DEFENDANT’S SECOND AMENDED MOTION FOR DISMISSAL

Further material, relevant and exculpatory facts have been documented since DEFENDANT’S earlier MOTIONS FOR DISMISSAL, including a News Release (**ATT (1)**) and a City of Houston (COH) Civil Service Commission investigation and subpoenas under Civil Cause No. 2025-00809 in District Court ¹⁶⁴~~162~~ (**ATTS (2) through (5)**) related to two Houston Mayor’s and Houston Police Department’s (HPD) apparent involvement in, and failure to Red Tag and close, an active Child Sex Slavery (CSS) operation at 6855 SW Freeway, Houston, TX.

Defendant respectfully submits this supplemental information in support of DEFENDANT’S SECOND AMENDED MOTION FOR DISMISSAL.

(SUPPLEMENTAL) MATERIAL, RELAVANT AND EXCULPATORY FACTS:

1. Regarding both DEFENDANT’S Causes now before this Court:

- Cause 252849501010, Misdemeanor Trespass – Arrest at City Hall by HPD Special Response Group (SRG) on September 9, 2024.
- Cause 253790701010, Misdemeanor Criminal Mischief – Arrest at Defendant’s church by HPD SRG on November 9, 2024.

2. Some of these material, relevant and exculpatory facts originate from two Civil Causes now in Harris County District Courts:
 - Cause 2021-07164, Court 152, PPGC lawsuit against DEFENDANT seeking injunctions against his church's worship gatherings, now set for trial in March 2025, (**ATT (6)**), and
 - Cause 2025-00809, Court 164, COH Civil Service Commission investigation of Houston Mayors and HPD for involvement in CSS (**ATTS (2) through (5)**).
3. Since 2012, DEFENDANT has collected and reported evidence of CSS at two locations (**ATTS (7), (8) and (9)**). That evidence includes witnesses and their affidavits confirming condoms were provided at both locations by Planned Parenthood Gulf Coast (PPGC):
 - 2305 Eleanor Tinsley Way, Houston, TX 77023, 'The Hideaway'
 - 6855 SW Freeway, Houston, TX 77074, 'The Southwest Inn'
4. The 2012, and 2024, HPD investigations initiated by DEFENDANT were both ended by HPD Detective David Nieto without Nieto asking DEFENDANT any questions and without asking to see DEFENDANT's evidence (**ATTS (7), (8) and (9)**). Detective Nieto is now under investigation in the above Cause 2025-00809 (**ATT (3)**).
5. For 12 years, from 2012, to present, DEFENDANT has provided countless, formal notifications to local, state and federal law enforcement agencies of this CSS operation (**ATTS (10) through (29)**) which included the following agencies:
 - COH
 - HPD
 - Texas Attorney General (PLAINTIFF in this Cause)
 - Harris County District Attorney (PLAINTIFF in this Cause)

6. Most of DEFENDANT's notifications to Texas Attorney General and Haris County District Attorney (PLAINTIFF) preceded DEFENDANT's arrests and prosecutions on behalf of COH and HPD. Both prosecutions have the appearance of conflicts of interest and complicity in a cover-up.
7. Two independent documentaries were released in September and October 2024, showing local, state and federal law enforcement agencies are involved in CSS – specifically the provision of children for CSS and other heinous crimes through the Unaccompanied Alien Children Program where children from around the world are delivered to ICE / HHS for transportation to their “Sponsors” with no questions asked (**ATT (30)**). This same evil is also being exposed in England, and President Trump has already demonstrated once his resolve in ending it.
8. HPD, COH and Texas Attorney General (PLAINTIFF) have individually and together blocked DEFENDANT's Open Records Requests and TX Public Information Act Requests – all material, relevant and essential defense information (**ATTS (31) through (34)**).
9. District Court 9 and its MAC attorney Tiffany Sams (MAC Sams) appear in danger of complicity by protecting PLAINTIFF and HPD, and silencing DEFENDANT. Understanding they all work together closely as part of ‘The Harris County Criminal Justice System’, the evidence provide with this Motion should serve as a caution against becoming complicit in a cover-up, even as the capable, young HCDA prosecutors may also be experiencing pressure to protect the System. Warning signs include:

A. Along with Houston Mayors Turner and Whitmire, City of Hoston (COH) and their Police Department (HPD), both Paxton's and Ogg's actions and inactions may already show complicity in covering up this blatant CSS operation that they have not said or shown to be anything other than a CSS operation:

- Absent any denials of this CSS operation or explanation of what other purpose these building might have, Paxton, Ogg and HPD and other elected officials have failed to respond to or act upon DEFENDANT's repeated formal notifications of the above CSS operation, (**ATTS (10) through (29)**),

- With approvals from HCDA, HPD-SRG has twice arrested DEFENDANT – once at City Hall and once at his church – as he sought to publicly expose this CSS operation. Absent these DEFENDANT efforts, there appears no real reason for either arrest other than to silence DEFENDANT,
- For the three years since January 2022, following 18 months of peaceful worship gatherings without a single incident, HPD-SRG has assigned 5 to 20 HPD squad cars to surround DEFENDANT’s worship services. Despite worship attendance being decimated, DEFENDANT responded by bringing donuts and praying for each of the HPD-SRG officers,
- Since May 2024, when DEFENDANT began notifications of the CSS operation, HPD has twice sent officers from its “Mental Health Division” to DEFENDANT’s apartment to conduct mental health checks – which DEFENDANT apparently passed. None of these officers were certified or had degrees as mental health professionals,
- Prior to either of these arrests, Paxton and Ogg had both been formally notified by DEFENDANT of the extensive evidence – including that obtained from the City of Houston’s Permitting Department – of this CSS operation – and had done nothing. For HCDA to then approve arresting DEFENDANT, and prosecute DEFENDANT on behalf of COH and HPD appears a conflict of interest, at best,
- Managed Assigned Counsel (MAC): At hearings on November 21, 2024, and January 7, 2025, DEFENDANT’s formal requests as a pro se defendant for the hearings to be transcribed (**ATTs (35) through (37)**) were ignored by the Court, and DEFENDANT’s efforts and requests suppressed,
- DEFENDANT was allowed to see prosecution evidence after a hearing on November 21, 2024. While that evidence was clearly exculpatory, DEFENDANT was denied copies. Information promised by HCDA prosecutors was never provided (**ATT (35)**), and DEFENDANT’s attempts to confer with them in the courtroom denied and his emails ignored,
- At the January 7, 2025, hearing, the Judge declined to answer DEFENDANT’s question about the requested Court Reporter for transcripts and continued with the hearing. Along with her MAC Sams, they did not

allow DEFENDANT to speak. Prior to this hearing, MAC Sams had promised a pre-hearing meeting to provide DEFENDANT with the remaining subpoenas she said she'd said were filed. Instead she entered Court 9 and went directly to the bench for the hearing. Both the judge and MAC Sams ignored the four subpoenas filed by the MAC Sams that were supposed to have been answered at the hearing, and told DEFENDANT he could "follow up" on any subpoenas he wished to,

- In a post hearing meeting, MAC Sams informed DEFENDANT she did not believe there was any CSS and that she would restrict her efforts on DEFENDANT's defense to the two criminal charges themselves. This was despite DEFENDANT's having told her from October 2024, that he would base his defense on the context of the arrests – i.e. the CSS operation he was exposing at the time of the arrests,
- Among DEFENDANT's subpoenas being suppressed by the Court and its MAC Sams are questions about HCDA's and HPD's historic lack of arrests, prosecutions and convictions involving major CSS operations, (**ATTS (38) and (39)**).

B. In Cause 2021-07164, PPGC seeks injunctions against DEFENDANT and his church's worship around PPGC. DEFENDANT has filed evidence showing PPGC's crimes involving CSS, Baby Body Parts Profiteering and Illegal Abortions (**ATT (40)**). In that case, DEFENDANT has documented and filed evidence of seven (7) Physical and Legal Abuses that appear to be violations of statutes such as **"Deprivation of Rights Under Color of Law", 18 USC Section 242** (DORUCOL)

C. The lack of any corrective actions, and actions against DEFENDANT, in regard to this CSS operation have included:

- FBI Agents Ryan Volkmer and Amy Avila involved in wrongfully arresting and prosecuting DEFENDANT between 2014, and 2015, as documented above in the evidence presented by DEFENDANT in Cause 2021-07164, as well as recent intimidation by Agent Amy Avila in secretly contacting

DEFENDANT's family and interviewing the survey company
DEFENDANT employed to document PPGC crimes (**ATT (41)**),

- STATE OF TEXAS, Attorney General Ken Paxton, as documented above,
- HCDA's Anderson and Ogg, as documented above and in evidence presented by DEFENDANT in Cause 2021-07164,
- COH Mayor Whitmire in not Red-Tagging and closing this CSS operation while cancelling meetings with and banning DEFENDANT from City Hall,
- Precinct 1 Constable Alan Rosen assigning Constables full-time to service PPGC - in violation of TX Statute 2273, from 2010 to present,
- About 50 HPD-SRG officers and public officials given citations by DEFENDANT in relation to their failure to act on this know CSS operation (**ATTS (42) and (43)**).

D. The lack of any actions to shut down a known CSS operation would appear to be not only violations of individual oaths of office to uphold the laws and Constitution of the United States, but also violations of federal statutes such as **"Misprision of a Felony" 18 USC Section 4,**

SUMMARY

In light of the above facts it now appears both of these Causes are without basis and clearly intended by COH and HPD to silence DEFENDANT and protect those now under investigation for heinous crimes against children.

Since beginning his efforts in 2012, to expose this CSS operation and PPGC's role in supplying condoms to it, DEFENDANT has acted lawfully and in good faith. And yet, as shown in defense evidence in Civil Cause 2021-07164, every aspect of DEFENDANT's life has been destroyed by the above law enforcement agencies, including PLAINTIFF, by assaulting DEFENDANT physically and legally. These two Causes have now become DORUCOL Nos. 8 and 9.

The only crimes here are the actions and inactions to facilitate and protect this CSS operation and the heinous crimes involved, and the physical and legal assaults on DEFENDANT.

CONCLUSION

DEFENDANT prays this Court dismiss these Causes as lacking any basis in fact or law, and looks forward to working with HCDA, COH and HPD in replacing PPGC with The Memorials Re-Birth Center.

Respectfully submitted this 13th day of January 2025,

PRESS RELEASE

U.S. CONGRESSMAN SYLVESER TURNER AND HOUSTON MAYOR JOHN WHITMIRE IMPLICATED IN CHILD SEX SLAVERY

Following the deaths of 5 HFD Firefighters, the remains of the Southwest Inn were allowed to be re-built without permits and re-opened without Certificates of Occupancy, for which U.S. Congressman Sylvester Turner (Former Houston Mayor) and current Houston Mayor John Whitmire are directly responsible.

**HFD Firefighters lost in the infamous 2013, “Southwest Inn Fire”. Left to Right

Captain William Dowling**

Pro-Life Pastor David Allen says he confirmed in 2012, that this was a Child Sex Slavery operation after obtaining witness affidavits that Planned Parenthood was supplying condoms there. But in 12 years of notifying federal, state and local authorities, the only responses were physical and legal assaults to silence Allen by the authorities and Planned Parenthood.

After City Commissioner Brenna Lermon used Allen’s evidence and Private Investigators to begin a City investigation and prepare subpoenas, Mayor Whitmire and City Attorney Arturo Michel improperly attempted to block those subpoenas and replaced Commissioner Lermon. However, the subpoenas were released on December 10th, after Lermon’s arguments from the front of an audience of 30 supporters.

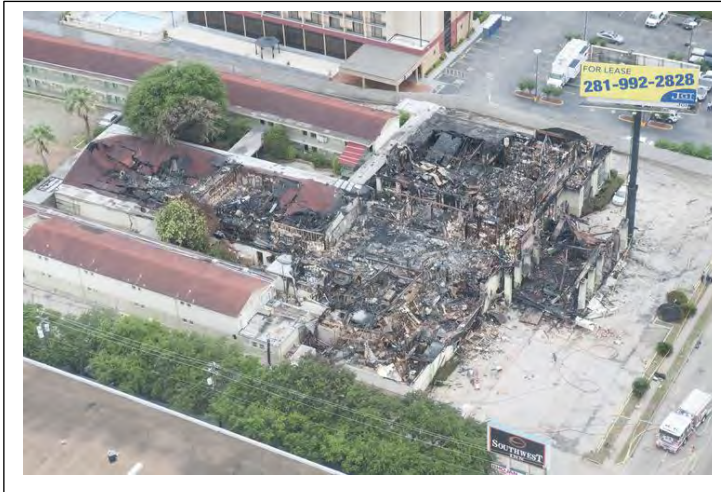

2013, Southwest Inn Fire

Lermon and supporters after the Dec 10th Hearing

After the burned wreckage at 6855 SW Freeway was removed, some undamaged rooms remained. Allen recorded these being renovated and new rooms added inches away. “The lack of clearance and lack of access for emergency vehicles were confirmed as fire code violations” says Allen.

Rooms left standing after the fire. Documents obtained through “Open Records” show there were no permits for reconstruction and that Inspectors were directed “not to Red-Tag”. There are no Certificates of Occupancy.

When Allen learned there were no permits or Certificates of Occupancy, he began another series of notifications to federal, state and local officials including Senator Ted Cruz, Texas Attorney General Ken Paxton, Harris County District Attorney Kim Ogg and Houston Mayor John Whitmire. Allen notes that again, the only response has been his last two arrests.

Pastor Allen had recently organized gatherings to pray that Mayor John Whitmire would not become complicit by failing to Red Tag and close this operation. Allen says he was disappointed when the Mayor fired Lermon and continued the coverup. “Sadly, the Mayor apparently chose complicity” says Allen.

Allen says the documentaries “Line in the Sand” and “What Is Treason” have just exposed federal, state and local agencies involved in Child Sex Slavery and using the federal Unaccompanied Alien Children (UAC) Program for the supply of children.

Allen states, “These both show foreign children delivered by cartels to Border Patrol and Immigration, who then deliver them to pre-designated sponsors with no questions asked and no follow-up checks.”

STATE OF TEXAS

COUNTY OF HARRIS COUNTY

PERSONALLY came and appeared before me, the undersigned Notary, the within named

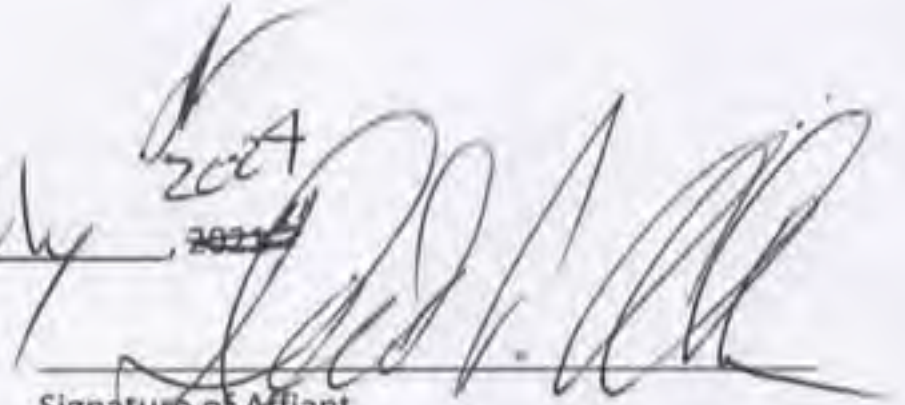

David P. Allen, who is a resident of Harris County, State of Texas, and makes this his statement and Affidavit upon oath and affirmation of belief and personal knowledge that the following matters, facts and things set forth are true and correct to the best of his knowledge:

1. On May 14, 2024, I initiated Incident Report 069356524 **ATT (1)**, with Houston Police Department (HPD) regarding a Child Sex Slavery operation, and renovations and new construction at the location of the Southwest Inn Fire, 6855/6857 Southwest Freeway, Houston, TX 77074.
2. On June 26, 2024, HPD Detective Nieto, Vice Division, Human Trafficking called from (281) 369-4128 which he said was his direct line. He was familiar with the Southwest Inn Fire but was not aware of any resumed activities on the property. He said he'd driven by the property days earlier and there was nothing there. I asked if he'd looked toward the rear of the lot but he assured me again there were no buildings. He then said he would call me back the next day, June 27.
3. On June 26, 2024, following Detective Nieto's call, I sent an email to the Mayor's Office warning that HPD might try to drag him into this "scandal quagmire" by trying to cover it up and cited an earlier cover up by Nieto in 2013, **ATT (3)**.
4. When Nieto did not call back, I went to the location, made a video recording of the buildings and posted it on-line:

5. On June 28, 2024, I sent further information and documentation to the Mayor's Office and to Texas Ranger Daron Parker, **ATT (4)**.
6. On June 28, 2024, I used the City's 311 system to initiate Case No. 2400251242, "Renovated New Buildings Operating Without Certificates of Occupancy", **ATT (5)**.
7. On July 1, 2024, I received a second call from HPD Detective Nieto from (832) 430-7039 which he said was a work number that he uses. He said he'd gone by the property, seen the old sign was painted over and stated again there were no buildings on the property. He did say he'd seen the Red Carpet Inn and the Romana hotels next door. He said he was closing out Incident No. 069356524. I asked if I would get something in writing and he said normally not, but he'd ask his supervisor if he could send me an email

Chief Satterwhite,

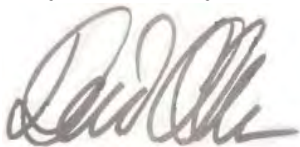

After Chief Finner's resignation last week – and revelation of the 264,000 violent crimes ignored by use of the code "Insufficient Resources" – HPD now has their hands untied. Praise God.

