Meals

- Our booster club will provide a light pre-game meal on each game day to players, after school. Snacks during halftime will also be available in the locker rooms.
- Thursday night meals after practice will be provided for the high school players.
- Meal money due for each player: **\$75 for high school players; \$50 for middle school players.** **Please pay via VENMO** (@FFBCTigers; Festus Football Booster Club Tigers), our preferred method. You may also pay online at [Festusfootballbc.com/athlete-meal-payments](https://festusfootballbc.com/athlete-meal-payments). Cash or check is also accepted, and you can give payment to any of our officers.

Fundraisers – Your support is vital to our success!

- Our program receives 10% of concession stand profits for games that we work. This is an easy way for us to bring in money for our team's needs. Please sign up for concession stand duty at football games!! A schedule requesting volunteers will be sent out via our Remind App. If you have a Varsity player, sign up to work the JV or middle school games; work the Varsity games if you have a JV or middle school player, etc. Every shift helps, even if you cannot commit to an entire game.
- Game Day program sponsorship ads are a large part of our fundraising. Information can be found at: <https://festusfootballbc.com/sponsor-page> More information seeking sponsor ads will be sent out via Remind and Facebook over the summer.
- More to come on fundraising. Watch for announcements on Remind and Facebook.
