

## CUSTOM HOME PORTRAITS

~illustrated by Lynn M. Seigny~

"A House is built of  
roof and beams,  
a Home is made of  
love and dreams."

Home portraits have long been a favorite housewarming gift, a unique anniversary gift, and a meaningful family collectible to be treasured. It's a perfect way of commemorating a beloved living space and keeping memories alive. Lately, our homes have become the center of our lives more than ever before, reinforcing how true the old saying is, "There's no place like home!"

With 30+ years of in-house design experience, a love of nostalgia and an eye for detail, you can trust your commissioned portrait will be of professional quality. My heart & soul are in every portrait I create.

I would welcome the opportunity to capture the uniqueness of your home, your place of business, a family vacation home or even your future home!

Each **custom home portrait** is first sketched in pencil as I see it from your selected photographs, sent files, or online source. I use high quality art supplies to colorize, and white 117lb. + 9"x 12" smooth surface paper., The original artwork is then scanned and sized for future merchandised items or limited edition prints upon request, as offered in the Home Portrait package "B."

\*Pricing is a guideline and may vary for larger or more complex and detailed homes, or if portrait is to be derived from blueprints or other architectural renderings. Pls. request a quote for such, and I will provide within 24hrs.. Frames & mats are not included.

Turnaround time is currently **4-5 weeks**. Please be sure to indicate the exact date your custom portrait is needed when you order. Rush fees may apply depending on your deadline. In charging rush fees I have to rush, so do allow the time listed above for the best results!

Thank you,

*Lynn*