We know Houston is the hub of Child Sex Slavery (CSS) and the No. 1 destination worldwide for that evil. Enclosures (1) through (9) are a small sample of the evidence available – previously provided to HPD and other Local, State and Federal law enforcement.

Heavily involved in this evil is Planned Parenthood Gulf Coast (PPGC) – essentially an agency of our government working with a corrupt FBI, DOJ, HHS and White House – all using the Unaccompanied Children (UAC) Program to supply children for CSS and other evils.

May God bless HPD and protect its heroes as these evils are ended and the perpetrators and their accomplices in the chain of command are arrested, prosecuted and punished.

Very respectfully,

David Allen, Interim Pastor

Mayor Whitmire,

Wanted to advise you that HPD appears to be obfuscating - and could drag you into a scandal quagmire by delaying having these buildings Red Tagged.

From recent contacts by HPD, it appears their intention may be to cover this up - which has been the case since 2012, when it first came out. While I was out of town last week, HPD Mental Health Division sent 3 Officers to my apartment to do a mental health check. They talked to a neighbor and then called me while on vacation in St. Croix - and surmised that I am fine. Sure seems this may be HPD's response to the Incident Report.

Then an HPD Vice Division Investigator called to advise the buildings were not even there. Same Officer was involved in an earlier coverup of PPGC shenanigans 12 years ago.

When I checked with HPD records at 1200 Travis yesterday, they said it had been made confidential and no information could be released.

Wanted you to be aware of all this. And as you know, there is some house cleaning to do at HPD. Seems Troy Finner would know where the dead wood is.

Looking forward to your administration bringing this matter out in a press conference. Saw you on TV today with Texas Ranger Daron Parker about some Third Ward shenanigans. Amazingly, he has been investigating the subject case for some time and could be of assistance.

Looking forward to helping you steer clear of several of your predecessors' actions - and to protecting your administration. Meeting with some Pastors this evening about setting up a prayer wall around you and your administration and supporting you all through the challenges ahead.

It will be well,

STATE OF _____ TEXAS _____

COUNTY OF _____ HARRIS COUNTY _____

PERSONALLY came and appeared before me, the undersigned Notary, the within named

David P. Allen, who is a resident of Fort Bend County, State of Texas, and makes this his statement and Affidavit upon oath and affirmation of belief and personal knowledge that the following matters, facts and things set forth are true and correct to the best of his knowledge:

On August 16, 2012, I was talking to Cheryl Park and Suzanne Miral of Houston Coalition For Life (HCL) across the street from the Planned Parenthood (PP) mega clinic at 4600 Fwy 45. We saw two young girls exit PP and walk towards a nearby industrial complex. Park and Miral told me they'd heard of a brothel among these warehouses and requested I follow the girls.

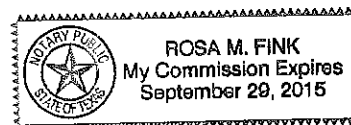

I followed the girls in my car, lost them momentarily and found them again on a warehouse loading dock at 2305 Eleanor Tinsley Way. I parked next to the loading dock and got out. One of the girls asked me, "Are you Mark?" I replied, "No, I'm David". A man emerged from the warehouse who said he was Mark. As he let them in, one of the girls said, "They sent us to you."

I immediately called Houston Police Department (HPD) but learned days later that my call had been transferred to HPD's Criminal Intelligence Division "Hate Desk" and was dead ended. Christine Melchor, President of HCL, then called HPD and demanded an investigation.

On August 21, 2012, HPD Officer Hugo Castro appeared to Cheryl Park and Suzanne Miral and reported that he'd searched the warehouse and found some young girls but nothing suspicious. I was never contacted by HPD and know of no other action by HPD to investigate The Hideaway.

The Sheriff's Office was also notified and LT Robert Henry (281) 446-9156, called to say he'd been assigned to take my information. After briefing him, he was never heard from again.

On August 24, 2012, Catherine "Cat" French of Elijah Rising Ministries <http://elijahrising.org/> drove out of the PP mega clinic parking lot and stopped to meet pro-life sidewalk counselor Christopher Terry. French raised the subject of the warehouse discovery, and informed Terry that that location had been known for years as a Child Sex Slave location and was called "The Hideaway" in the underworld. She told him she had ministered there for years, and at many other Child Sex Slave locations.

Terry observed boxes of condoms in French's back seat, and asked about them. French said she routinely gets them from PP and writes her 'rescue ministry' contact number on the condom packages before secreting them in to Child Sex Slave victims. When Terry asked how many child sex slaves she had saved, French looked surprised and replied, "two or three, maybe".

On September 25, 2012, I hand delivered identical manila envelopes containing video and other evidence about The Hideaway - addressed personally to Houston Mayor Annise Parker, HPD Chief Charles McClelland, Sheriff Adrian Garcia and Precinct 1 Constable Alan Rosen. A YouTube video shows me handing these envelopes to Mayor Parker at the weekly City Council Meeting.

<http://www.youtube.com/watch?v=vmgOgHHcc3g>

On August 29, 2012, two weeks after discovery of The Hideaway, these same officials stood together in a Press Conference and announced a "Committee to Study Human Trafficking". The Committee included Planned Parenthood but not the Harris County District Attorney. The timing of this announcement, and lack of the law enforcement agencies on the Committee (HPD and Sheriff), would indicate this was a diversionary cover-up of 'The Hideaway' discovery.

On September 26, 2012, I went to Houston FBI Headquarters at 1 Justice Park Dr. I was placed in an interview room and a "Duty Agent" spoke to me curtly from behind a window. He refused to provide his name or accept the evidence I'd brought. The Agent said the FBI would call if they needed anything. They never called. <http://www.youtube.com/watch?v=TOIkRr9yR-0>

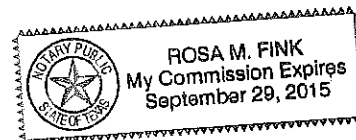

One year later, on October 29, 2013, I videoed a "Yang Ming" Tractor Trailer at the loading dock of The Hideaway, and reported this to HPD Sergeant R.D. McNeil. He assigned HPD Case No. P135717813R, and it ended up with HPD Vice (713) 308-8600, Officer David Neito, who is assigned to the FBI Human Trafficking Task Force.

My repeated calls to speak with the FBI Task Force were all transferred to the FBI National Center, who then transferred me to a non-profit organization. I finally insisted on speaking with Task Force Special Agent in Charge, Steve Morris, but was told, "It's not possible to speak with him or the Task Force - the only thing you can do is talk to the National Center or see a "Duty Agent".

On November 6, 2013, Juda Myers <http://choices4life.org/> and I went to FBI Headquarters and spoke with Duty Agent Donna Owen through the glass window. Owen confirmed that she knew Houston is the U.S. hub of Child Sex Slavery. When I noted that Harris County District Attorney has made no convictions in the past 5 years, Owen responded that perhaps there were some Federal convictions, but was unable to cite any.

Agent Owen was either assigned to, or very familiar with the Human Trafficking Task Force, and confirmed that HPD Officer Neito is on the Task Force and has an office at FBI Headquarters.

I asked, "What does the Task Force do with children it rescues from Child Sex Slavery?" Agent Owen did not know, but suggested the YMCA or Children's Center (off Kirby?). At the end of the

RB

interview, Agent Owen promised to have Officer Neito call me. As we left the building, Myers and I stood in the building entrance, prayed and sounded the shofar.

At 1 pm on November 6, 2013, HPD Officer David Neito called me from FBI Headquarters (713) 693-5000. I mentioned the YouTube video showing David Sander, from The Hideaway, warning me to take down the YouTube video exposing Mike Spratt as its owner. On this video, Sander says the warehouse ships bicycles out daily by UPS, and there are young girls around the warehouse because Mr. Spratt has a heart for troubled girls and hires them to help them out.

<http://www.youtube.com/watch?v=CvMDIsoqU4E>

<http://www.youtube.com/watch?v=5QkMqRgmbMI>

I said it would be easy to check employment records to see if they'd hired any troubled girls, and that UPS records would show whether any bicycles had been shipped. Officer Neito dismissed these suggestions and said, "If that's the owner's thing, so what?"

Officer Neito then brought up the original warehouse search and stated that it was he who had conducted it, and he who had found the young girls. I replied, "No, it was Officer Hugo Castro, the same Officer that handcuffed me in a squad car in the PP parking lot. Officer Neito chuckled and replied, "Yea, I heard you had a little heat exhaustion."

Officer Neito was referring to an incident in May 2011, where HPD Officers Hugo Castro and F. Gallegos handcuffed and suffocated me in an HPD squad car for an hour, until I collapsed and was transported by ambulance to a hospital – Ref. Federal lawsuit by Thomas More Law Center.

PERSONAL FOR - HAND DELIVER TO:

Houston Mayor John Whitmire and Texas Ranger Daron Parker,

From the meeting requested by Ms. Minal Davis, Director Mayor's Office of Human Trafficking on June 17, it is understood this Child Sex Slavery (CSS) scandal is being addressed with Chris Newport, Mayor's Chief of Staff. And it has already been under investigation for some time by Texas Ranger Daron Parker.

As Mayor Whitmire was just inaugurated, this scandal lays at the feet of earlier Houston Mayors, from Anise Parker to Mayor Sylvester Turner, as well as the various Local, State and Federal law enforcement agencies that have ignored repeated, formal notifications of this and another CSS location, since 2012.

HPD Detective David Nieto, Vice Division, called June 26, saying he was investigating the subject HPD Incident No. 069356524. He first stated incorrectly that this address is a vacant lot with no structures. After being corrected, he said he'd call back the next day - but did not. So this video was recorded on June 27 and published to document the renovated and newly constructed buildings on the same property where 5 HFD Firefighters died in the "Southwest Inn Fire" on May 31, 2013:

Chief Satterwhite,

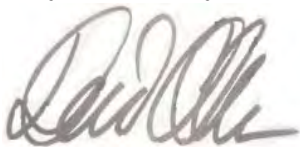

After Chief Finner's resignation last week – and revelation of the 264,000 violent crimes ignored by use of the code "Insufficient Resources" – HPD now has their hands untied. Praise God.

We know Houston is the hub of Child Sex Slavery (CSS) and the No. 1 destination worldwide for that evil. Enclosures (1) through (9) are a small sample of the evidence available – previously provided to HPD and other Local, State and Federal law enforcement.

Heavily involved in this evil is Planned Parenthood Gulf Coast (PPGC) – essentially an agency of our government working with a corrupt FBI, DOJ, HHS and White House – all using the Unaccompanied Children (UAC) Program to supply children for CSS and other evils.

May God bless HPD and protect its heroes as these evils are ended and the perpetrators and their accomplices in the chain of command are arrested, prosecuted and punished.

Very respectfully,

Subj: HPD Closes Incident No. 069356524, CSS Location at 6855 /6857 SW Freeway

1. After stopping at an HPD Precinct office to status the subject Incident No., I was advised to call Special Victims Dept. at (713) 308-1140. The Officer did mention that this matter had had a lot of entries and several mentioned "After Reports."
2. When I called Special Victims Dept., they transferred me to Crimes Against Children – and I spoke with Detective Reyna. He said Detective Nieto had "Inactivated" the Investigation on July 19th because there were no further leads. He did provide another work cell number for Nieto (832) 394-1357.
3. It is noted that Detective Nieto never asked me any questions and never requested any of the extensive evidence in my possession. He basically tried to mislead me from the first time he called – and seemed intent on covering this matter up as soon as possible.
4. An email was also received today July 23rd from Rebekah Williams (Mayor Whitmire Director) saying that after a thorough investigation this matter had been closed. No mention of Red Tagging or what the facilities are that opened without Certificates of Occupancy.

Mayor Whitmire,

Wanted to advise you that HPD appears to be obfuscating - and could drag you into a scandal quagmire by delaying having these buildings Red Tagged.

From recent contacts by HPD, it appears their intention may be to cover this up - which has been the case since 2012, when it first came out. While I was out of town last week, HPD Mental Health Division sent 3 Officers to my apartment to do a mental health check They talked to a neighbor and then called me while on vacation in St. Croix - and surmised that I am fine. Sure seems this may be HPD's response to the Incident Report.

Then an HPD Vice Division Investigator called to advise the buildings were not even there. Same Officer was involved in an earlier coverup of PPGC shenanigans 12 years ago.

When I checked with HPD records at 1200 Travis yesterday, they said it had been made confidential and no information could be released.

Wanted you to be aware of all this. And as you know, there is some house cleaning to do at HPD. Seems Troy Finner would know where the dead wood is.

Looking forward to your administration bringing this matter out in a press conference. Saw you on TV today with Texas Ranger Daron Parker about some Third Ward shenanigans. Amazingly, he has been investigating the subject case for some time and could be of assistance.

Looking forward to helping you steer clear of several of your predecessors' actions - and to protecting your administration. Meeting with some Pastors this evening about setting up a prayer wall around you and your administration and supporting you all through the challenges ahead.

It will be well,

Ms Gairo,

Just between you and I, the 6/17 meeting with Ms Davis indicated that her inclination is to bury this scandal.

But this involves the most heinous of crimes- and they all happened before the Mayor arrived.

Seems there are two choices:

1. Be the Hero: My feel is that this is Mayor Whitmire's leading- go after these criminal like he did for Jocelyn Nungaray- because it is the same root violence that has been going on at this location for decades. The fact that it was built where 5 HFD firefighters died and without permits and opened without Certificates of Occupancy and Citations dismissed could only have happened with Mayor Turner's involvement. Our law enforcement have long had their hands tied- and will until someone stands up and shines the "Light" and says "No More!" And many are praying for the Mayor and his administration for courage and protection. Personally, I believe he was created and trained and equipped and put here Divinely for such a time as this.
2. Be the Coward: Follow the counsel of fearful advisors and become a part of these most heinous of crimes by helping cover them up or ignoring them.

Best blessings in the days ahead,

David Allen

Ms Gairo,

It's been two months since filing HPD Incident No. 069356524 on May 14, and one month since meeting with Ms Minal Davis on June 17.

I spoke with the HPD Vice Division Investigator, David Nieto, this morning and nothing is being by him or his Division- other than to close out this Incident No.

A 311 Complaint brought only confirmation of "No Certificates of Occupancy" and was closed out without resolution.

So I am relying on your discussions with the Mayor and Chris Newport to believe that this scandal will be broken by the Mayor's Office in the next days.

An update would be appreciated by the close of business today.

Best,

Ms Gairo,

It's been two months since filing HPD Incident No. 069356524 on May 14, and one month since meeting with Ms Minal Davis on June 17.

I spoke with the HPD Vice Division Investigator, David Nieto, this morning and nothing is being by him or his Division- other than to close out this Incident No.

A 311 Complaint brought only confirmation of "No Certificates of Occupancy" and was closed out without resolution.

So I am relying on your discussions with the Mayor and Chris Newport to believe that this scandal will be broken by the Mayor's Office in the next days.

An update would be appreciated by the close of business today.

Best,

David Allen

Ms Gairo,

Thank you for forwarding Ms. Williams' information. I called her and we discussed this matter and the two options outlined earlier:

1. Be the Hero: My feel is that this is Mayor Whitmire's leading - go after these criminals like he did for Jocelyn Nungaray - because it is the same root violence that has been going on at this location for decades. The fact that it was built where 5 HFD firefighters died and without permits and opened without Certificates of Occupancy and Citations dismissed could only have happened with Mayor Turner's involvement. Our law enforcement have long had their hands tied - and will until someone stands up and shines the "Light" and says "No More!" And many are praying for the Mayor and his administration for courage and protection. Personally, I believe he was created and trained and equipped and put here Divinely for such a time as this.
2. Be the Coward: Follow the counsel of fearful advisors and become a part of these most heinous of crimes by helping cover them up or ignoring them.

As discussed in separate emails - it appears HPD's Investigation of Incident No. 0693567524 is being covered up by Vice Detective David Nieto - the same Officer who did the same thing in 2013.

Affidavits recording both cover ups have been provided.

311 Complaint No. 2400251242 - No Certificates of Occupancy - was also closed without resolution - apparently also being covered up. Statements and records from the Permitting Center provide overwhelming evidence of involvement by prior Mayors in allowing this Child Sex Slavery operation to re-open on the same grounds sanctified by the blood of five HFD Firefighters.

