

February 24, 2025

Dear Neighbor,

I want to thank the previous board for its hard work to make Dorsey Estates a better place. A new board was seated last week from the response to the letter asking for help.

Your new board is Anita Elder, Laura Blackwell, Larry Cohen, Marco Preciado, Casey Kline, Bob Utley and James Wardrick. Thank you all for stepping up to help the community.

In the next letter I hope to have an abbreviated Treasurer's Report done so we know where our community is financially. Our current 2025 dues are set at \$179.66 per quarter. This is due on January 1, April 1, July 1 and September 1, 2025. If you haven't paid your January 2025 dues, please do it now. There will not be a coupon book going out, but we will remind you via this letter each month. For now, the January 2025 payment is due. Clarity Management still collects our payments.

As a reminder, the City's code for trash pickup says to use trash cans. If you don't have one, then a dark heavy plastic bag is acceptable, but do not leave out trash in a white bag. Animals will open it, and we will have trash everywhere. Not nice to have your neighbor clean up for you. Also, garbage will leave us with rats and other animals that carry disease that can affect our children and pets. PLEASE, no more white bags left out for trash pickup; put your trash out in a dark heavy plastic bag if you do not have a trash can with lid.

Should you have questions or concerns about the Dorsey Estates board, our email at our web page (dorseyestates.org) is a great way to contact us. If it's an emergency, you should call 911.

We are looking forward to continuing to keep Dorsey Estates a nice community and the place we call home.

Robert Utley
President of DEHOA

HOA Board, March 2025

March 14, 2025

Dear Neighbors,

As promised from the last letter, here is an abbreviated Treasurer's report:

My last Treasurer's report was from December 2019. At that time, Dorsey Estates' assets were \$62,498.37. Our assets as of February 2025 are \$76,279.72. This is from our checking account, savings account, and CD. Remember, this may seem like a lot, but should we need to repave the parking lot or replace or update the tot lot equipment, there would be little left in the bank.

Our budget this year is \$35,213.36. Our obligations will be \$6,191.00 more than our budget.

Outstanding HOA fees are now up to \$9,906.52—almost a third of our operating cost. We are working to recover these fees, as letters are going out.

HOA fees are due on April 1, 2025, but Clarity has canceled its contract with Dorsey Estates as of March 31, 2025. We are in the process of self-managing, which will save us \$6,080.00 this year and offset the budget overage mentioned above. Once the online credit card/debit card system is in place and working, we will start to collect HOA fees by credit card/debit card.

So what does this mean to you? **Don't pay Clarity after March 31, 2025.** For now, you can mail a check to Dorsey Estates, PO Box 3092, Gaithersburg, MD 20885-3092 (payable to *Dorsey Estates HOA*, amount of \$179.66). However, we expect to have credit card/debit card operations up and running by June 1, 2025. All late fees and interest are suspended from January 1, 2025 until July 1, 2025 on HOA fees. This does not mean don't pay; it means if you are late, there won't be a penalty.

Residents who have outstanding HOA fees owed before 2025 will receive a letter stating the amount owed and will have 30 days to settle the amount before we turn it over to collections. So that we all understand what this means, an attorney will notify these residents that a lien will be placed on their property, that wages will be garnished, and that parking privileges in the community will be revoked. Any or all of this can happen to collect the outstanding HOA fees. We can't pay for services if we don't have the income, nor should anyone benefit from what their neighbors pay.

White trash bags continue to appear in the neighborhood. Please stop putting out trash in white trash bags. Otherwise, you will be fined \$100 for each white bag placed out.

Walking your dog helps you get the steps in that most doctors ask you to do. Please remember to pick up after your dog. With spring around the corner, there will be kids in the tot lot, so let's keep the neighborhood clean and safe for the kids and us.

US Lawn has put mulch around the trees and the Dorsey Estates sign, making the neighbor look much better and ready for spring.

Should you have any questions, please use the Dorsey Estates PO Box (3092) or the email on our web site (DorseyEstates.org).

We are looking to keep Dorsey Estates a nice community and the place we call home.

Robert Utley

HOA Board April 2025

You can now use your credit card/debit card to pay for your HOA fees. On the back of this page are some directions on how to do that on DorseyEstates.org web site. **Remember, April HOA fees are now due.**

As stated in the last letter, the board has waived late fees and interest till June 1, 2025. So if you have not paid your January 2025 or April 2025 dues by then, you will be charged a late fee and interest will accrue. Remember to pay either via credit card/debit card or mail a check to the address below. **We no longer use Clarity, so don't send payments there.**

When you do upgrades or repairs to the outside of your home, you should contact the board to make sure you follow DE code. Usually, there are no issues, but if there is, it would be best to make the change before the work is done.

Dogs: Everyone loves them. Well, most do. But no one likes their dirt. Per Montgomery County and the city of Gaithersburg codes, you are required to clean up after your dog. There is a problem here, and of all places the Tot lot: dog dirt everywhere. Our kids play there. If dog owners do not clean up after their dogs, then the tot lot might be off limits to dogs. There may be a charge for each dog, up to \$300, to cover the cost to clean up. Dog owners, the choice is yours. **Be a responsible dog owner: Follow the rules and clean up after your dog.**

We are looking for ways to reduce the noise from Clopper Road. We have contacted the county to try to control speed and the noise of loud cars/motorcycles, but like all government things, it takes time. We are considering planting pine trees along the road, but the fence around the tot lot is too long for that. So if you have any suggestions, let us know via email, please.

I want to thank the board for their work. Because we are no longer using Clarity, we are self-managing. Other items need to be addressed as well, and the board has stepped up to work on them all. Thank you.

