## FAMILY NOTES

**Marriage (pre 1800):** Keddall Lee and Rachael were slaves on the Webb farm in the Somerset area of Orange county Virginia. Since slaves were considered property, there would be no civil probate court records. There may have been some ceremony amongst the slaves on the plantation. They came to Ohio in 1844 as a couple. There have no court records in Ohio of a marriage. Kendall and Rachael were a couple until Kendall's death in 1871.

**General:** possible name is Rachel

FATHER NOTES: Kendall LEE

**Occupation (1870s):** Oral history recorded from Paul Taylor jr at a family history at the 1923 reunion.

MOTHER NOTES: Rachael LEE

**Death (after 1880):** No records of death. Alive when 1880 census was taken.

23 Jan 2023

**General:** Rachael was enslaved on the Webb farm. There are no records of her mother nor father. She may have come from Thacker's father plantation.

She came to Ohio in 1844 as a couple with Kendall Lee.

I use Lee as her surname because slaves had no surname.

CHILD NOTES: Levina LEE

**Birth (from 1795 to 1799):** Born a slave in Virginia. Daughter of Kendall and Rachael Lee. No exact DOB. In the Reunion document, maybe named as Lorenda Lee. But in 1870 census record, under Hill residence, stated mother-in-law. No other documents to verify this. Levina and Nathaniel already a couple before arriving to Ohio. No marriage records found.