The extensive evidence provided to the Mayor's Office recently - and the large body of evidence that no one has asked to see - can no longer be covered up. This issue has already been exposed on a national level and the dam has broken and these children will be freed.

Here's another vision that came with The Memorials Re-Birth Center:

<https://flyingcrossranch.org/>

Ms Williams and I agreed to speak again Wednesday 7/17 at 10 a.m. It is requested that this matter be discussed with the Mayor prior to that and a decision shared at that time on whether or not his office will take action. My prayers and the prayers of many have been for courage and protection and we are believing for that.

**SUBJECT: CHILD SEX SLAVERY SCANDAL AT 6855 / 6857 SOUTHWEST FREEWAY
EVIDENCE SUBMISSION, MEETING ON JULY 24, 2024**

Enclosure: (1) Email Allen to Distribution, dated July 16, 2024
(2) Flash Drive marked, "EVIDENCE / JULY 17, 2024"

Mayor Whitmire,

Further to Encl (1) it is understood that the subject Child Sex Slavery (CSS) scandal is in discussion with your senior staff members C. Newport, D. Gairo and R. Williams.

A 10 am meeting this morning was re-scheduled for July 24th, with agreement that further evidence would be provided, Encl (2). Other evidence provided in recent correspondence relates to permit issues, and HPD Incident No. 069356524, now under investigation. The Texas Rangers are also investigating.

Other, public evidence also shows Planned Parenthood Gulf Coast, Inc. (PPGC) criminally supporting CSS. PPGC is also banned from the Texas Medicaid program due to Baby Body Parts marketing crimes and Medicaid fraud. Upon prosecution and seizure of PPGC's property, it must be transferred to another non-profit. We anticipate such transfer to The Memorials Church for replacement with "The Memorials Re-Birth Center", a world-class attraction expected to draw millions to the City of Houston.

Sincerely,

David Allen, Interim Pastor

Captain Joshua Lacour, Station 68 and Captain Donald Carter, Station 51,

Firefighters Renaud, Beebe, Garner, Sullivan and Downing, from your two stations - were lost in the Southwest Inn Fire on May 31, 2013, at 6855 SW Fwy. At that time the Federal, State and Local Investigators were provided extensive evidence that this had long been a major Child Sex Slavery location - and they included not one word about that in the final investigation report - or in their eulogies at Reliant Stadium.

Those same politicians and officials have now allowed Child Sex Slavery operations to resume on this sacred ground. This was condoned by Mayor Sylvester Turner as City Inspector's Citations were dismissed and they were directed not to Red Tag the renovated and new buildings as they were constructed and opened without Certificates of Occupancy.

We have a new Mayor who has proven himself to be a hero - and should be announcing the Red Tagging and closure of this operation no later than tomorrow.

The below email had wide distribution to prayer intercessors as this comes out - and prayers are especially needed for those at Stations 51 and 68 who knew these firefighters - as they deal with learning of what was behind this loss. It will be up to you both to help prepare and counsel them.

The Lord bless you and keep you and be gracious to you and give you peace,

ATTACHMENTS (1), (2) and (3) expose a major Child Sex Slavery (CSS) operation at 6855 / 6857 Southwest Freeway in Houston, TX. This is the location of the Southwest Inn Fire in 2013, that killed 5 HFD Firefighters. After formally notifying all of the Federal, State and Local fire investigators at that time, CSS was not mentioned in the final investigation report.

As we know now - our government is behind CSS and is supplying children from around the world through the "Unaccompanied Children Program" to "sponsors" - the children in silver blankets and cages - to the slaughter.

The remaining rooms left standing after the fire were abandoned - but beginning in 2020, were renovated and new rooms added just inches away - with no road access for emergency vehicles - both fire code violations.

It opened around 2023, without permits and without Certificates of Occupancy as revealed by the City Permitting Division, ATTACHMENT (3). City Inspector Citations were dismissed and Inspectors were "Directed Not To Red Tag" - as confirmed by an Open Records request. These crimes required the help of Mayor Sylvester Turner and those controlling him.

ATTACHMENT (4) is a Draft Press Release provided for Mayor Whitmire's review - or he could conduct a public press conference.

A Texas Rangers investigation was initiated a year ago with Texas Ranger Daron Parker. HPD Incident No. 069356524 was filed on May 14, 2024, and the investigation was assigned to Vice Division Detective David Nieto. 311 Complaint No. 2400251242 "No Certificates of Occupancy" was filed on June 28, 2024.

An initial meeting with Mayor Whitmire's Office was held on June 17, 2024, and discussions have continued with Mayor Whitmire, Chief of Staff Chris Newport, Executive Assistant Dina Gairo and Director Rebekah Williams.

ATTACHMENT (5) confirms there will be a meeting with these senior staff members tomorrow - Wednesday morning at 10 am - to decide the path forward, and spells out the two basic options facing the Mayor.

Mayor Whitmire,

It appears the cc'd advisors cancelled the scheduled July 24th discussion of this scandal (below email) and then attempted to close out the scandal by citing an investigation (Incident No. 069356524) by HPD Detective David Nieto - which would only drag you into the coverup.

Attached is an Affidavit about Nieto's latest shenanigans and misstatements - with further evidence from 2013, when Nieto first covered up this Child Sex Slavery location for Mayor Anise Parker.

Many have been praying against the enemy of our souls - a liar who is now desperately using fear to protect its evil. But that is no longer feasible and nationwide we see it falling - as in the miracle of a failed assassin*iton attempt - as well as finally exposing the government agencies involved. We should especially not fear the FBI and DOJ at this time. Praise God.

You showed this change in the atmosphere when you took charge of the Jocelyn Nungaray case - and defeated the same evil.

Isaiah 57 states:

The righteous person perishes, and no one takes it to heart;...
Who slaughter the children in the ^[c]ravines,
Under the clefts of the rocks?...
But the wicked are like the tossing sea,
For it cannot be quiet,
And its waters toss up refuse and mud.
"There is no peace," says my God, "for the wicked."

Your advisers first agreed to receive the evidence of this evil at City Hall on July 17, 2024. Instead, HPD Officers in the rotunda refused to accept that evidence and escorted me from the building - saying they were under orders that I was not allowed in the building. And now this failed attempt to close the matter entirely. All out of fear.

This fear has long been defeated by the power of the Blood of the Cross of Calvary. And that evidence has now been distributed extensively - a copy was sent to your office and advisors by Certified Mail as well as to the Texas Rangers and many others. Many HFD fire captains, besides Stations 51 and 68, have received the press release and the evidence - and they are surely looking forward to the deaths of their comrades finally being explained and to the sounding of a 'trumpet call' that Renaud, Beebe, Garner, Sullivan and Dowling did not die in vain.

The responsibility of Red Tagging this Child Sex Slavery operation and stopping the heinous crimes against children rests with you sir. And only you are capable of doing so.

It is reprehensible that the same authorities that allowed it in 2013, and caused the deaths of 5 HFD firefighters, and then eulogized them at Reliant Stadium - have now allowed it to be re-opened without permits and without Certificates of Occupancy. Obvious questions are, "Who were the judges were that dismissed the City citations for construction without permits - and who directed them to do so?" Mayor Turner is the obvious suspect.

We continue to pray for you and your administration - believing that by the close of business on Wednesday July 24, 2024, this will have happened - or be in serious discussion. We will be at City Hall at 2 pm Wednesday for an indoor, sit-down meeting with your advisors and hopefully yourself.

We serve an awesome Father God - Who it might seem has placed John Whitmire here for such a time as this. If so, He will protect and keep you - Isaiah 41:10

Do not fear, for I am with you;
Do not be afraid, for I am your God.

I will strengthen you, I will also help you,
I will also uphold you with My righteous right hand.'

Blessings, courage and protection,

David Allen, Interim Pastor

STATE OF TEXAS

COUNTY OF HARRIS COUNTY

PERSONALLY came and appeared before me, the undersigned Notary, the within named

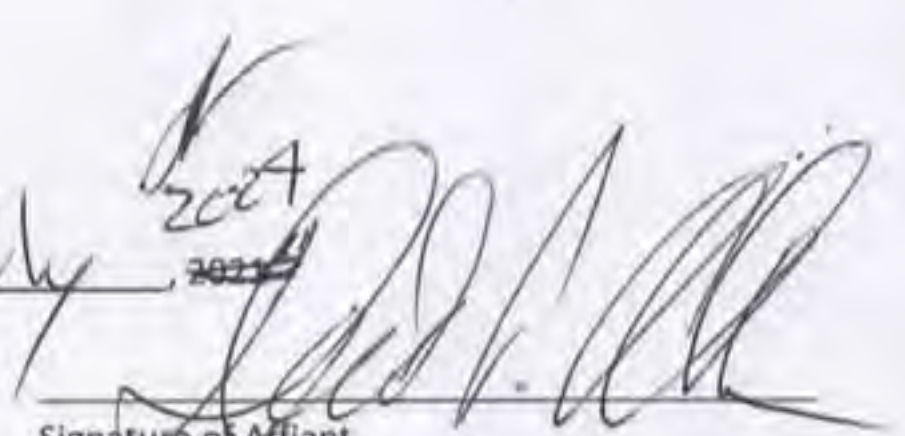

David P. Allen, who is a resident of Harris County, State of Texas, and makes this his statement and Affidavit upon oath and affirmation of belief and personal knowledge that the following matters, facts and things set forth are true and correct to the best of his knowledge:

1. On May 14, 2024, I initiated Incident Report 069356524 **ATT (1)**, with Houston Police Department (HPD) regarding a Child Sex Slavery operation, and renovations and new construction at the location of the Southwest Inn Fire, 6855/6857 Southwest Freeway, Houston, TX 77074.
2. On June 26, 2024, HPD Detective Nieto, Vice Division, Human Trafficking called from (281) 369-4128 which he said was his direct line. He was familiar with the Southwest Inn Fire but was not aware of any resumed activities on the property. He said he'd driven by the property days earlier and there was nothing there. I asked if he'd looked toward the rear of the lot but he assured me again there were no buildings. He then said he would call me back the next day, June 27.
3. On June 26, 2024, following Detective Nieto's call, I sent an email to the Mayor's Office warning that HPD might try to drag him into this "scandal quagmire" by trying to cover it up and cited an earlier cover up by Nieto in 2013, **ATT (3)**.
4. When Nieto did not call back, I went to the location, made a video recording of the buildings and posted it on-line:

<https://rumble.com/v547d75-southwest-inn-back-in-operation-june-27-2024-without-certificate-of-occupan.html>

5. On June 28, 2024, I sent further information and documentation to the Mayor's Office and to Texas Ranger Daron Parker, **ATT (4)**.
6. On June 28, 2024, I used the City's 311 system to initiate Case No. 2400251242, "Renovated New Buildings Operating Without Certificates of Occupancy", **ATT (5)**.
7. On July 1, 2024, I received a second call from HPD Detective Nieto from (832) 430-7039 which he said was a work number that he uses. He said he'd gone by the property, seen the old sign was painted over and stated again there were no buildings on the property. He did say he'd seen the Red Carpet Inn and the Romana hotels next door. He said he was closing out Incident No. 069356524. I asked if I would get something in writing and he said normally not, but he'd ask his supervisor if he could send me an email

Chief Satterwhite,

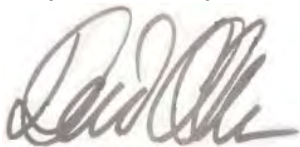

After Chief Finner's resignation last week – and revelation of the 264,000 violent crimes ignored by use of the code "Insufficient Resources" – HPD now has their hands untied. Praise God.

We know Houston is the hub of Child Sex Slavery (CSS) and the No. 1 destination worldwide for that evil. Enclosures (1) through (9) are a small sample of the evidence available – previously provided to HPD and other Local, State and Federal law enforcement.

Heavily involved in this evil is Planned Parenthood Gulf Coast (PPGC) – essentially an agency of our government working with a corrupt FBI, DOJ, HHS and White House – all using the Unaccompanied Children (UAC) Program to supply children for CSS and other evils.

May God bless HPD and protect its heroes as these evils are ended and the perpetrators and their accomplices in the chain of command are arrested, prosecuted and punished.

Very respectfully,

Mayor Whitmire,

Wanted to advise you that HPD appears to be obfuscating - and could drag you into a scandal quagmire by delaying having these buildings Red Tagged.

From recent contacts by HPD, it appears their intention may be to cover this up - which has been the case since 2012, when it first came out. While I was out of town last week, HPD Mental Health Division sent 3 Officers to my apartment to do a mental health check. They talked to a neighbor and then called me while on vacation in St. Croix - and surmised that I am fine. Sure seems this may be HPD's response to the Incident Report.

Then an HPD Vice Division Investigator called to advise the buildings were not even there. Same Officer was involved in an earlier coverup of PPGC shenanigans 12 years ago.

When I checked with HPD records at 1200 Travis yesterday, they said it had been made confidential and no information could be released.

Wanted you to be aware of all this. And as you know, there is some house cleaning to do at HPD. Seems Troy Finner would know where the dead wood is.

Looking forward to your administration bringing this matter out in a press conference. Saw you on TV today with Texas Ranger Daron Parker about some Third Ward shenanigans. Amazingly, he has been investigating the subject case for some time and could be of assistance.

Looking forward to helping you steer clear of several of your predecessors' actions - and to protecting your administration. Meeting with some Pastors this evening about setting up a prayer wall around you and your administration and supporting you all through the challenges ahead.

It will be well,

STATE OF _____ TEXAS _____

COUNTY OF _____ HARRIS COUNTY _____

PERSONALLY came and appeared before me, the undersigned Notary, the within named

David P. Allen, who is a resident of Fort Bend County, State of Texas, and makes this his statement and Affidavit upon oath and affirmation of belief and personal knowledge that the following matters, facts and things set forth are true and correct to the best of his knowledge:

On August 16, 2012, I was talking to Cheryl Park and Suzanne Miral of Houston Coalition For Life (HCL) across the street from the Planned Parenthood (PP) mega clinic at 4600 Fwy 45. We saw two young girls exit PP and walk towards a nearby industrial complex. Park and Miral told me they'd heard of a brothel among these warehouses and requested I follow the girls.

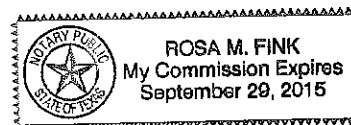

I followed the girls in my car, lost them momentarily and found them again on a warehouse loading dock at 2305 Eleanor Tinsley Way. I parked next to the loading dock and got out. One of the girls asked me, "Are you Mark?" I replied, "No, I'm David". A man emerged from the warehouse who said he was Mark. As he let them in, one of the girls said, "They sent us to you."

I immediately called Houston Police Department (HPD) but learned days later that my call had been transferred to HPD's Criminal Intelligence Division "Hate Desk" and was dead ended. Christine Melchor, President of HCL, then called HPD and demanded an investigation.

On August 21, 2012, HPD Officer Hugo Castro appeared to Cheryl Park and Suzanne Miral and reported that he'd searched the warehouse and found some young girls but nothing suspicious. I was never contacted by HPD and know of no other action by HPD to investigate The Hideaway.

The Sheriff's Office was also notified and LT Robert Henry (281) 446-9156, called to say he'd been assigned to take my information. After briefing him, he was never heard from again.

On August 24, 2012, Catherine "Cat" French of Elijah Rising Ministries <http://elijahrising.org/> drove out of the PP mega clinic parking lot and stopped to meet pro-life sidewalk counselor Christopher Terry. French raised the subject of the warehouse discovery, and informed Terry that that location had been known for years as a Child Sex Slave location and was called "The Hideaway" in the underworld. She told him she had ministered there for years, and at many other Child Sex Slave locations.

RF

Terry observed boxes of condoms in French's back seat, and asked about them. French said she routinely gets them from PP and writes her 'rescue ministry' contact number on the condom packages before secreting them in to Child Sex Slave victims. When Terry asked how many child sex slaves she had saved, French looked surprised and replied, "two or three, maybe".

On September 25, 2012, I hand delivered identical manila envelopes containing video and other evidence about The Hideaway - addressed personally to Houston Mayor Annise Parker, HPD Chief Charles McClelland, Sheriff Adrian Garcia and Precinct 1 Constable Alan Rosen. A YouTube video shows me handing these envelopes to Mayor Parker at the weekly City Council Meeting.

<http://www.youtube.com/watch?v=vmgOgHHcc3g>

On August 29, 2012, two weeks after discovery of The Hideaway, these same officials stood together in a Press Conference and announced a "Committee to Study Human Trafficking". The Committee included Planned Parenthood but not the Harris County District Attorney. The timing of this announcement, and lack of the law enforcement agencies on the Committee (HPD and Sheriff), would indicate this was a diversionary cover-up of 'The Hideaway' discovery.

