

Position Title: Asbestos Abatement Worker (Full Time)

Location: Enviro Assessments East, Inc., New Bern, NC

Position Statement: Enviro Assessments East, Inc. (EAE, Inc.) is seeking Asbestos Workers to join our team.

The Asbestos Worker will carry out the directions of the designated Foreman/Supervisor. Typical assignments include the safe and compliant removal/disposal of hazardous materials (Asbestos, Mold, Lead) from various property types (Residential, Commercial, Military, Public, Etc.). The Asbestos Worker is a hands-on direct position that requires the Worker to perform the labor necessary to abate hazardous materials in compliance with safe practice standards. This position is 100% field work, and it will require the individual to be physically present and capable of physical labor. Teleworking is not available for this position.

EAE, Inc. is headquartered in New Bern, NC and serve the entirety of Eastern North Carolina and surrounding regions. EAE, Inc. has offered quality and timely services for nearly 20 years and is continually growing our client portfolio as well as our capabilities. Join us and become an integral member of a lively organization with an excellent track record and a bright future.
