

A Chef's Dream Kitchen

The kitchen is a **culinary masterpiece**, centered around a granite island with a copper sink and soft-touch cabinetry. High-end appliances include a Viking eight-burner stove, a custom copper range hood by Northshore Ironworks, a Sub-Zero refrigerator and freezer, and an Advantium 5-in-1 wall oven. A butler's pantry with a Bosch dishwasher and porcelain sink adds convenience, while stained-glass alder cabinet doors lend a touch of artistry.