On September 26, 2012, I went to Houston FBI Headquarters at 1 Justice Park Dr. I was placed in an interview room and a "Duty Agent" spoke to me curtly from behind a window. He refused to provide his name or accept the evidence I'd brought. The Agent said the FBI would call if they needed anything. They never called. <http://www.youtube.com/watch?v=TOIkRr9yR-0>

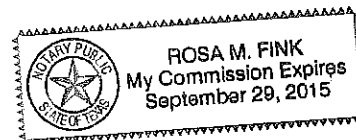

One year later, on October 29, 2013, I videoed a "Yang Ming" Tractor Trailer at the loading dock of The Hideaway, and reported this to HPD Sergeant R.D. McNeil. He assigned HPD Case No. P135717813R, and it ended up with HPD Vice (713) 308-8600, Officer David Neito, who is assigned to the FBI Human Trafficking Task Force.

My repeated calls to speak with the FBI Task Force were all transferred to the FBI National Center, who then transferred me to a non-profit organization. I finally insisted on speaking with Task Force Special Agent in Charge, Steve Morris, but was told, "It's not possible to speak with him or the Task Force - the only thing you can do is talk to the National Center or see a "Duty Agent".

On November 6, 2013, Juda Myers <http://choices4life.org/> and I went to FBI Headquarters and spoke with Duty Agent Donna Owen through the glass window. Owen confirmed that she knew Houston is the U.S. hub of Child Sex Slavery. When I noted that Harris County District Attorney has made no convictions in the past 5 years, Owen responded that perhaps there were some Federal convictions, but was unable to cite any.

Agent Owen was either assigned to, or very familiar with the Human Trafficking Task Force, and confirmed that HPD Officer Neito is on the Task Force and has an office at FBI Headquarters.

I asked, "What does the Task Force do with children it rescues from Child Sex Slavery?" Agent Owen did not know, but suggested the YMCA or Children's Center (off Kirby?). At the end of the

RB

interview, Agent Owen promised to have Officer Neito call me. As we left the building, Myers and I stood in the building entrance, prayed and sounded the shofar.

At 1 pm on November 6, 2013, HPD Officer David Neito called me from FBI Headquarters (713) 693-5000. I mentioned the YouTube video showing David Sander, from The Hideaway, warning me to take down the YouTube video exposing Mike Spratt as its owner. On this video, Sander says the warehouse ships bicycles out daily by UPS, and there are young girls around the warehouse because Mr. Spratt has a heart for troubled girls and hires them to help them out.

I said it would be easy to check employment records to see if they'd hired any troubled girls, and that UPS records would show whether any bicycles had been shipped. Officer Neito dismissed these suggestions and said, "If that's the owner's thing, so what?"

Officer Neito then brought up the original warehouse search and stated that it was he who had conducted it, and he who had found the young girls. I replied, "No, it was Officer Hugo Castro, the same Officer that handcuffed me in a squad car in the PP parking lot. Officer Neito chuckled and replied, "Yea, I heard you had a little heat exhaustion."

Officer Neito was referring to an incident in May 2011, where HPD Officers Hugo Castro and F. Gallegos handcuffed and suffocated me in an HPD squad car for an hour, until I collapsed and was transported by ambulance to a hospital – Ref. Federal lawsuit by Thomas More Law Center.

PERSONAL FOR - HAND DELIVER TO:

Houston Mayor John Whitmire and Texas Ranger Daron Parker,

From the meeting requested by Ms. Minal Davis, Director Mayor's Office of Human Trafficking on June 17, it is understood this Child Sex Slavery (CSS) scandal is being addressed with Chris Newport, Mayor's Chief of Staff. And it has already been under investigation for some time by Texas Ranger Daron Parker.

As Mayor Whitmire was just inaugurated, this scandal lays at the feet of earlier Houston Mayors, from Anise Parker to Mayor Sylvester Turner, as well as the various Local, State and Federal law enforcement agencies that have ignored repeated, formal notifications of this and another CSS location, since 2012.

HPD Detective David Nieto, Vice Division, called June 26, saying he was investigating the subject HPD Incident No. 069356524. He first stated incorrectly that this address is a vacant lot with no structures. After being corrected, he said he'd call back the next day - but did not. So this video was recorded on June 27 and published to document the renovated and newly constructed buildings on the same property where 5 HFD Firefighters died in the "Southwest Inn Fire" on May 31, 2013:

Mayor Whitmire,

It was crushing to realize that the children will continue to suffer until you Red Tag and close down this Child Sex Slavery operation. The fact that HPD Detective David Nieto asked no questions and did nothing before closing Incident No. 069356524 - exactly as he did in 2013 - is now a matter of record.

The judges who dismissed the citations for building without permits - and whoever told them to do so - is a matter of record. Those who told the City Permitting inspectors not to Red Tag these structures is a matter of record. And the time it is taking your office to do so is a matter of record - as countless children continue to suffer unspeakable, heinous crimes.

Ironically, when we arrived for the meeting with your staff yesterday - you were greeting Kamala Harris - who was instrumental as CA Attorney General in persecuting David Daleiden after he'd exposed PPGC's baby body parts profiteering here in Houston. But this just strengthens my faith that all of those involved in all of these crimes against children - from local law enforcement to the FBI to the DOJ to the White House - will be prosecuted and punished for all of these crimes against children as well as high treason. Which does not begin to compare to the eternal Judgement awaiting all of us - Hebrews 9:27.

And that faith tells us to continue praying for you and your administration sir, believing that you have been prepared, equipped and assigned for such a time as this,

After Report:

For those praying yesterday 7/24/24: It was a cool wet morning as we gathered at 6855 SW Fwy at 12:00 noon. The names and station numbers of each of the five firefighters who lost their lives there were announced and the shofar trumpet sounded. We then sang, "We Are Standing on Holy Ground."

We then prayed specifically for Mayor John Whitmire and his administration to have the Divine leading, courage and protection to Red Tag these facilities and stop this Child Sex Slavery operation. After the 2013, fire, It was re-built starting in 2020 - without permits or Certificates of Occupancy - and is now back in operation on the very ground made sacred by the blood of these firefighters.

Other prayers and prophetic declarations were made by some seasoned intercessors. A smaller group then proceeded to City Hall where a meeting was scheduled for 2 pm with the Mayor's Executive Assistant and Chief of Staff. After passing through security, we were greeted respectfully by an HPD Officer and asked to sit in a waiting room. He then called up to the

Mayor's office and returned to advise that there would be no meeting and that his orders remained in place - that I was not allowed in City Hall.

After we were outside, the Officer advised, "Don't lose your prowess Mr. Allen." Whatever that means. Ironically, the Mayor was in the process of greeting Kamala Harris who was arriving to speak the next day in Houston.

After all the prayers and hope and faith - of everyone - this was crushing. And the children will continue to be abused for the present. And we will have to accept the disappointment and wait on the Lord and continue in faith.

On a walk in the rain this morning I kept repeating John 14:1,

Subject: Southwest Inn Scandal - Meetings Wednesday 7/24

Dina, Rebekah and Chris

Believing Mayor Whitmire and his administration will be the heroes as this evil falls nationally- beginning in Houston. The news has long ago broken nationally that Child Sex Slavery is run by our Federal government and agencies.

The final press release is attached with background about the scandal and a prayer gathering there next Wednesday 7/24. Opening remarks 12 noon and then everyone will pray simultaneously. Then meet at City Hall at 2 pm for our scheduled call. Alternatively - could consider having a sound system set up in a press release format.

HFD Captains from Stations 51 and 68 have been advised and invited and consideration is needed how to counsel all of our firefighters as they learn what was behind the deaths of Redaud, Beebe, Garner. Sullivan and Dowling.

Several 'Prayer Intercession' teams and a revival team are coming to "touch and agree" that the Lord is bringing down this evil -and the fear around it - beginning in Houston, Texas. Praise God.

Mayor Whitmire

Attached is a record of my conversation yesterday with the property owner. It also includes 5 other documents making it undeniable that this is a Child Sex Trafficking location - and that there are plans to expand it and open up direct access to the Romana hotel next door - which is already known to be the access point.

The fact that HPD's investigation of Incident No. 069356524 was shut down is further indication that HPD continues to be helpless - as are HCSO , Constables, HCDAO, Texas Rangers etc. But Red-Tagging this operation, exposing those running it, and ending the abuse of children in Houston will lead to similar actions nationwide.

This responsibility seems to rest upon the shoulders of your administration. Please let me know of anything else we can do to assist,

David Nieto, the same HPD Officer shown to have covered this up in 2012/2013, called me recently and said, "there are no buildings left on this property."

Nieto called back hours later to say, "there are buildings but nothing nefarious". He was not aware there were no permits. It is clear there has been no HPD investigation - and no basis for closing this investigation.

HPD, like all of our law enforcement agencies, has been prevented by the FBI's "Joint Task Force on Human Trafficking" from doing anything - aside from staged events with the press - in what is known to be the hub of Child Sex Trafficking. It is also clear from national news that Homeland Security and DOJ are among those involved in perpetrating this crime and providing the children needed for it.

Harris County District Attorney, aside from occasional cases of forced prostitution, has done nothing to prosecute or convict the kingpins behind Child Sex Trafficking.

HPD has apparently ended its investigation of Incident No. 069356524 - digging the hole of this scandal even deeper.

We are praying and believing that you and your administration are in the process of doing the right thing for these children and this City.

Texas Senator Ted Cruz

Harris County District Attorney Kim Ogg

Houston Mayor John Whitmire,

Further to Ms Ogg's endorsement of Ted Cruz yesterday, please find a draft Press Release (ATT (1)) exposing the newly re-opened Child Sex Slavery operation at 6855 Southwest Freeway in Houston - constructed without permits and now operating without Certificates of Occupancy. This happened under Mayor Sylvester Turner.

Evidence of this operation, and the support provided by Planned Parenthood Gulf Coast, Inc. (PPGC). has been provided to local, state and federal authorities since 2012. This was covered up by investigators in 2013, and twice by HPD Detective David Nieto - both in 2013, and in a recent investigation (HPD Incident No. 069356524).

Here is a video of prayers on July 24, 2024, at this site for our new Mayor, John Whitmire's courage and Divine protection as he decides how best to Red-Tag and close down this operation:

<https://rumble.com/v592k39-child-sex-trafficking-site-being-closed.html>

As Senator Cruz has been fearlessly exposing, Child Sex Slavery is being run by HHS Secretary Mayorkas with support by the Biden-Harris Administration. Whistleblowers have exposed how DOJ / FBI / Immigration are using the federal "Unaccompanied Children" program as the supply pipeline for this evil.

Ms Kim Ogg has demonstrated her courage and heart to stop this evil as well In her endorsement of Senator Cruz yesterday and her dismissal of a false felony charge orchestrated by PPGC:

**Harris County Grand Jury Exposed for Abuse of
Power Against Pro-Life Church | Katy Christian
Magazine**
katychristianmagazine.com

PPGC maliciously sued The Memorials Church and I in 2021 (Civil Cause 202107164 in District Court 152) and trial is scheduled in 3 weeks (September 2, 2024). As you all can imagine, it is not a fair playing field.

This is a David and Goliath story. Perhaps in bringing down this evil at 6855 SW Freeway and prosecuting PPGC for their heinous crime spree against children (including supporting Child Sex Slavery / Baby Body Parts profiteering, etc.) you all are in positions of authority for such a time as this.

PRESS RELEASE

Child Sex Trafficking Was Behind 2013 Southwest Inn Fire - And Has Re-Opened On Site Where 5 Houston Firefighters Died

Newly rebuilt and expanded without building permits as City Inspector Citations were dismissed. City Inspectors were directed "not to Red Tag" as it opened without Certificates of Occupancy,

HOUSTON, TX—July 26, 2024

After the burned remains at 6855 SW Freeway were hauled away, some undamaged rooms were left. Since 2020, Pastor David Allen recorded these being renovated and new rooms added just inches away. The lack of clearance and absence of roads for emergency vehicles are fire code violations.

In discussions with Houston Permitting Center and documents obtained through "Open Records" (excerpts below) Allen discovered citations issued by City Inspectors were all dismissed and Inspectors were directed to not Red Tag these buildings. They reopened without Certificates of Occupancy.

Allen notes, "project permitting comes under the Mayor's Office, and this happened under former Mayor Sylvester Turner". Mayor John Whitmire was inaugurated in January 2024.

Allen has provided evidence that this site was and remains a Child Sex Trafficking operation, saying, "Per Ms. Catherine 'Cat' French and others at Elijah Rising Ministry, and several corroborating witnesses, French regularly delivered cases of condoms from Planned Parenthood Gulf Coast (PPGC) to this and other such locations. On one radio program, Ms. French stated Elijah Rising would write their phone number on the condom packages so the children could call and be rescued by Elijah Rising."

Allen is discussing the need to Red Tag these buildings with senior advisors in Mayor Whitmire's office. Other sources, such as [LiveAction.Org](https://liveaction.org/) have exposed PPGC's involvement. Allen notes that prayer teams are praying for Mayor Whitmire and his administration as they Red Tag and close this operation.

Ref: (a) Letter to Cruz, Ogg and Whitmire dated August 8, 2024

Encl: (1) Emancipation Proclamations – Lincoln and Trump
(2) Chronology of Notifications

Senator Cruz, District Attorney Ogg and Mayor Whitmire,

Further to Ref (a), I received a call Friday from Senator Cruz's Houston office and we discussed moral obligations and political futures. To those ends, Encl (1) provides a draft Emancipation Proclamation for Senator Cruz to forward to Donald Trump.

Encl (2) provides a chronology of notifications of the subject Child Sex Slavery operation which re-opened on ground made sacred by the blood of five (5) HFD Firefighters. Every day that goes by without this being Red Tagged and closed down - draws everyone into the pit dug by the prior Mayor and by the senile, criminal, treasonous perverts in the White House.

Just as human slavery and segregation, the day of this evil is over. For the sake of the children – not to mention political futures and legacies – Tish B-Av 2024, is the "day of decision".

Sincerely,

David Allen, Interim Pastor

Donald Trump Revision – Child Sex Slavery

By the President of the United States of America:

A Proclamation to end Child Sex Slavery, Treason and Rebellion.

Whereas, on the twentieth day of January, in the year of our Lord two thousand and twenty-five, a proclamation was issued by the President of the United States, containing, among other things, the following, to wit:

"That on the twentieth day of January, in the year of our Lord two thousand and twenty-five, all persons, including children held as slaves within any of the United States, shall be then, thenceforward, and forever free; and the Executive Government of the United States, including the Armed Forces thereof, will recognize and maintain the freedom of such persons including children, and will do no act or acts to repress such persons, or any of them, in any efforts they or others may make for their actual freedom.

Now, therefore I, Donald J. Trump, President of the United States, by virtue of the power in me vested as Commander-in-Chief, of the Armed Forces of the United States in time of rebellion, treason and enslavement of persons, including children by any government or civilian agency or individuals against the authority and government of the United States, and as a fit and necessary war measure for suppressing said rebellion, treason and slavery, do, on this twentieth day of January, in the year of our Lord two thousand twenty-five, and in accordance with my purpose so to do publicly proclaimed and confirmed that all individuals engaged in such rebellion, treason and slavery, subject to prosecution and punishment under the laws of the United Staes.

And by virtue of the power, and for the purpose aforesaid, I do order and declare that all persons, including children held as slaves within the United States, are, and henceforward shall be free; and that the Executive government of the United States, including the Armed Forces thereof, will recognize and maintain the freedom of said persons, including children.

And I hereby enjoin upon the people so declared to be free to abstain from all violence, unless in necessary self-defense; and I recommend to them that, in all cases when allowed, they labor in faith in the process of Divine restoration.

And I further declare and make known, that such persons, including children, will be received initially and briefly as necessary for their protection into the armed service of the United States to garrison forts, positions, stations, and other places until restoration to their families or placed into God's loving arms under civilian care.

And upon this act, sincerely believed to be an act of justice, warranted by the Constitution, upon military necessity, I invoke the considerate judgment of mankind, and the gracious favor of Almighty God.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington, this twentieth day of January, in the year of our Lord two thousand and twenty-five, and of the Independence of the United States of America the two hundred forty-seventh.

By the President: DONALD J. TRUMP

Abraham Lincoln Original – Human Slavery

By the President of the United States of America:

A Proclamation.

Whereas, on the twenty-second day of September, in the year of our Lord one thousand eight hundred and sixty-two, a proclamation was issued by the President of the United States, containing, among other things, the following, to wit:

"That on the first day of January, in the year of our Lord one thousand eight hundred and sixty-three, all persons held as slaves within any State or designated part of a State, the people whereof shall then be in rebellion against the United States, shall be then, thenceforward, and forever free; and the Executive Government of the United States, including the military and naval authority thereof, will recognize and maintain the freedom of such persons, and will do no act or acts to repress such persons, or any of them, in any efforts they may make for their actual freedom.

"That the Executive will, on the first day of January aforesaid, by proclamation, designate the States and parts of States, if any, in which the people thereof, respectively, shall then be in rebellion against the United States; and the fact that any State, or the people thereof, shall on that day be, in good faith, represented in the Congress of the United States by members chosen thereto at elections wherein a majority of the qualified voters of such State shall have participated, shall, in the absence of strong countervailing testimony, be deemed conclusive evidence that such State, and the people thereof, are not then in rebellion against the United States."

