COMPANY OVERVIEW

We are committed to helping organizations make plastic waste a practice of the past. We partner with North American environmental industry-leading manufacturers that are third-party certified and dedicated to the highest standard of product quality.

Green Wise Solutions provides environmentally-friendly finished goods and custom-manufactured goods for both a long-term contractual and a just-in-time basis to local, state, and federal procuring agencies and contractors.

Make Plastic Waste A Practice of The Past Environmentally-Friendly Finished & Custom Goods

❖ Eco-Friendly

Positively contribute to the circular economy, reduce & remove plastic waste generated without sacrificing quality and minimize expense.

❖ Eco-Compliance

Align your organization with the Department of Agriculture Biobased Affirmative Procurement Program, Federal Acquisition Regulation (FAR) part 23.103, Federal Acquisition Regulation (FAR) 52.223-2, and many other regulations.

❖ Vetted

FedMall vendor, SAM validated, DUNS Validated, Government credit card micro-purchase accepted, SDVOSB certified, Department of Military Affairs & Veterans Services and NH Employment Security verified, and a Contract-binding authorized distributor. Enjoy a safe and secure shopping experience for both a long-term contractual and a just-in-time basis.

❖ Quality

Our environmentally preferable products are sustainably manufactured and made in America, of the highest quality, and positively contribute to the circular economy. The biodegradable resin products are stronger and thinner than standard synthetic poly-based resin products, compostable, and third-party certified (ASTM D6400, BPI, CMA).

❖ Customized solutions

Biodegradable and post-consumer recycled solutions for eco-conscious projects and CPG companies. To-specification pouch/film manufacturing and post-consumer plastic injection molding manufacturing.

❖ Partner with a USA SDVOSB

Green Wise Solutions, LLC is a US Department of Veterans Affairs certified Service-Disabled Veteran-Owned Small Business.
