

QUINTA DO CARDO

DOC BEIRA INTERIOR I ALTITUDE WINES I ORGANIC

Cardo White

Made from hand-picked Síria grapes from one of the highest vineyards in Portugal, this wine was vinified in a steel tank for 30 days at around 14C. It had a slight ageing on fine fermentation lees.

Tasting Notes: Bright lemon green colour, floral, mineral and fruity notes, apple and lime. In the mouth it shows unctuousness and freshness, with a long finish.

Pairing: Perfect companion for fish, seafood and salads.
