10. New Business:

- A. Ms. Perry reported she has been in contact with someone who is interested in using the village ball field for a coed league. It has been several years since a league has used the ball field. The cost of the ball lights is a big factor as they are very expensive to turn on. Mr. Light will look to see if these lights have been repaired. Mr. Gray stated at one time, the electric box had a ground issue. Field prep and cleanup is another factor to consider. The last time a league used the field the cost was \$400.00 per team. Perhaps a deposit may be collected on field use. More discussion to follow.**
