certainly falls into the realm of 'stylish keychains' and not necessarily full-on rugged durability, but this leather masterpiece will absolutely hold up over time as the craftsmanship is exquisite.

Keyholder leather loop made of black leather and metal
3 removable keyrings
Simple twist-lock secures keyrings
Easily remove and replace keyrings as needed
Practical and well designed

Simplicity is the key. Insert, twist, secure! The Twister keyring makes your life easier. And more stylish! Designed by ding3000 for TROIKA, Germany. The Twister keyring is a real turn-up for the books! The metal twist lock secures the keys on their leather strap. This keyholder combines timeless design with a smart idea. Simply ingenious! TROIKA keyrings can be engraved for an enduring corporate gift, one likely to be used and admired everyday.

REEL BADGES

Around the world, retractable badge reels are quite common. With the help of this badge reel, the employee can keep track of their ID card. There are snaps to close the back. Due to the robust material used for the back, it is not easily broken. Furthermore, this badge reel's construction includes a plastic material. Plastic is a durable and portable material. Because of this, our promotional badge reel is more durable. Additionally, the promotional badge reel comes in a variety of stunning colors. You can decide based on your preferences.

This promotional product can be altered. On this retractable badge reel, you might have your name or the name of your business inscribed. Epoxy can be customized by using the digital printing option. Epoxy printing looks nice and lasts a long time. Additionally, the personalized retractable badge reels make a fantastic business gift.

This giveaway effectively advertises your company. At your official events, you may, however, give this promotional badge reel as a gift. As a corporate present, you can purchase a sizable quantity of these badge reels for each employee of your business. Additionally, you can give away this retractable badge reel at an event to advertise your company.

RECYCLED STAINLESS STEEL TUMBLER WITH REUSABLE STRAW

Introducing our 900 ml deluxe recycled stainless steel tumbler, designed to provide you with the perfect balance of size and portability. Its ergonomic comfort-grip handle and sleek base ensure that it fits most cup holders effortlessly. Whether you're pushing through a full day of work, hitting the gym, or heading out on an adventure, this tumbler is your ultimate hydration companion. Made with robust recycled stainless steel, this durable tumbler is built to last and can keep your drinks at the ideal temperature thanks to its double-walled, vacuum-insulated design. The tumbler includes a secure, spill-proof lid, a recycled steel straw, and a silicone tip for added comfort. The screw-on lid has a dual feature, allowing you to drink directly from the spout or use the straw, catering to your preference. With 70% of its total weight made from recycled materials, this tumbler is RCS certified, ensuring a fully certified supply chain for its eco-friendly components. Personalize this eco-conscious tumbler to make it uniquely yours or to give it as a thoughtful, customized gift. BPA-free for your peace of mind, we recommend handwashing to preserve its quality.

WAVE DRINKING CUP

350ML

Sip in style with the Wave Drinking Cup. Crafted with Bamboo fibre, this 350ml cup is sure to add the extra eco edge that your brand desires.

CROSSPACK

Crosspack, anti theft sling/hip bag.
Designed for modern nomads, with a durable urban-inspired aesthetic combined with everyday functionality. Versatility is at the heart of Crosspack from tough

belongings secure on any trip. Furthermore, organisation is taken to the next level with a number of smart pockets, incorporation of RFID bag security and comfort points for a premium carrying experience.

Now you can stop watching your bag and look up to see the world in front of you. Our built-in 3-Point Anti-Theft security buckle will protect your valuables from pickpockets and thieves. Crosspack uses slash-resistant Cordura body panels, a slash-resistant wire reinforced strap, a hidden zipper; and a RFID blocking organizer.

Packs your belongings with peace of mind.

Size: 280 x 90 x 160 mm Logo size: 46.5 X 26.5 mm

How to brand?

Your logo with epoxy doming or laser engraving on metal plate.

Sling/hip bag

Wear Crosspack as a belt bag, cross-body or over the shoulder for a cool and stylish look.

Hidden Zipper

You can't open what you can't see. Prevent from thieves opening your bag.

Side positioned buckle

Easy for you to open/close. Hard for thieves to open unnoticed.

Smart Storage

Functional inner compartments, big enough to bring a bottle of water & umbrella.

Cordura® Fabric

CORDURA® fabrics are made with high tenacity nylon 6,6 filament yarns and offer enhanced tear, abrasion and cut resistance.

Shockproof padding

With a padding of 10 mm (0.4 inch) thick, Crosspack makes sure your belongings are protected against shocks and drops.

Wire reinforced belt

The slash-resistant wire reinforced strap prevents thieves from "cut and run".

3-point-anti-theft-buckle

Semi hidden and 3 point opening mechanism prevents thieves from stealing your bag.

RFID compartment

The hidden RFID compartment prevents skimmers from receiving a signal from your documents or cards.

KRAFT BAG

For a sophisticated two-tone look for your packaging, look no further than our natural kraft paper eurotote bags with black twill ribbon handles. These eurotote shopping bags have a luxurious no-laminated natural kraft finish with soft black twill ribbon handles. These shopping bags are made with heavyweight paper and are reinforced with inserted bottom boards and fold over tops for added strength. These paper bags are also made with 40% recycled content and are considered reusable by most environmental ordinances. These eurotote bags make the perfect vessel for your retail or gift items

Size: 38cm x 32cm

26-002

26-001

Kraft paper bags with handles are usually divided into 2 types: folded bag handles and twisted bag handles. They are usually in a basic color of brown, golden brown, or milk cream. Kraft paper bags with handles are often used for food, gifts, clothing...

Advantages:

The handles keep the basic color of the pulp, suitable for products that are aimed at a rustic and gentle style. A unique material that users are interested in. The kraft paper offers a subtle beauty that makes a difference. Relatively low cost.

COTTON AND CORK TOTE

The tote combines two earthy materials in this eco-friendly reusable tote bag. Heavy-duty 12oz cotton is paired with a cork bottom giving this bag a unique material structure and visual appeal. The durable cotton handles and reinforced bottom make it strong enough to carry just about anything you'd want to put in it. Great for carrying books, groceries, clothing, and running errands. The large 18" opening makes it easy to pack and unpack. This tote offers a large, memorable area to proudly display any brand.

FOLDABLE BAG

Foldable shopping bag in 210D polyester with drawstring closure on pouch.