Steps to pay HOA fees with a credit card/debit card on the Dorsey Estates web site:

1. Go to dorseyestates.org.
2. Find the button marked “Pay HOA Fees.”

3. Once you click on the button, it brings you to this page:

Enter the amount. Current HOA fees are \$179.66.

Click the “Click here to Pay” button.

A screenshot of the "Order Section" form on the Dorsey Estates HOA website. The form has a title "DORSEY ESTATES HOA" and a subtitle "Order Section". Below the subtitle, it says "Enter the required information in the fields below:". There is a text input field for "Amount *" with a value of "e.g \$1.00" and a "USD" dropdown menu. Below this is a section for "HOA FEES" with a "Click here to Pay" button. At the bottom, there is a "Secure Payment" logo.

4. Fill in the card information, your information, and your house number, and below is a

Button called “Submit Payment.”

Click on it to pay your fees.

A screenshot of the "Payment" form on the Dorsey Estates HOA website. The form has a title "DORSEY ESTATES HOA" and a subtitle "Payment". Below the subtitle, it says "Enter the required information in the fields below:". There are two main sections: "Order Section" and "Billing Address". The "Order Section" has a text input field for "Amount" with a value of "179.66 USD". The "Billing Address" section has a "PAYMENT CARD" section with a "VISA" logo and a "Card Number *" field. Below this are fields for "Expiration Date(MM/YY) *" and "CVV2 *". To the right of the "Card Number" field is a "Submit Payment" button. Below the "Card Number" field is a "Billing Address" section with fields for "Company", "First Name", "Last Name", "Address1 *", "Address2", "City", "State/Province", "Postal Code *", "Country", "Email Address", and "Phone". At the bottom, there is a "Custom Fields" section with a "House Number (Sullivan W.)" field.

5. You will get an email confirming your payment. Should you have any issues, email the board.

HOA Board May 2025

In the second week of June, you may receive a letter from the HOA Board about your upcoming (July 1 Q3) HOA payment. It is important you read it as some of you have a credit on your account, and a few are behind. It is better for all to have a zero balance after each quarter. Not everyone will get this letter, but if you do, please open it as it will tell you how much you need to pay in July. It seems this needs to be repeated: **DO NOT SEND ANY PAYMENT TO CLARITY**. Check the website DorseyEstates.org for information on how to pay and where to send it. (The address at bottom of this letter is for mailing checks.)

Q3 HOA PAYMENTS ARE DUE JULY 1, 2025. Remember, if you have not paid your Q1 or Q2 HOA payments, then starting July 1, 2025, there will be late fees for each quarter missed and 6% interest added to each month it is outstanding.

There will be new, updated parking signs in the neighborhood very soon. You should take the time to read one, along with the parking rules, which have been posted on the DorseyEstates.org website. The Board will be enforcing these rules ASAP.

The recent storm has brought a lot of questions about trees and tree limbs. From Mr. Gardner, our attorney: If a tree shows signs of distress, such as it's dead or has limbs that are dead and it appears it will drop, the landowner on whose tree sits is responsible if notified. On the other hand, if a tree is healthy but lightning strikes it or it is uprooted due to a storm, then what falls on your property is your responsibility to pay to have it removed. This is true in most cases, but there are exceptions. Lastly, if a branch hangs over or onto your property, you can have it removed at your expense.

Plans for Dorsey Estates: repainting the parking lines and numbers, so at some point, every spot will need to be void of a car so the lines and curbs can be painted; planting pine trees at the opening of Clopper Road to help with road noise; looking into options to fix our patchy grass in the common areas and tot lot. If there are any issues or improvements you'd like to see in Dorsey Estates, please contact us via email.

I want to thank the Board members for their work. We are no longer using Clarity; we self-manage. Other items need to be addressed, and the Board is stepping up to work on them all. Thank you.

COUNTY AND STATE LAW REQUIRES THAT THE VEHICLE BE AVAILABLE FOR RECLAMATION 24 HRS A DAY 7 DAYS A WEEK.

HOA Board June 2025

Q3 HOA PAYMENTS ARE DUE JULY 1, 2025. Remember, if you have not paid your Q1 (due January 1, 2025) or Q2 (due April 1, 2025) HOA payments (\$179.66 each) before July 1, 2025, there will be late fees (\$17.33) for each quarter missed and 6% interest added to any outstanding balance. For the July 1, 2025 payment, you have till August 1, 2025 before late fees and interest are applied.

PARKING SIGNS. There are new, updated parking signs in the neighborhood. The board is now enforcing parking rules. If you have a question, please ask. Otherwise, it might cost you to recover your car. Just received an email from the Alexandria Real Estates, 9 West Watkins Mill Road if your parking in their lot expect to be towed.

TOW CARD. Every house gets two: one for each parking space assigned to your house. If you need to have a car removed from one of your parking spaces, you will need to show this card to the tow truck driver to prove that you are assigned that space. The card also has the tow company's phone number and email address. Please don't lose these cards. If you do, contact the board for replacements.

Hot weather is trying to get here, which means school is out and kids are around. So please drive SLOWLY on Sullnick as you may find them playing in the street. You might find them darting between parked cars. They might just run out in front of you, so SLOW is better at this time of year.

Thank you to the residents who step forward with suggestions and concerns over issues with Dorsey Estates. The board has addressed many and found solutions; some we are still working on. If you have a concern about Dorsey Estates, our email address is below. You may also write to us at the address below.

Again, I want to thank the board members for their work. We are no longer using Clarity, we self-manage, and other items need to be addressed, but the board is stepping up to work on them all. Thank you.
