twitter

Jennifer Joy's introduction to twitter document impressed Tammy Boice, who had almost no twitter background. She suggested we put it on the members only page as a regular reference resource for those who are new to twitter or those

who just need a refresher. It has been made so.

Heads Up

The Butler Fairgrounds and Agricultural Association has plans to erect a new building at the fairgrounds. What, I know is that it will be large. It will be on 'our' side of the fairgrounds and it should be ready to use next September if we chose. I will have more details for you by the January meeting.