Now, therefore I, Abraham Lincoln, President of the United States, by virtue of the power in me vested as Commander-in-Chief, of the Army and Navy of the United States in time of actual armed rebellion against the authority and government of the United States, and as a fit and necessary war measure for suppressing said rebellion, do, on this first day of January, in the year of our Lord one thousand eight hundred and sixty-three, and in accordance with my purpose so to do publicly proclaimed for the full period of one hundred days, from the day first above mentioned, order and designate as the States and parts of States wherein the people thereof respectively, are this day in rebellion against the United States, the following, to wit:

Arkansas, Texas, Louisiana, (except the Parishes of St. Bernard, Plaquemines, Jefferson, St. John, St. Charles, St. James Ascension, Assumption, Terrebonne, Lafourche, St. Mary, St. Martin, and Orleans, including the City of New Orleans) Mississippi, Alabama, Florida, Georgia, South Carolina, North Carolina, and Virginia, (except the forty-eight counties designated as West Virginia, and also the counties of Berkley, Accomac, Northampton, Elizabeth City, York, Princess Ann, and Norfolk, including the cities of Norfolk and Portsmouth[]), and which excepted parts, are for the present, left precisely as if this proclamation were not issued.

And by virtue of the power, and for the purpose aforesaid, I do order and declare that all persons held as slaves within said designated States, and parts of States, are, and henceforward shall be free; and that the Executive government of the United States,

Abraham Lincoln Original – Human Slavery

including the military and naval authorities thereof, will recognize and maintain the freedom of said persons.

And I hereby enjoin upon the people so declared to be free to abstain from all violence, unless in necessary self-defence; and I recommend to them that, in all cases when allowed, they labor faithfully for reasonable wages.

And I further declare and make known, that such persons of suitable condition, will be received into the armed service of the United States to garrison forts, positions, stations, and other places, and to man vessels of all sorts in said service.

And upon this act, sincerely believed to be an act of justice, warranted by the Constitution, upon military necessity, I invoke the considerate judgment of mankind, and the gracious favor of Almighty God.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington, this first day of January, in the year of our Lord one thousand eight hundred and sixty three, and of the Independence of the United States of America the eighty-seventh.

Child Sex Slavery Operation, 6855 SW Freeway, Houston, TX

CHRONOLOGY OF EVENTS

By David Allen

On May 14, 2024, HPD Incident Report No. 069356524, was filed regarding the criminal Child Sex Slavery operation at 6855 SW Freeway, and related criminal involvement and support by Planned Parenthood Gulf Coast, Inc.. (PPGC) The investigation was assigned to HPD Vice Detective David Nieto. An Affidavit was then provided showing Nieto was complicit in covering up this same operation in 2012-2013. Without requesting any information, and after making conflicting statements, Nieto discontinued this 2024, investigation.

On May 30, 2024, HFD was formally requested to provide inspections and variances since 2019, granted to this location. HFD responded that they had no responsive documents. When I spoke with the Fire Marshall's office about that response, they stated that Fire Marshal Investigators had just visited the site and determined that there were only some abandoned buildings. In fact, there are multiple buildings recently renovated and constructed and clearly back in operation. Here's a video made on the same day Nieto's stated that there were "no buildings" left after the Southwest Inn Fire:

<https://rumble.com/v547d75-southwest-inn-back-in-operation-june-27-2024-without-certificate-of-occupan.html>

On June 11, 2024, I visited COH PWD and Permitting Department and learned that the renovation and additional buildings at the subject location between 2019-2023, had been completed without permits. Public records were then requested that showed the City Inspectors had issued multiple citations for construction without permits - and that all of those were dismissed - and that the Inspectors were then directed not to Red-Tag the buildings – showing that operations had resumed without Certificates of Occupancy.

On June 18, 2024, while I was on vacation, three HPD Officers from HPD's Mental Health Unit visited my apartment, spoke with my neighbors and then called me for a "Mental Heath Check". I was away on vacation at that time so the "Check" was done by phone - and I was advised that I had "passed".

On July 24, 2024, after further emails back and forth with Mayor Whitmire's senior staff, there was a prayer gathering at 6855 SW Freeway to pray for the Mayor and his administration in facing this evil. The Mayor's staff had requested a delay in an agreed meeting until that date. Here is the prayer gathering and our arrival at City Hall for the meeting.

<https://rumble.com/v592k39-child-sex-trafficking-site-being-closed.html>

After entering the building, we waited for the meeting but were then advised by an HPD Officer that there would be no meeting and that there was a standing order that I am not allowed inside City Hall. The Officer then escorted us from City Hall.

At the same time this meeting was supposed to be held, the Mayor was at Ellington Field welcoming Kamala Harris to Houston. This while she was supposed to be at the U.S. Capitol Building listening to the Prime Minister of Israel who'd been invited to address a joint session of Congress.

As Vice President, she was supposed to be seated behind him. Instead, she intentionally and publicly denigrated the nation of Israel - drawing the Mayor under Genesis 12:3, where the Lord says to Israel, "And I will bless those who bless you, And the one who curses you I will curse."

On August 1, 2024, the Mayor endorsed Kamala Harris for President of the United States. As the facts continue to come out in the national news about the Biden / Harris array of felonies and treason, this may have serious ramifications. It is recalled that as Attorney General of California, Harris wrongfully prosecuted David Daleiden on behalf of PPGC:

<https://www.nbcnews.com/news/us-news/david-daleiden-who-made-anti-planned-parenthood-videos-claims-home-n551736>

<https://www.christianpost.com/news/california-attorney-general-kamala-harris-raid-pro-life-david-daleiden-apartment-planned-parenthood.html>

On August 8, 2024, during an attempt to hand deliver a letter to the Mayor, this happened:

<https://rumble.com/v5a8pv1-august-8-2024-blocked-from-city-hall.html>

On August 10, 2024, at the weekly worship gathering of The Memorials Church, this private video documents the "monitoring" by HPD that has been in effect since January 2022. Since that time there have been 5 to 20 HPD squad cars at every service – which combined with an earlier civil lawsuit by PPGC, has had a chilling effect on attendance:

<https://rumble.com/v5apu05-240810-hpd-monitors-the-memorials-church.html>

Mayor Whitmire ignored the bad advice of his Police Chief and senior staff and took the bold step of Red-Tagging and shutting down Child Sex Slavery – acts later seen as courageous and far-sighted. As PPGC was prosecuted for their myriad of heinous crimes against children, he then played a key role in confiscating and legally transferring PPGC's property (from one non-profit to another) and replacing that tragic embarrassment with a world-renowned attraction – a jewel and an honor to bless and prosper his City.

**Subject: Formal Notification to Texas Attorney General
Child Sex Slavery Operation, 6855 SW Freeway, Houston**

Enclosure: (1) Press Release dated October 1, 2024
(2) City of Houston Letter dated September 27, 2024

Attorney General Paxton,

The Federal involvement in Child Sex Slavery (CSS) now being exposed – has included intimidation of State and Local officials. Encl (1) discusses one such CSS location here in Houston - built without permits and operating without Certificates of Occupancy.

Local officials have responded to notifications, evidence and prayers by ending HPD investigations (e.g. 069356524) and banning “the messenger” from City Hall, Encl (2).

These and related actions might appear to be violations of:

1. Title 18, U.S.C. § 4 – Misprision of Felony
2. Title 18, U.S.C. § 242 – Deprivation of Rights Under Color of Law

Rather than prosecuting these officials, we pray you free them from this Federal intimidation so they can prosecute the CSS criminals. This would include Planned Parenthood Gulf Coast (PPGC) who has provided condoms to this and other CSS locations.

This prosecution would dovetail with replacement of PPGC with a planned 16-acre, world-class attraction known as “The Memorials Re-Birth Center” that will draw countless millions and reflect great honor upon Houston and Texas. Website: <https://thememorials.org/>

PRESS RELEASE

Child Sex Trafficking Was Behind 2013 Southwest Inn Fire - It Has Now Re-Opened Where 5 Houston Firefighters Died

Newly rebuilt and expanded without building permits as City Inspector Citations were dismissed. City Inspectors were directed "not to Red Tag" as it opened without Certificates of Occupancy,

Southwest Inn Fire May 31, 2013 in Houston, TX. Firefighters Renaud, Beebe, Garner, Sullivan and Dowling

After the wreckage at 6855 SW Freeway was removed, some undamaged rooms remained. Since 2020, Pastor David Allen recorded these being renovated and new rooms added. "The lack of clearance and access for emergency vehicles have been confirmed as fire code violations" says Allen.

Documents Allen obtained through "Open Records" show there were no permits for this construction and that City Inspectors were forced "not to Red-Tag" and to allow them to open without Certificates of Occupancy.

Allen states, "Project permitting comes under the Mayor's Office. This happened under former Mayor Sylvester Turner - on ground sanctified by the blood of 5 Houston Firefighters."

Beginning in 2012, Allen has notified federal, state and local law enforcement, and provided evidence of this Child Sex Trafficking operation. Allen says, "Witness affidavits also show that cases of condoms were delivered here from Planned Parenthood Gulf Coast (PPGC)."

On three recent occasions, Allen formally notified senior advisors in the offices of Senator Ted Cruz, Harris County District Attorney Kim Ogg, Houston Mayor John Whitmire and the Texas Rangers of this scandal. But the only response so far was to issue a ban on Allen entering City Hall.

Allen says, "We have been praying for these officials to have the courage to Red Tag and close this operation, but it appears some at HPD are still intent on covering it up. Allen asks that the public let these officials know of their concerns and that many are praying for them:

Texas Attorney General Ken Paxton

**Subject: Public Information Act Request Re:
Known Child Sex Slavery (CSS) Operation**

Enclosure: (1) The Memorials Church Letter dated September 30, 2024
(2) Press Release dated October 1, 2024
(3) HPD Investigation Closed
(4) DPS TX Rangers Investigation Closed

Attorney General Paxton and Distribution,

ENCL (1) was the latest in a series of formal notifications regarding the Child Sex Slavery (CSS) operation now in progress at 6855 SW Freeway in Houston, ENCL (2). Planned Parenthood Gulf Coast has been providing the condoms for this and other CSS operations.

As you all know, this CSS operation was rebuilt and re-opened without City building permits or Certificates of Occupancy on the same site where 5 HFD Firefighters were killed in 2013.

73 GB of evidence dating back to 2012, has been provided to you all – regarding this CSS operation. And yet, HPD Investigator David Nieto and TX Ranger Investigator Daron Parker never asked for any of this before closing their investigations, ENCLS (3) and (4).

This and other actions and inactions by your agencies, since notifications began in May 2024, could potentially become violations of Title 18, U.S.C. § 4 – Misprision of a Felony.

To Mr. Paxton and Distribution below - Please provide communications between May 1, 2024, and October 7, 2024, showing intent to Red Tag and close this CSS operation.

Sincerely,

David Allen, Interim Pastor

**Subject: Formal Notification to Texas Attorney General
Child Sex Slavery Operation, 6855 SW Freeway, Houston**

Enclosure: (1) Press Release dated October 1, 2024
(2) City of Houston Letter dated September 27, 2024

Attorney General Paxton,

The Federal involvement in Child Sex Slavery (CSS) now being exposed – has included intimidation of State and Local officials. Encl (1) discusses one such CSS location here in Houston - built without permits and operating without Certificates of Occupancy.

Local officials have responded to notifications, evidence and prayers by ending HPD investigations (e.g. 069356524) and banning “the messenger” from City Hall, Encl (2).

These and related actions might appear to be violations of:

1. Title 18, U.S.C. § 4 – Misprision of Felony
2. Title 18, U.S.C. § 242 – Deprivation of Rights Under Color of Law

Rather than prosecuting these officials, we pray you free them from this Federal intimidation so they can prosecute the CSS criminals. This would include Planned Parenthood Gulf Coast (PPGC) who has provided condoms to this and other CSS locations.

This prosecution would dovetail with replacement of PPGC with a planned 16-acre, world-class attraction known as “The Memorials Re-Birth Center” that will draw countless millions and reflect great honor upon Houston and Texas. Website: <https://thememorials.org/>

Child Sex Trafficking Was Behind 2013 Southwest Inn Fire - It Has Now Re-Opened Where 5 Houston Firefighters Died

Southwest Inn Fire May 31, 2013 in Houston, TX. Firefighters Renaud, Beebe, Garner, Sullivan and Dowling

After the wreckage at 6855 SW Freeway was removed, some undamaged rooms remained. Since 2020, Pastor David Allen recorded these being renovated and new rooms added. "The lack of clearance and access for emergency vehicles have been confirmed as fire code violations" says Allen.

Documents Allen obtained through "Open Records" show there were no permits for this construction and that City Inspectors were forced "not to Red-Tag" and to allow them to open without Certificates of Occupancy.

Allen states, "Project permitting comes under the Mayor's Office. This happened under former Mayor Sylvester Turner - on ground sanctified by the blood of 5 Houston Firefighters."

Beginning in 2012, Allen has notified federal, state and local law enforcement, and provided evidence of this Child Sex Trafficking operation. Allen says, "Witness affidavits also show that cases of condoms were delivered here from Planned Parenthood Gulf Coast (PPGC)."

On three recent occasions, Allen formally notified senior advisors in the offices of Senator Ted Cruz, Harris County District Attorney Kim Ogg, Houston Mayor John Whitmire and the Texas Rangers of this scandal. But the only response so far was to issue a ban on Allen entering City Hall.

Allen says, "We have been praying for these officials to have the courage to Red Tag and close this operation, but it appears some at HPD are still intent on covering it up. Allen asks that the public let these officials know of their concerns and that many are praying for them:

Subj: HPD Closes Incident No. 069356524, CSS Location at 6855 /6857 SW Freeway

1. After stopping at an HPD Precinct office to status the subject Incident No., I was advised to call Special Victims Dept. at (713) 308-1140. The Officer did mention that this matter had had a lot of entries and several mentioned "After Reports."
2. When I called Special Victims Dept., they transferred me to Crimes Against Children – and I spoke with Detective Reyna. He said Detective Nieto had "Inactivated" the Investigation on July 19th because there were no further leads. He did provide another work cell number for Nieto (832) 394-1357.
3. It is noted that Detective Nieto never asked me any questions and never requested any of the extensive evidence in my possession. He basically tried to mislead me from the first time he called – and seemed intent on covering this matter up as soon as possible.
4. An email was also received today July 23rd from Rebekah Williams (Mayor Whitmire Director) saying that after a thorough investigation this matter had been closed. No mention of Red Tagging or what the facilities are that opened without Certificates of Occupancy.

Office of the Attorney General,

Since June 2024, formal notifications and 73 GB of evidence have been provided to the Distribution below of the subject Child Sex Slavery (CSS) operation – constructed and opened without City permits or Certificates of Occupancy **(ENCL (1))**.

It is presumed that Mr. Paxton and the Distribution are in the process of having this CSS operation Red Tagged and closed. However, it is not encouraging to have City of Houston and Houston Police Department attempting to deny related information **(ENCLS (2) and (3))**.

These follow the latest notifications **(ENCLS (4) and (5))** to the Distribution of concerns with:

1. Title 18, U.S.C. § 4 – Misprision of Felony
2. Title 18, U.S.C. § 242 – Deprivation of Rights Under Color of Law

Of particular concern is that when an investigation was initiated in May 2024, of this CSS operation (HPD Incident No. 069356524) it was shut down by HPD Vice Detective David Nieto – without asking myself as the initiator any questions nor requesting any of the evidence now in the hands of the Distribution. Mr. Nieto took the identical actions in 2012 /2013, when I first reported this CSS operation after documenting Planned Parenthood Gulf Coast (PPGC) providing cases of condoms to it.

THE MEMORIALS CHURCH

[TheMemorials.Org](https://thememorials.org)

Your Office and Harris County DA are familiar with PPGC from investigations of Medicaid Fraud and Baby Body Parts (BBP) Profiteering – albeit with concerns about why PPGC’s BBP Profiteering operations continue:

<https://rumble.com/v5h7b7t-241001-bbp-processors-car-count-no.-19.html>

Thankfully, times have changed and should change much more after the November 5th Presidential election.

Also of concern is that while attempting to work with the Mayor’s office to get this CSS operation Red Tagged and closed, I was “Banned” from City Hall. After then following HPD’s direction to go to City Hall to request a copy of the “Ban”, I was arrested by HPD **(ENCL (6))**.

It is also noted that my church has been “monitored” by HPD’s SRG Division since 2022, with 5 to 20 squad cars intimidating every one of our Saturday morning outdoor Worship Gatherings:

<https://rumble.com/v5apu05-240810-hpd-monitors-the-memorials-church.html>

We have begun our own investigation of individuals suspected of “Misprision of a Felony” by not reporting the subject CSS operation **(ENCL (7))**.

