

Wine & Entertainment

The wine room features custom beveled glass cabinets, a Sub-Zero wine cooler, a Tru Clear ice machine, and a copper sink. Adjacent is a 400-bottle, temperature-controlled wine cellar with Van Tassell granite and alder cabinetry.

The English pub in the lower level is a showstopper, complete with stained glass, a brass foot rail, and a fully equipped bar. Nearby, a Full Swing golf simulator and home theater provide endless entertainment.
