Eligibility

Coursing Ability Tests are open to all dogs at least 12 months of age that are individually registered with the AKC, recorded in the Foundation Stock Service (FSS) program, individually registered with a foreign or domestic registry organization whose pedigrees are acceptable for AKC registration, dogs granted a Purebred Alternative Listing (PAL) number, dogs with AKC Limited or Conditional Registration, or dogs enrolled in the AKC Canine Partners program. All small dogs will be wicketed. Veteran dogs (over 7 years of age) may run two thirds of the normal course distance at the owner's discretion. Handler must declare prior to the start of the dog's run which distance the dog will run. Dogs with breed disqualifications and monorchid/cryptorchid dogs are eligible to participate.

Females in season may not enter. A dog may enter only once per event.
(An event is defined by an event number.)

More information can be found at...

http://www.akc.org/events/coursing_ability_test/ Dogs run singularly.

Distance and Time

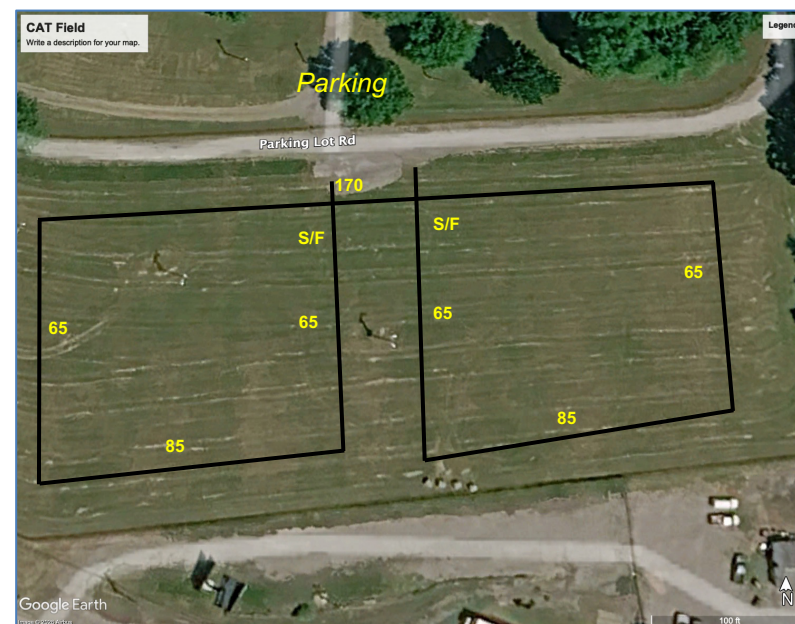

300 Yard Course. This distance is for dogs shorter than 12 inches at the withers and/or brachycephalic ("flat-faced") dogs. A dog must complete this course in less than 1½ minutes.

600 Yard Course. This distance is used for all dogs that do not run the 300-yard course. A dog must complete this course in less than 2 minutes.

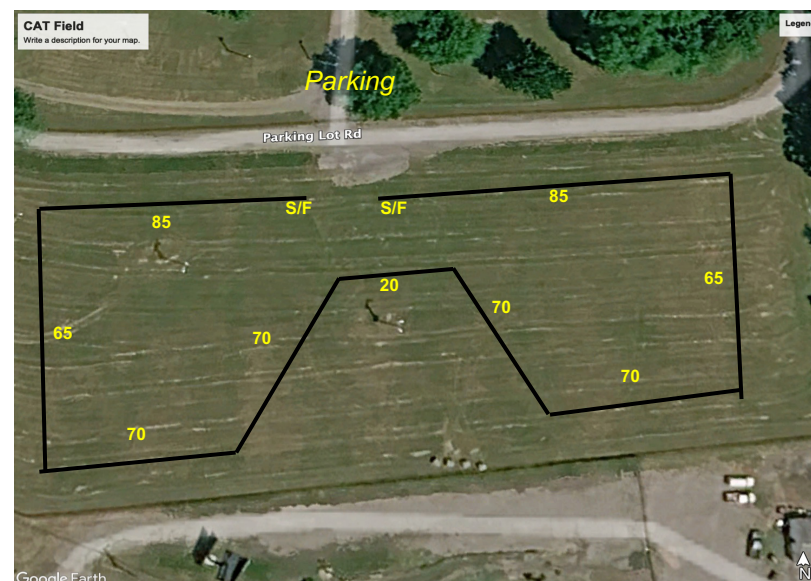

If there is a question which course a dog should run, the judge will decide. The dog must complete the entire course with enthusiasm and without interruption

- ◆ The hunt master is responsible for field safety and therefore he/she is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog.
- ◆ Any decision made by the events officiating judge(s) regarding the performance of an entered dog shall be final. Full discretionary power is given to the Judge(s) to withhold any and all qualifications for lack of merit. The Judge(s) is responsible for ensuring compliance with the AKC regulations on the field
- ◆ No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other causes beyond the control of the club and its members and representatives.
- ◆ A dog that relieves itself on the course will fail the test.

Course Plans

Saturday 600 yds

Sunday 600 yds

*The course will be reversed for the afternoon test.
The field will be fenced with snow fencing and existing chain link fencing.
Please bring your own shade and water.*

WHAT MUST MY DOG DO TO PASS THE C.A.T.? The Coursing Ability Test (C.A.T.) is a pass/file test. In order to pass, the dog must chase the plastic lure, and complete the course one time, by him/herself, with enthusiasm and without interruption within the maximum amount of time. The judge will keep the official time and decides the merits of the dog's performance. If there is a question which course of dog should run, the judge will decide.

Dogs less than 12" tall and flat faced dogs. Any entrant that is less than 12' tall at the withers and/or brachycephalic (bulldog) will run a clearly marked 300-yard course that is basically rectangular in shape with turns no more than 90°. For a 300-yard course a dog must complete the test in less than 1½ minutes.

Any entrant that is taller than 12" at the Withers and not brachycephalic (bulldog) shall run a clearly marked 600-yard course (or as close to 600 yards as possible) that is basically rectangular in shape with turns no more acute than 90°. For a 600-yard course, a dog must complete the test in less than two minutes.

Can my dog earn an AKC title for coursing ability? Three (3) titles will be awarded for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on a dog's pedigree with a higher-level title superseding a lower level title.

Coursing Ability Advanced (CAA)- Dog passes the Coursing Ability Test 10 times.
