How is Atmosphere free to businesses?

Atmosphere provides amazing content for free in exchange to run advertising within programming. Cable/Satellite TV also runs commercials within the programming, but you pay for cable/satellite and Atmosphere TV is FREE with more options to help you advertise directly to your customers. No competitors will run on your TV's.

Digital Signage

Customers can upgrade to Pro at no cost with Digital Signage Manager - We Attract the Eyes!

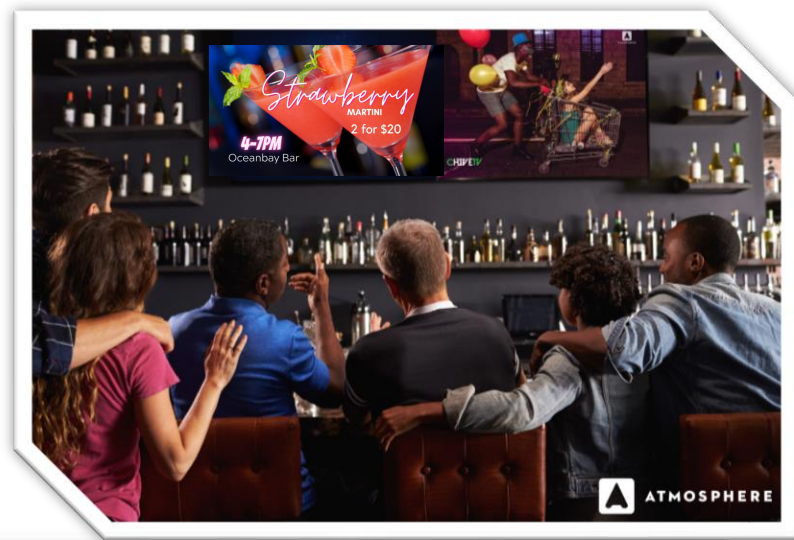

Run customized marketing promotions with topical digital boards or even your own TV commercials up to 60-seconds.

Increase revenue by promoting specials, features, promotions, events, and announcements of your business,

Replace untargeted commercial breaks with your own message.

Schedule your digital boards or commercial by zip code or city to promote Yourself in other venues using Atmosphere TV in your community

If you would like help in creating your digital boards or managing your ads and playlist, call **Social Aces Marketing in Frisco at 972-214-5652.**