In summary, it should be clear to everyone that times are changing and we no longer have to fear the agencies running CSS. We look forward to receiving the information requested, speedy resolution of these matters and to working with all of you in expediting prosecution of PPGC, confiscation and transfer of PPGC’s property and construction of [TheMemorials.Org](https://thememorials.org) to replace a dark stain on our City with a new, world-class attraction.

Sincerely,

PRESS RELEASE

Child Sex Trafficking Was Behind 2013 Southwest Inn Fire - It Has Now Re-Opened Where 5 Houston Firefighters Died

Newly rebuilt and expanded without building permits as City Inspector Citations were dismissed. City Inspectors were directed "not to Red Tag" as it opened without Certificates of Occupancy,

Southwest Inn Fire May 31, 2013 in Houston, TX. Firefighters Renaud, Beebe, Garner, Sullivan and Dowling

After the wreckage at 6855 SW Freeway was removed, some undamaged rooms remained. Since 2020, Pastor David Allen recorded these being renovated and new rooms added. "The lack of clearance and access for emergency vehicles have been confirmed as fire code violations" says Allen.

Documents Allen obtained through "Open Records" show there were no permits for this construction and that City Inspectors were forced "not to Red-Tag" and to allow them to open without Certificates of Occupancy.

Allen states, "Project permitting comes under the Mayor's Office. This happened under former Mayor Sylvester Turner - on ground sanctified by the blood of 5 Houston Firefighters."

Beginning in 2012, Allen has notified federal, state and local law enforcement, and provided evidence of this Child Sex Trafficking operation. Allen says, "Witness affidavits also show that cases of condoms were delivered here from Planned Parenthood Gulf Coast (PPGC)."

On three recent occasions, Allen formally notified senior advisors in the offices of Senator Ted Cruz, Harris County District Attorney Kim Ogg, Houston Mayor John Whitmire and the Texas Rangers of this scandal. But the only response so far was to issue a ban on Allen entering City Hall.

Allen says, "We have been praying for these officials to have the courage to Red Tag and close this operation, but it appears some at HPD are still intent on covering it up. Allen asks that the public let these officials know of their concerns and that many are praying for them:

Re: Public Information Act request received on October 7, 2024, from David Allen requesting what actions are being taken to Red Tag and close this CSS operation at 6855 Southwest Freeway: **Reference No. P092448-101624.**

Dear Open Records Division:

The Houston Police Department ("HPD") received the above-referenced request on October 7, 2024 (**Exhibit 1**). By copy of this letter, HPD is informing the requestor that HPD believes responsive information (**Exhibit 2**) is excepted from public disclosure under sections 552.101 and 552.108 of the Government Code. HPD advises the information in **Exhibit 2** is a representative sample.

Section 552.101 of the Government Code

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101.

Section 261.201(a) of the Family Code

Section 552.101 encompasses information made confidential by section 261.201(a) of the Family Code. Section 261.201(a) provides that information developed in an investigation of alleged or suspected child abuse or neglect is not subject to public release under Chapter 552 of the Government Code. See Tex. Fam. Code §261.001(1) (defining "abuse" and "neglect" for the purposes of chapter 261 of the Family Code); see also id. §101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). The information in **Exhibit 2** contains information developed in an investigation of alleged or suspected child abuse

or neglect. Accordingly, HPD believes that the information in **Exhibit 2** is confidential and must be withheld in its entirety pursuant to section 261.201 of the Family Code in conjunction with section 552.101 of the Government Code.

Section 552.108 of the Government Code

Section 552.108 provides, in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

- (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]
- (2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication.

GOV'T CODE § 552.108(a).

HPD advises that **Exhibit 2** is an inactive investigation pending additional leads. The investigation may be reactivated once additional leads are developed. Release of the investigation would interfere with the detection and investigation of a crime. Thus, HPD believes the information contained in **Exhibit 2** should be excepted from public disclosure pursuant to section 552.108(a)(1).

HPD respectfully requests a ruling on this matter. Please do not hesitate to contact me at 713-308-9157 if you need additional information. Please include **Reference No. P092448-101624** in any future correspondence concerning this request.

Sincerely,

Re: Public Information Act request received on September 13, 2024, from David Allen, for the City Hall No Trespass Order regarding David Allen. **GovQA No. L001753.**

Dear Texas Attorney General's Office:

This is a follow-up to my letter dated September 27, 2024, (**Exhibit 1A**). The City of Houston ("City") received the above referenced request on September 13, 2024 (**Exhibit 1**). By copy of this letter, the City is informing the requestor that the City believes the responsive information (**Exhibit 2**) may be excepted from public disclosure under Section 552.101 of the Government Code.

Section 552.101 of the Government Code

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ This exception encompasses information other statutes make confidential.

Common-Law Right of Physical Safety

Section 552.101(e) of the Government Code provides:

Through formal decisions, the attorney general developed the "special circumstances" test under common-law privacy to withhold certain information from disclosure.² "Special circumstances" refers to a very narrow set of situations in which the release of information would likely cause someone to face "an imminent threat of physical danger."³ Such "special circumstances" do not include "a generalized and

speculative fear of harassment or retribution.”⁴ In *Tex. Dep’t of Pub. Safety v. Cox Tex. Newspapers, L.P. & Hearst Newspapers, L.P.*, the Third Court of Appeals concluded it could not adopt the special circumstances analysis because it directly conflicts with the two-part test articulated in *Industrial Foundation*, which is the sole criteria for determining whether information is private under the common law.⁵ The Texas Supreme Court, however, reversed the court of appeals’ opinion.⁶ The supreme court concluded freedom from physical harm is an independent interest protected under law, untethered to the right of privacy. Thus, the supreme court for the first time announced a common-law right of physical safety exception under the Act. The supreme court adopted the standard enunciated in section 552.152 requiring the withholding of information if disclosure would create a “substantial threat of physical harm.”⁷ As articulated by the court, “deference must be afforded” law enforcement experts regarding the probability of harm, but the new common-law exception requires more than vague assertions of potential harm.

In *Texas Department of Criminal Justice v. Levin*, the supreme court again addressed the common-law right of physical safety and determined that a substantial threat of physical harm can apply in cases even when the potential target is unknown.⁸ Furthermore, the court emphasized that whether the requested information is protected by the common-law physical safety exception turns on whether the evidence provided establishes that disclosure would create a substantial threat of physical harm. The court also clarified that a “threat of physical harm” means physical harm to a person and does not contemplate physical harm to property. Potential loss of business or employment, harm to personal or real property, or other pecuniary considerations do not constitute a substantial threat of physical harm that would protect public information from disclosure.⁹

Government Code Section 552.101(e).

Your office has determined that information may be withheld from public disclosure in certain special circumstances. In Open Records Decision No. 169 (1977), the personal safety concerns of public employees were considered and your office recognized that there may be specific instances where “special circumstances” exist to except from public disclosure some of the employees’ addresses.¹⁰ In that decision, the employees demonstrated that their lives would be placed in danger if their addresses were released to the public.¹¹ Your office further noted that the initial determination of credible threats and safety concerns should be made by the governmental body to which a request for disclosure is directed, and this office will determine whether a governmental body has

demonstrated the existence of special circumstances on a case-by-case basis.¹² We noted, however, that "special circumstances" do not include "a generalized and speculative fear of harassment or retribution."¹³

The responsive information reveals the procedures for handling members of the public and release of the information could endanger City staff and employees. Further, the release of **Exhibit 2** would notify the requestor and other individuals of the City's security procedures in dealing with potential security threats and would enable other individuals who wanted to evade the City's security measures. In this instance, the requestor is the individual at issue in the internal security alert who has made threatening statements to City staff and employees. Further, the individual at issue has been issued multiple verbal warnings, has repeated trespass violations, has been escorted off of City property, was arrested and charged with a misdemeanor for criminal trespassing at City Hall on September 9, 2024, has been previously charged with similar crimes on multiple occasions, is currently the defendant in a pending civil litigation case due to his actions that lead to similar personnel safety concerns, and has made accusations against the City and the Houston Police Department ("HPD") relating to an alleged child sex slavery operation and alleged cover-up. See **Exhibits 3A-3F**, which are not a part of the responsive information. For these reasons, the City believes that it must withhold **Exhibit 2** from public disclosure under Section 552.101(e) of the Government Code due to the existence of special circumstances relating to the safety of City staff and employees regarding the information at issue.

Homeland Security – Security Action Plan, Section 418.177

Section 552.101 also encompasses section 418.177 of the Texas Homeland Security Act, chapter 418 of the Government Code (the "HSA"). Section 418.177 provides the following:

Information is confidential if the information:

- (1) is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, or investigating an act of terrorism or related criminal activity; and
- (2) relates to an assessment by or for a governmental entity, or an assessment that is maintained by a governmental entity, of the risk or vulnerability of persons or property, including critical infrastructure, to an act of terrorism or related criminal activity.

Gov't Code § 418.177.

The fact that information may relate to a governmental body's security concerns or emergency management activities does not make the information per se confidential under the HSA.¹⁴ Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a

¹² *Id.*

¹³ *Id.* at 6.

¹⁴ See Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection).

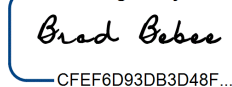

governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision.¹⁵

The City seeks to withhold the information represented in **Exhibit 2**, which includes an internal security alert notice, which reveals a portion of the action and precautionary plans utilized in the City's emergency and security management. This information is used to effectuate the City's preparedness and emergency response in the event of an accident, emergency, or potential emergency, especially in the efforts to ensure and maintain the safety of its employees, its elected officials, and members of the public on the premises of the City Hall and City Hall Annex buildings. The release of this information could allow a criminal or terrorist to have intimate details concerning the City's emergency response plans to mitigate risks and threats, could alert a criminal or terrorist of potential vulnerabilities in the City's emergency response plans, and could enable persons with malicious intent to create and or exacerbate future disasters. Further, a terrorist or other criminal element could exploit the requested information in order to incite panic, to planning mass attacks at City Hall, the City Hall Annex, or other government buildings, and or to enhance the likelihood of death among emergency responders and members of the public. For these reasons, the City believes that it must withhold **Exhibit 2** from public disclosure under section 552.101 in conjunction with section 418.177 of the Government Code.

The City respectfully requests a ruling on this matter. Please do not hesitate to contact me at 832-393-6491 if you need additional information. Please include **GovQA No. L001753** in any future correspondence concerning this request.

**Subject: Formal Notification to Texas Attorney General
Child Sex Slavery Operation, 6855 SW Freeway, Houston**

Enclosure: (1) Press Release dated October 1, 2024
(2) City of Houston Letter dated September 27, 2024

Attorney General Paxton,

The Federal involvement in Child Sex Slavery (CSS) now being exposed – has included intimidation of State and Local officials. Encl (1) discusses one such CSS location here in Houston - built without permits and operating without Certificates of Occupancy.

Local officials have responded to notifications, evidence and prayers by ending HPD investigations (e.g. 069356524) and banning “the messenger” from City Hall, Encl (2).

These and related actions might appear to be violations of:

1. Title 18, U.S.C. § 4 – Misprision of Felony
2. Title 18, U.S.C. § 242 – Deprivation of Rights Under Color of Law

Rather than prosecuting these officials, we pray you free them from this Federal intimidation so they can prosecute the CSS criminals. This would include Planned Parenthood Gulf Coast (PPGC) who has provided condoms to this and other CSS locations.

This prosecution would dovetail with replacement of PPGC with a planned 16-acre, world-class attraction known as “The Memorials Re-Birth Center” that will draw countless millions and reflect great honor upon Houston and Texas. Website: <https://thememorials.org/>

**Subject: Public Information Act Request Re:
Known Child Sex Slavery (CSS) Operation**

Enclosure: (1) The Memorials Church Letter dated September 30, 2024
(2) Press Release dated October 1, 2024
(3) HPD Investigation Closed
(4) DPS TX Rangers Investigation Closed

Attorney General Paxton and Distribution,

ENCL (1) was the latest in a series of formal notifications regarding the Child Sex Slavery (CSS) operation now in progress at 6855 SW Freeway in Houston, ENCL (2). Planned Parenthood Gulf Coast has been providing the condoms for this and other CSS operations.

As you all know, this CSS operation was rebuilt and re-opened without City building permits or Certificates of Occupancy on the same site where 5 HFD Firefighters were killed in 2013.

73 GB of evidence dating back to 2012, has been provided to you all – regarding this CSS operation. And yet, HPD Investigator David Nieto and TX Ranger Investigator Daron Parker never asked for any of this before closing their investigations, ENCLS (3) and (4).

This and other actions and inactions by your agencies, since notifications began in May 2024, could potentially become violations of Title 18, U.S.C. § 4 – Misprision of a Felony.

To Mr. Paxton and Distribution below - Please provide communications between May 1, 2024, and October 7, 2024, showing intent to Red Tag and close this CSS operation.

Sincerely,

David Allen, Interim Pastor

Re: Public Information Act request received on September 13, 2024, from David Allen, for the City Hall No Trespass Order regarding David Allen. **GovQA No. L001753.**

Dear Texas Attorney General's Office:

This is a follow-up to my letter dated September 27, 2024, (**Exhibit 1A**). The City of Houston ("City") received the above referenced request on September 13, 2024 (**Exhibit 1**). By copy of this letter, the City is informing the requestor that the City believes the responsive information (**Exhibit 2**) may be excepted from public disclosure under Section 552.101 of the Government Code.

Section 552.101 of the Government Code

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ This exception encompasses information other statutes make confidential.

Common-Law Right of Physical Safety

Section 552.101(e) of the Government Code provides:

Through formal decisions, the attorney general developed the "special circumstances" test under common-law privacy to withhold certain information from disclosure.² "Special circumstances" refers to a very narrow set of situations in which the release of information would likely cause someone to face "an imminent threat of physical danger."³ Such "special circumstances" do not include "a generalized and

speculative fear of harassment or retribution.”⁴ In *Tex. Dep’t of Pub. Safety v. Cox Tex. Newspapers, L.P. & Hearst Newspapers, L.P.*, the Third Court of Appeals concluded it could not adopt the special circumstances analysis because it directly conflicts with the two-part test articulated in *Industrial Foundation*, which is the sole criteria for determining whether information is private under the common law.⁵ The Texas Supreme Court, however, reversed the court of appeals’ opinion.⁶ The supreme court concluded freedom from physical harm is an independent interest protected under law, untethered to the right of privacy. Thus, the supreme court for the first time announced a common-law right of physical safety exception under the Act. The supreme court adopted the standard enunciated in section 552.152 requiring the withholding of information if disclosure would create a “substantial threat of physical harm.”⁷ As articulated by the court, “deference must be afforded” law enforcement experts regarding the probability of harm, but the new common-law exception requires more than vague assertions of potential harm.

In *Texas Department of Criminal Justice v. Levin*, the supreme court again addressed the common-law right of physical safety and determined that a substantial threat of physical harm can apply in cases even when the potential target is unknown.⁸ Furthermore, the court emphasized that whether the requested information is protected by the common-law physical safety exception turns on whether the evidence provided establishes that disclosure would create a substantial threat of physical harm. The court also clarified that a “threat of physical harm” means physical harm to a person and does not contemplate physical harm to property. Potential loss of business or employment, harm to personal or real property, or other pecuniary considerations do not constitute a substantial threat of physical harm that would protect public information from disclosure.⁹

Government Code Section 552.101(e).

Your office has determined that information may be withheld from public disclosure in certain special circumstances. In Open Records Decision No. 169 (1977), the personal safety concerns of public employees were considered and your office recognized that there may be specific instances where “special circumstances” exist to except from public disclosure some of the employees’ addresses.¹⁰ In that decision, the employees demonstrated that their lives would be placed in danger if their addresses were released to the public.¹¹ Your office further noted that the initial determination of credible threats and safety concerns should be made by the governmental body to which a request for disclosure is directed, and this office will determine whether a governmental body has

demonstrated the existence of special circumstances on a case-by-case basis.¹² We noted, however, that "special circumstances" do not include "a generalized and speculative fear of harassment or retribution."¹³

The responsive information reveals the procedures for handling members of the public and release of the information could endanger City staff and employees. Further, the release of **Exhibit 2** would notify the requestor and other individuals of the City's security procedures in dealing with potential security threats and would enable other individuals who wanted to evade the City's security measures. In this instance, the requestor is the individual at issue in the internal security alert who has made threatening statements to City staff and employees. Further, the individual at issue has been issued multiple verbal warnings, has repeated trespass violations, has been escorted off of City property, was arrested and charged with a misdemeanor for criminal trespassing at City Hall on September 9, 2024, has been previously charged with similar crimes on multiple occasions, is currently the defendant in a pending civil litigation case due to his actions that lead to similar personnel safety concerns, and has made accusations against the City and the Houston Police Department ("HPD") relating to an alleged child sex slavery operation and alleged cover-up. See **Exhibits 3A-3F**, which are not a part of the responsive information. For these reasons, the City believes that it must withhold **Exhibit 2** from public disclosure under Section 552.101(e) of the Government Code due to the existence of special circumstances relating to the safety of City staff and employees regarding the information at issue.

