The lost boy

I have for some time been trying to track down Mike Meixner. Repeated calls to his home have elicited no response. Then of course such newfangled foolishness as a telephone answering machine was never allowed in the Meixner household.

Determined to make one more attempt at telephoning before going over to Mike's place and bashing down the doors I dialed the number. The phone was answered by Meribeth Reed, Mike's eldest daughter who lives in Port Ludlow, Washington. Mike has apparently moved in with his younger daughter Sherry in Danville Virginia. Mike's current contact information is as follows:

Zane RM Meixner
126 Westhampton Ave.
Danville, VA 24541

Phone #434-799-0605

According to Meribeth, Mike is still driving which leads us to a sort of Octogenarian's Amber Alert. Which means this. If you see Mike driving around town or country please call one of his daughters and let them know.

Contact information for Sherry includes the phone number above and her cell phone which is 434-250-8507. Phone contacts for Meribeth are homephone 360-437-7846 or cell phone 240-731-4075.

Conformation Class

Next session begins April 19, 2010.

Session dates are: 5/26, 6/2, 6/9, 6/16, 6/23.

Classes have been running very near the limit for the Mitchell Hill School (on April 28 with the introduction of a Great Dane we set some sort of record for tonnage). So be sure to call if you want to drop in.

The lost boy II

From our no good deed goes unpunished department I really must say that the very efficient Dr. Reed sent me home with a box of Pepe's pack rat's nest. My fear is that there could be 50, 60, 100 more boxes just like this one. So, if any of you have the itsy-bitsiest feeling that you might like to dig through these boxes and come up with

some treasure for himself or herself let me know. I will sort out what is important for the club and the balance will be incinerated.

JUDGES INSTITUTE

The breeds have been scheduled for the two day session at the Johnstown campus of the University of Pittsburgh.

KIDS EXPO is coming up. June 18 is a Friday. The Expo runs from 10 AM until 12:30 PM. If you are going to be part of a Kennel club display of any kind we will need you to be here between 8 and 8:30 to organize and set up. Think about something that you

would like to pass on to the public that will help them improve their understanding and knowledge of purebred dogs and peak their interest in coming to the dog show.

If you want bring something to display or a dog please notify my or Karen Robertson as soon as possible.

John Towns would like to hear from you. He's receiving cards and letters addressed to:
