Re: *Certificate of Appreciation*

Dear Deputy Koski:

Our organization advocates for prisoners' rights. When we hear about acts of human kindness, we want to acknowledge and show our appreciation to those individuals. Your act of human kindness occurred on January 19, 2023, when you came to the aid of inmate Brendan E. Thompson, gave him CPR, and revived him. I spoke with Brendan and he is very appreciative and thankful to you for what you did for him.

Enclosed is a Certificate of Appreciation for your human kindness toward another human being. You may have just been doing your job, but we want to express our gratitude for saving Brendan's life.

Best regards.

Sincerely,