Homeland Security – Security Action Plan, Section 418.177

Section 552.101 also encompasses section 418.177 of the Texas Homeland Security Act, chapter 418 of the Government Code (the "HSA"). Section 418.177 provides the following:

Information is confidential if the information:

- (1) is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, or investigating an act of terrorism or related criminal activity; and
- (2) relates to an assessment by or for a governmental entity, or an assessment that is maintained by a governmental entity, of the risk or vulnerability of persons or property, including critical infrastructure, to an act of terrorism or related criminal activity.

Gov't Code § 418.177.

The fact that information may relate to a governmental body's security concerns or emergency management activities does not make the information per se confidential under the HSA.¹⁴ Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a

¹⁴ See Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection).

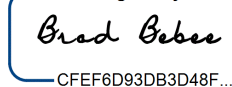

governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision.¹⁵

The City seeks to withhold the information represented in **Exhibit 2**, which includes an internal security alert notice, which reveals a portion of the action and precautionary plans utilized in the City's emergency and security management. This information is used to effectuate the City's preparedness and emergency response in the event of an accident, emergency, or potential emergency, especially in the efforts to ensure and maintain the safety of its employees, its elected officials, and members of the public on the premises of the City Hall and City Hall Annex buildings. The release of this information could allow a criminal or terrorist to have intimate details concerning the City's emergency response plans to mitigate risks and threats, could alert a criminal or terrorist of potential vulnerabilities in the City's emergency response plans, and could enable persons with malicious intent to create and or exacerbate future disasters. Further, a terrorist or other criminal element could exploit the requested information in order to incite panic, to planning mass attacks at City Hall, the City Hall Annex, or other government buildings, and or to enhance the likelihood of death among emergency responders and members of the public. For these reasons, the City believes that it must withhold **Exhibit 2** from public disclosure under section 552.101 in conjunction with section 418.177 of the Government Code.

The City respectfully requests a ruling on this matter. Please do not hesitate to contact me at 832-393-6491 if you need additional information. Please include **GovQA No. L001753** in any future correspondence concerning this request.

Sincerely,

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 6, 2024

Mr. Brad Bebee
Assistant City Attorney
City of Houston
P.O. Box 368
Houston, Texas 77001-0368

OR2024-040884

Dear Mr. Bebee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 24-039595 (Ref. No. L001753).

The City of Houston (the "city") received a request for certain information pertaining to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. This section encompasses information made confidential by other statutes, such as section 418.177 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act (the "HSA"). Section 418.177 provides that information is confidential if it:

- (1) is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, or investigating an act of terrorism or related criminal activity; and
- (2) relates to an assessment by or for a governmental entity, or an assessment that is maintained by a governmental entity, of the risk or vulnerability of persons or property, including critical infrastructure, to an act of terrorism or related criminal activity.

Id. § 418.177. The fact that information may relate to a governmental body's security measures does not make the information *per se* confidential under the HSA. *See* Open Records Decision No. 649 (1996). Furthermore, the mere recitation by a governmental

body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You claim the submitted information is confidential under section 418.177 of the Government Code. You state the information at issue consists of "an internal security alert notice, which reveals a portion of the action and precautionary plans utilized in the [c]ity's emergency and security management . . . used to effectuate the [c]ity's preparedness and emergency response[.]" You assert release of the information at issue "could allow a criminal or terrorist to have intimate details concerning the [c]ity's emergency response plans to mitigate risks and threats, could alert a criminal or terrorist of potential vulnerabilities in the [c]ity's emergency response plans, and could enable persons with malicious intent to create and or exacerbate future disasters." Based upon these representations and our review, we find the information at issue relates to an assessment by or for a governmental entity that was collected, assembled, or maintained by or for the city for the purpose of preventing, detecting, or investigating an act of terrorism or related criminal activity. Therefore, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.177 of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Administration Manager
Houston Police Department
1200 Travis Street, 10th Floor
Houston, Texas 77002-

OR2025-000520

Dear Mr. Zapata

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 24-042993 (Ref. No. P092448-101624; 693565-24).

The Houston Police Department (the “department”) received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov’t Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” *Id.* § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The department argues the submitted information is subject to chapter 261 of the Family Code. However, we are unable to determine the age of the victim listed in the information at issue. *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), (1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). Thus, we must rule in the alternative. To the extent the information at issue involves a victim of alleged abuse or neglect who was a child at the time of the incident at issue, then such information is subject to chapter 261 of the Family Code. In that instance, as the department does not indicate it has adopted a rule that governs the release of this type of information, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.¹ *See Open Records Decision No. 440 at 2 (1986) (predecessor statute).* However, if the information at issue does not involve a victim of alleged abuse or neglect who was a child at the time of the incident at issue, then the submitted information is not subject to chapter 261 of the Family Code and the department may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. In that instance, we will consider the applicability of other exceptions to disclosure of the information at issue.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime ... if ... release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Although you indicate the criminal investigation at issue is inactive, you inform us if the department receives additional leads regarding the case, the criminal investigation will continue. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531

¹ As our ruling is dispositive, we need not address the remaining argument against disclosure of the submitted information.

S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

In summary, to the extent the information at issue involves a victim of alleged abuse or neglect who was a child at the time of the incident at issue, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. However, if the information at issue does not involve a victim of alleged abuse or neglect who was a child at the time of the incident at issue, with the exception of the basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. AFFIDAVIT

STATE OF TEXAS

COUNTY OF HARRIS COUNTY

PERSONALLY came and appeared before me, the undersigned Notary, the within named

David P. Allen, who is a resident of Harris County, State of Texas, and makes this his statement and Affidavit upon oath and affirmation of belief and personal knowledge that the following matters, facts and things set forth are true and correct to the best of his knowledge:

1. This Affidavit records events of the hearing in the DISTRICT COURT OF HARRIS COUNTY 9TH JUDICIAL DISTRICT on November 21, 2024, regarding Cause Nos. 252849501010 and 253790701010, both styled, THE STATE OF TEXAS v. DAVID PERRY ALLEN.
2. This Affidavit is necessitated in part because the Court did not have the hearing transcribed as Defendant had requested.
3. Judge confirmed that Defendant is Pro Se in both Causes, but would not be afforded the same privileges as an attorney that had passed the bar. Defendant was admonished not to communicate with the court except for filings.
4. Judge confirmed it was acceptable for Defendant to communicate with the prosecutors.
5. Defendant was afforded opportunity to review prosecution evidence in a conference room by HCDA Prosecutor Chad Davis. Mr. Davis advised that the Chief Prosecutor on these causes is Mr. Anthony Esparza.
6. Defendant, in the presence of HCDA Investigators Scott Blazek (29 year HPD Veteran) and Roger Delarosa (HPD Veteran) and HCDA Prosecutor Chad Davis, reviewed one (1) Police Report and nine (9) body cam videos from HPD Officers arresting him on September 9, 2024.

- 1) Officer R. Mesa
- 2) Officer Kharel
- 3) Officer C. Hernandez
- 4) Officer V. Cruise
- 5) Sergeant Charles Assiff
- 6) Officer Dobbin
- 7) Officer Bradshaw
- 8) Officer Journet
- 9) Officer Torres

7. Defendant had filed a discovery request for a copy of any "Order" banning him from City Hall. Mr. Davis advised HCDA had just begun looking for it and that he would reach out to City Hall "today" and request a copy.
8. Mr. Davis noted that the "Order" may have been verbal, but would be effective even if given by an HPD patrolman. Defendant asked that if the "Order" was verbal, that he be advised:
 - a) Who had issued such verbal "Order"
 - b) When such "Order" was issued, and
 - c) Specific conditions, such as physical limits, of such "Order"

Mr. Davis concurred that HCDA would provide such background of any verbal "Order".

9. Defendant had filed MOTIONS TO DISMISS for each of the Causes and had asked they be heard in this hearing. Mr. David advised that HCDA had read them. They were not heard.
10. Defendant advised that the MOTIONS had attached examples of formal notifications to Senator Ted Cruz, TX AG Ken Paxton, HCDA Kim Ogg and Houston Mayor John Whitmire of the Child Sex Slavery (CSS) operation at 6855 SW Freeway - built without permits and opened without Certificates of Occupancy – and that these notifications began prior to either of these arrests by HPD's Special Response Group (SRG).
11. Defendant expressed concern to the three HCDA representatives that these four elected officials' only response seems to have been arresting and prosecuting the messenger.
12. Defendant further stated that he did not want these officials to be in violation of 18 USC Section 4, Misprision of a Felony, and that Defendant's objective was and remains to work with them to build "The Memorials Re-Birth Center" as an attraction for the City of Houston.
13. Defendant was not allowed a copy of the Police Report, but it showed:
 - a) Complainant is Monroe McClain Jr., Supervisor with Allied Security
 - b) Words to the effect that the arrest of suspect (Defendant) was made,

"...following repeated incidents in which he made Terroristic Threats against several City of Hoston employees. The individuals specifically targeted included employees of the Mayor's Office such as Minal Davis, Director of Human Trafficking, Chris Newport, Chief of Staff, Dina Gairo, Executive Assistant and Steven Davis, Security..."

14. The body cam of Officer V. Cruise, assigned to City Hall, recorded Cruise saying the "Ban" was issued on July 2, 2024.

[Defendant Note Added Later: The first time Defendant was told of such a "Ban" was on July 17, 2024, when he arrived at City Hall with the understanding from the Mayor's senior advisors that a meeting scheduled for that day, about the above CSS location had been rescheduled for July 24th, but that he would be allowed to drop off a letter and flash drive with evidence.

Instead, when Defendant arrived that afternoon, he was advised the letter and evidence would not be accepted and that he was "banned" from the building unless escorted by someone from City Hall. The letter and flash drive were then sent to the Mayor by Certified Mail, (ENCL (1))].

15. The body cam of Officer Kharel recoded Kharel saying:

- a) Defendant had come for a copy of the "Order"
- b) If Defendant insisted, Kharel would issue Defendant a "non traffic" citation
- c) The "Order" had been issued by the Mayor

Also recorded was Defendant explaining:

- a) About the above CSS location and that HPD Vice Detective David Nieto had shut down investigations begun by Defendant both in 2012/2013 and again after HPD Incident Nol 069356524 had been initiated in May 2024.
- b) That since 2012, he had been repeatedly assaulted physically by HPD SRG and legally by HCDA – for attempting to bring this CSS location to light.
- c) That there had already been 7 instances of "Deprivations of Rights Under Color of Law" over the years to silence Defendant.

16. The body cam of Sergeant Charles Assiff recorded that Assiff overrode Mesa's citation and ordered him to arrest Defendant, and stating:

- a) He (Defendant) jus doesn't get it
- b) He has a "Flyer" out on him and causes a problem
- c) Stop bothering me with that stupid stuff
- d) Giving me a headache
- e) Learn your lesson

- f) DA (District Attorney) took charges even though a public building
- g) May get released but...
- h) I'm the one that told them to arrest him
- i) Beautiful day for an arrest

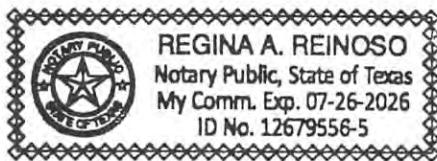

17. Defendant thanked the HCDA representatives and asked that HCDA Kim Ogg be reminded of her responsibility under 18 USC Section 4 to report the CSS location, and that Defendant hopes these two Causes are not Deprivations of Rights Nos. 7 and 8, following Nos. 1-6 now in evidence in Civil Court (Cause 202107164 in Civil Court 152) with trial set for March 2025.

Mayor Whitmire,

Further to Encl (1) it is understood that the subject Child Sex Slavery (CSS) scandal is in discussion with your senior staff members C. Newport, D. Gairo and R. Williams.

A 10 am meeting this morning was re-scheduled for July 24th, with agreement that further evidence would be provided, Encl (2). Other evidence provided in recent correspondence relates to permit issues, and HPD Incident No. 069356524, now under investigation. The Texas Rangers are also investigating.

Other, public evidence also shows Planned Parenthood Gulf Coast, Inc. (PPGC) criminally supporting CSS. PPGC is also banned from the Texas Medicaid program due to Baby Body Parts marketing crimes and Medicaid fraud. Upon prosecution and seizure of PPGC's property, it must be transferred to another non-profit. We anticipate such transfer to The Memorials Church for replacement with "The Memorials Re-Birth Center", a world-class attraction expected to draw millions to the City of Houston.

Sincerely,

David Allen, Interim Pastor

Captain Joshua Lacour, Station 68 and Captain Donald Carter, Station 51,

Firefighters Renaud, Beebe, Garner, Sullivan and Downing, from your two stations - were lost in the Southwest Inn Fire on May 31, 2013, at 6855 SW Fwy. At that time the Federal, State and Local Investigators were provided extensive evidence that this had long been a major Child Sex Slavery location - and they included not one word about that in the final investigation report - or in their eulogies at Reliant Stadium.

Those same politicians and officials have now allowed Child Sex Slavery operations to resume on this sacred ground. This was condoned by Mayor Sylvester Turner as City Inspector's Citations were dismissed and they were directed not to Red Tag the renovated and new buildings as they were constructed and opened without Certificates of Occupancy.

We have a new Mayor who has proven himself to be a hero - and should be announcing the Red Tagging and closure of this operation no later than tomorrow.

The below email had wide distribution to prayer intercessors as this comes out - and prayers are especially needed for those at Stations 51 and 68 who knew these firefighters - as they deal with learning of what was behind this loss. It will be up to you both to help prepare and counsel them.

The Lord bless you and keep you and be gracious to you and give you peace,

David Allen, Interim Pastor

ATTACHMENTS (1), (2) and (3) expose a major Child Sex Slavery (CSS) operation at 6855 / 6857 Southwest Freeway in Houston, TX. This is the location of the Southwest Inn Fire in 2013, that killed 5 HFD Firefighters. After formally notifying all of the Federal, State and Local fire investigators at that time, CSS was not mentioned in the final investigation report.

As we know now - our government is behind CSS and is supplying children from around the world through the "Unaccompanied Children Program" to "sponsors" - the children in silver blankets and cages - to the slaughter.

The remaining rooms left standing after the fire were abandoned - but beginning in 2020, were renovated and new rooms added just inches away - with no road access for emergency vehicles - both fire code violations.

VIDEO LINK: <https://rumble.com/v3ekrsb-230818.southwest-inn-back-in-operation.html>

It opened around 2023, without permits and without Certificates of Occupancy as revealed by the City Permitting Division, ATTACHMENT (3). City Inspector Citations were dismissed and Inspectors were "Directed Not To Red Tag" - as confirmed by an Open Records request. These crimes required the help of Mayor Sylvester Turner and those controlling him.

ATTACHMENT (4) is a Draft Press Release provided for Mayor Whitmire's review - or he could conduct a public press conference.

A Texas Rangers investigation was initiated a year ago with Texas Ranger Daron Parker. HPD Incident No. 069356524 was filed on May 14, 2024, and the investigation was assigned to Vice Division Detective David Nieto. 311 Complaint No. 2400251242 "No Certificates of Occupancy" was filed on June 28, 2024.

An initial meeting with Mayor Whitmire's Office was held on June 17, 2024, and discussions have continued with Mayor Whitmire, Chief of Staff Chris Newport, Executive Assistant Dina Gairo and Director Rebekah Williams.

ATTACHMENT (5) confirms there will be a meeting with these senior staff members tomorrow - Wednesday morning at 10 am - to decide the path forward, and spells out the two basic options facing the Mayor.

You are asked to join the many already praying for the Mayor and his administration - for protection and courage as they face the powers and principalities behind this greatest of evils. You are also free to call these individuals or leave messages encouraging them or praying directly with them:

To FBI Agent Amy Avila,

The FBI Houston Office was first made aware of the subject Child Sex Slavery (CSS) operation between 2012, and 2015. The response was to use FBI Agent Ryan Volkmer in apparent violations of 18 USC Sec 242, Deprivation of Rights Under Color of Law and 18 USC Sec 4, Misprision of a Felony - to silence the messenger.

This included a 2014, false arrest at Planned Parenthood Gulf Coast (PPGC) and a 2015, rigged trial, where Agent Volkmer transferred from the FBI to become HCDA's Chief Prosecutor in the courtroom where I was being prosecuted . The certified transcripts show Agent Volmer's presentation before a jury of false evidence and a false HPD witness.

These actions by the FBI directly caused my 2015, suicide attempt and a state of emotional and spiritual devastation that lasted until late 2019. These actions are all now well-documented in Defense trial exhibits in a Civil Cause brought by PPGC seeking injunctions against my church's worship, and now awaiting trial in Harris County District Court.

A summary exhibit documenting the above facts is provided here, (ATT (1)).

But things have now changed, praise God. The FBI and other federal law enforcement agencies' involvement in CSS has been exposed - including in two recent and irrefutable documentaries, (ATT

(2)).

In May 2024, it was learned that the subject CSS operation was re-built without City permits, and re-opened without Certificates of Occupancy. A Press Release was then widely distributed, including to local and state officials, with the latest version provided here, (ATT (3)).

The above FBI actions resulted in the wreckage of my entire life, including my wife Anna leaving in a 2022, divorce where I lost everything. Then, in June 2024, as I again began formal notifications of the subject CSS location, you contacted Anna, wanting to ask questions about me, (ATT (4)).

And on December 3, 2024, I received an invoice from my Survey Company, where I learned you had spent time questioning them, (ATT (5)).

It is noted this survey company was contacted and hired in the process of defending against the above false charges and prosecutions. However, they are now involved in the Project to build, "The Memorials Re-Birth Center" (<https://thememorials.org/>), praise God.

While evidence of this CSS operation and PPGC's involvement has been shared with many federal law enforcement agencies - including the FBI Houston Office - since 2012, the only reaction to date seems to have been nine (9) abuses of process to successfully silence me and destroy my life.

But be encouraged Agent Avila. It appears as though a miracle happened November 5, 2024, when America re-elected Donald Trump, who is pledged to rooting out CSS from, and reforming, our federal law enforcement agencies. My prayer is that you and your co-workers will cooperate with this process and help end various unspeakable crimes against children - and then be a part of replacing the dark tragedy of PPGC with a world-class attraction to grace the City of Houston.

Best blessings,

David Allen, Interim Pastor

PROSECUTORIAL MISCONDUCT

April 27 and 28, 2015

Harris County Criminal Court at Law No. 14, Hon. Michael J. Fields

STATE OF TEXAS VS. DAVID PERRY ALLEN

Class B Misdemeanor Criminal Trespass, Cause No. 1948836

Charge: Walking in Driveway Outcome: Mistrial, Probation, Suicide Attempt, 4 ½ year hell

Offense Date: March 5, 2014 Trial Start Date: April 27, 2015 416 Days

EXAMPLES:

1. Collusion of HCDA and PPGC, No Prosecutions of PPGC Crimes

Before, during and after Abuse of Process No. 5 events, a PPGC Board Director was employed by Harris County District Attorney (HCDA). Lauren Reeder served on PPGC's Board from 2013 to 2018, and thereafter her husband Michael took her place. Reeder is now Judge of the 234th Harris County Civil District Court. (**Allen Exhibit 5.37**).

Using the "grand jury" process in 2013, HCDA exonerated late-term abortionist Douglas Karpen who was ripping heads off babies born alive and had been exposed for these crimes by extensive evidence (**Allen Exhibit 5.38**). After PPGC was exposed for gross Baby Body Parts marketing schemes by David Daleiden's undercover videos in 2015, HCDA again used the "grand jury" process to exonerate PPGC and instead prosecuted Daleiden (**Allen Exhibit 5.39**). Ms. Reeder was employed at HCDA during these events as well.

2. Government Law Enforcement and Charities Complicit:

David Allen was rebuffed by the FBI when trying to provide evidence of PPGC's three crimes against children 1) Baby Body Parts Profiteering, 2) Child Sex Slavery Support and 3) Underage Abortions (**Allen Exhibit 5.30 and 5.33**). On November 15, 2013, Allen tried to deliver a flash drive with evidence and the FBI refused to receive it. Allen was interviewed from behind a glass window by someone refusing to provide their name and treated as though he were a suspect.

Allen then sent Freedom of Information Act requests (**Allen Exhibit 5.32**) to Federal Agencies and National Charities and published “Wanted” posters with Officials’ pictures and names (**Allen Exhibit 5.36**). Allen was also sounding the shofar in front of their Headquarters buildings to call attention to their failure to act.

As another irritant, Allen’s First Amendment Complaint had withstood the City of Houston attempt in Southern District Court to quash (**Allen Exhibits 4.20**). The authorities needed some way to silence Allen – and this apparently began with Allen’s arrest by Precinct 1 Constables working for Larissa Lindsay (**Allen Exhibits 5.00 and 5.15**) at PPGC, and ended with the extreme prosecutorial misconduct in his second jury trial by HCDA (**Allen Exhibits 5.41 through 5.46**).

Larissa brought two of her Constables out and had them arrest Allen on March 5, 2014, for walking in the driveway – something they’d watched him doing since Abuse of Process No. 3, on May 16, 2011. The Constables had never objected to Allen waking up to the fence line to address them and record them. Allen was never warned in any way or cited him for doing so (**Allen Exhibits 5.14 and 5.15**).

3. Ryan Volkmer Transfers From FBI to HCDA To Become Chief Prosecutor in Courtroom 14, Where Allen’s Case Resided

Around the time of Allen’s arrest on March 5, 2014, for walking in PPGC’s driveway, Ryan Volkmer transferred from the FBI to become an Assistant District Attorney at HCDA. There he was assigned as Chief Prosecutor in Criminal Court 14, where Allen’s case resided (**Allen Exhibits 5.34 and 5.35**).

During Voir Dire Volkmer stated to the jury pool that he had just transferred to HCDA after being an “Intelligence Analyst” at the FBI.

Trial Transcripts Page 4 Line 3, Page 8 Lines 5-18

4. Ryan Volmer, False Testimony to the Jury

Allen had walked in the PPGC driveways for three years following the District Attorney definition of May 16, 2011. That definition was clearly understood by everyone – including the Precinct 1 Constables providing security at PPGC – as seen in PPGC’s many “trespass” videos. That HCDA definition said there is no trespass unless the fence line is crossed. (**Allen Exhibits 3.00 to 3.70**).

PPGC, HCDA and Precinct 1 knew that in order to convict Allen, they would need to first demand a jury and then mislead that jury that the trespass limits had been changed. And that's exactly what Volmer attempted – as recorded in the trial transcripts (**Allen Exhibit 5.42**) falsely stating repeatedly Allen had been told by law enforcement that the trespass limits had changed. Volkmer then promised the jury they would hear from HPD Officer Ricky Trinh that Trinh had personally informed Allen of such a change.

Trial Transcripts Page 31 Line 14- to Page 34 Line 9

Volkmer actually confirmed HCDA's Fence Line definition as the limits of trespass, made on May 16, 2011, and observed from day by HPD and the Precinct 1 Constables until the present. This was tested on April 2, 2022, when HPD Officer Trinh and many other HPD Officers approved and facilitated a youth play by The Memorials Church on PPGC grass up the fence line. Officer Trinh confirmed on video that morning that there has never been any change to the May 16, 2011, definition by HCDA (Allen Exhibit 5.X video). This definition remains in effect today.

Trial Transcripts Page 34 Lines 18 to

In fact no such warnings, nor warnings of any kind had ever been provided to Allen. And in any event such a situation would be handled with a written "Trespass Warning" signed by Allen. This is common to any law enforcement agency. No such written "Trespass Warnings" were ever issued to Allen – as demonstrated by the prosecution failing to produce such warnings. It is also noted that no citations have ever been issued to Allen for walking in PPGC's driveways by any law enforcement agency.

HCDA's "fence line" definition remains in effect even today – as proven by multiple law enforcement agencies watching Allen walk and conduct church services in the driveways (on Saturday mornings when PPGC was closed) from January to October 2022. HPD also approved and supervised a skit by Allen's church on PPGC's grass "up to the fence" line on April 2, 2022. HPD Officer Ricky Trinh stated on video that day that there has never been any change to the 2011, HCDA "fence line" definition – and other HPD Officers were at PPGC to supervise the skit (**Allen Exhibits 5.10 through 5.14**).

Officer Trinh's video statement that day, an Affidavit and a letter to HPD all confirm that HPD Officer Trinh never made the warning to Allen that Volmer told the jury he made (**Allen Exhibits 5.13, 5.18 and 5.19**).

Southwest Inn Fire May 31, 2013 in Houston, TX. Firefighters Renaud, Beebe, Garner, Sullivan and Dowling

After the wreckage at 6855 SW Freeway was removed, some undamaged rooms remained. Since 2020, Pastor David Allen recorded these being renovated and new rooms added. "The lack of clearance and access for emergency vehicles have been confirmed as fire code violations" says Allen.

Documents Allen obtained through "Open Records" show there were no permits for this construction and that City Inspectors were forced "not to Red-Tag" and to allow them to open without Certificates of Occupancy.

Allen states, "Project permitting comes under the Mayor's Office. This happened under former Mayor Sylvester Turner - on ground sanctified by the blood of 5 Houston Firefighters."

Beginning in 2012, Allen has notified federal, state and local law enforcement, and provided evidence of this Child Sex Trafficking operation. Allen says, "Witness affidavits also show that cases of condoms were delivered here from Planned Parenthood Gulf Coast (PPGC)."

On three recent occasions, Allen formally notified senior advisors in the offices of Senator Ted Cruz, Harris County District Attorney Kim Ogg, Houston Mayor John Whitmire and the Texas Rangers of this scandal. But the only response so far was to issue a ban on Allen entering City Hall.

Allen says, "We have been praying for these officials to have the courage to Red Tag and close this operation, but it appears some at HPD are still intent on covering it up. Allen asks that the public let these officials know of their concerns and that many are praying for them:

AFFIDAVIT

STATE OF TEXAS

COUNTY OF HARRIS COUNTY

PERSONALLY came and appeared before me, the undersigned Notary, the within named

David Allen, who is a resident of Harris County, State of Texas, and makes this his statement and Affidavit upon oath and affirmation of belief and personal knowledge that the following matters, facts and things set forth are true and correct to the best of his knowledge:

1. On May 31, 2024, I received a phone call from my ex-wife Anna Allen to advise that she'd just received a phone message from FBI Special Agent Amy Avila who wanted to ask her some questions about me. SA Avila left the following contact info:

FBI Special Agent Amy Avila

Phone: (281) 275-2553

Cell: (281) 757-7793 - changed below to (602) 725-8321

2. I then called SA Avila and explained that Anna was upset and did not want to be involved. SA Avila stated that I was not in trouble and we agreed to meet on Tuesday June 4th at 10 am at FBI HQ at 1 Justice Dr. off Hwy 290. She advised that I could not bring my cell phone into the FBI building.
3. Later I left SA Avila a phone message and a text, suggesting we meet at a restaurant near the FBI. This is the text exchange that followed:

MAY 31, 2024:

To Avila: *Agent Avila,*

Would like to change the meeting location to a restaurant - perhaps the nearby McDonalds or the Starbucks right across from the FBI on Hwy 290.

David Allen

From Avila: *This was a temporary number. My cell is 602-725-8321*

Agent Avila,

To Avila: *Understand this is your cell.*

Just let me know if McDonalds or Starbucks works for Tuesday's meeting.

David Allen

From Avila: *I'd rather do it in a controlled environment at the FBI building.*

Thank you,

SA Avila

June 3, 2024:

To Avila: *Special Agent Avila,*

It is presumed that this meeting is to discuss my reports to the FBI over the past 12 years of the Child Sex Slavery operation at 6855 / 6857 SW Fwy, Houston, TX and the attached May 14 report to HPD and May 30 request to HFD - as well as the attached Venn diagram showing Planned Parenthood Gulf Coast (PPGC) involvement.

Couple of requests:

1. Please confirm that the questions to be discussed tomorrow morning are from the FBI Human Trafficking Multi Agency Task Force in relation to these two notifications, and to an FBI investigation of PPGC.

2. A work email to forward some further evidence for review by the FBI this morning.

Thank you,

David Allen

dpallen2013@icloud.com

(713) 423-5592

From Avila: *My work email is alavila@fbi.gov*

To Avila: Thank you. Just emailed the initial Child Sex Slavery information discussed above.

Info copied were HPD / HFD / TX Rangers to keep them in the loop.

Before meeting to answer questions will need to just confirm that the questions are from the FBI Human Trafficking Multi Agency Task Force and are regarding my 12 years of bringing Child Sex Slavery operations to the attention of the FBI and other Local, State and Federal law enforcement agencies.

Can you let me know by noon?

Best,

David Allen

To Avila: SA Avila,

At 12:20 this date 6/3/24, an email was sent to you explaining why there can be no meeting tomorrow.

As it was stated that I am not in any trouble, it is asked that the purpose of any FBI questions be provided ahead of time so arrangements can be made with the proper attorney to be present during any questioning. Thank you.

David Allen

(713) 423-5592

From Avila: Mr. Allen, I do not have a list of questions to provide in advance. If you do not wish to meet me without an attorney, that is certainly your right. I will cancel the meeting tomorrow.

To Avila: Thank you.

Will the FBI Human Trafficking Multi Agency Task Force be investigating 6855 / 6857 SW Fwy and/or PPGC at 4600 Gulf Fwy for Child Sex Slavery operations?

To Avila: SA Avila,

Absent any response, the above information and the email summary of SA Ryan Volkmer's actions to "silence the messenger" in 2014-2015, are confirmed.

The FBI's continued failure to investigate the ongoing Child Sex Slavery crimes at the above two locations appears the result of the heroes of all of our law enforcement agencies being forced to ignore this evil by a DOJ and White House whose own treason and perversion is now entirely visible to We The People.

Be encouraged though. You should all be freed soon by the apparent miracles in progress by a God who is answering the intense prayers of those called by His name - 2 Chronicles 7:14.

Praise God,

From Avila: *Please send me your attorney's information. Thank you*

To Avila: *To know which attorney, can you advise what the questions are about?*

Chief Satterwhite,

After Chief Finner's resignation last week – and revelation of the 264,000 violent crimes ignored by use of the code "Insufficient Resources" – HPD now has their hands untied. Praise God.

We know Houston is the hub of Child Sex Slavery (CSS) and the No. 1 destination worldwide for that evil. Enclosures (1) through (9) are a small sample of the evidence available – previously provided to HPD and other Local, State and Federal law enforcement.

Heavily involved in this evil is Planned Parenthood Gulf Coast (PPGC) – essentially an agency of our government working with a corrupt FBI, DOJ, HHS and White House – all using the Unaccompanied Children (UAC) Program to supply children for CSS and other evils.

May God bless HPD and protect its heroes as these evils are ended and the perpetrators and their accomplices in the chain of command are arrested, prosecuted and punished.

IN THE DISTRICT COURT OF

HARRIS COUNTY, TEXAS

9TH JUDICIAL DISTRICT

DEFENDANT’S MOTION FOR DISMISSAL

Regarding the arrest of David Allen, DEFENDANT, on November 9, 2024, and State of Texas, PLAINTIFF, Charging Instrument, dated November 9, 2024, citing misdemeanor criminal mischief, DEFENDANT respectfully submits this Motion For Dismissal.

The context of this arrest is similar to DEFENDANT’s previous arrest on September 9, 2024 - Cause No. 252849501010 - citing misdemeanor trespass at City Hall. Both arrests were made by HPD’s Special Response Group (SRG) and followed DEFENDANT’s multiple, formal notifications to PLANITIFF (i.e. Ken Paxton and Kim Ogg) and Houston Mayor (John Whitmire) of an on-going, crime against children – examples provided as (**ATT (1)**). Actions to close this criminal operation and prosecute the perpetrators are pending.

These two arrests continue a pattern of seven (7) apparent “Deprivation of Rights Under Color of Law” incidents now in evidence in Civil Cause No. 202107164, in District Court 152 – with jury trial now set for March 3, 2025. Deprivation No. 2 involved SRG Officer Felipe Gallegos – who was later charged with shooting to death the couple in the “Harding Street Raid”. Gallegos baked DEFENDANT in a squad car on May 16, 2011, until an ambulance had to transport him to the hospital, and was the subject of a First Amendment Complaint.

HPD's SRG Division has been monitoring DEFENDANT's church, The Memorials Church, weekly worship services since January 2022. In response, DEFENDANT routinely provides donuts to the 5 to 20 SRG squad cars. These officers have long seen DEFENDANT's numerous project markings on public property related to replacement of PPGC with "The Memorials Re-Birth Center".

The arresting SRG Officer, Sergeant Audis Harris and DEFENDANT had conversed many times over the years and maintained a cordial relationship.. The difference on the morning of this arrest was that DEFENDANT had issued Sgt Harris a warning citation earlier about 18 USC Sec 4 Misprision of a Felony requiring that Sgt. Harris report the above crime, (**ATT (2)**).

All of these matters relate to DEFENDANT's efforts since 2010, to expose crimes by Planned Parenthood Gulf Coast (PPGC), **ATT (3)**. These last two arrests relate directly to an on-going Child Sex Slavery operation, built without permits and opened without Certificates of Occupancy at 6855 SW Freeway in Houston, TX. DEFENDANT has filed Witness Affidavits and other evidence in the above Civil Cause that PPGC supplies the condoms for that operation.

SUMMARY

The instant Cause began at DEFENDANT's church during a weekly service. DEFENDANT recorded the events and following the arrest, published a video on-line, link at **ATT (2)**. This also provides photographs that illustrate clearly the absence of any element of criminal mischief. As usual the markings were painted over by PPGC days later, also **ATT (2)**.

CONCLUSION

DEFENDANT prays this Court dismiss this Cause as lacking basis in fact or law.

Respectfully submitted this 18th day of November, 2024,
