Kathie and I got this letter from Mike Meixner last week. Since it seemed to be a response to the recent winter newsletter I thought I would include it in this month's NL.

I have done some minor editing.

Dear Mick and Kathie:

Thank you so much for remembering me.

Your letter was full of news that brought back many fond memories.

I was sorry to learn about John Towns. My health is fair to good. I just got a new battery last week for my pacemaker. It should be good for

7 to 10 years. I'm now 86, will be 87 in September this year.

When you see Maggie Toth tell her I send my regards. What a girl and a great Musher too. Now that's a real sport!

I haven't heard of any dog clubs in this area but haven't really planned any dog exercises since I don't have a dog but Sheri, my daughter, where I am living, has four mixed breed types. One is a brown Labrador Retriever, my favorite but we don't know her background, she is a rescue from a nearby dog shelter.

My days are not too exciting, up before 10 o'clock and then in bed by 10 PM. Go shopping on Tuesday afternoon with my "visiting angel." Roanoke is a small town but has everything I need. But then I'm retired and shouldn't have many needs except milk, orange juice and bananas that's breakfast. Sheri does dinner when she gets home from work.

Hope we can keep in touch!

Fond regards

Mike

PS: Don't miss Mike's new address. Those of you who need practice could send Mike a card.

For what it's worth, no one seems to know who's bringing refreshments to the April meeting. If it's you or you know who it is please send me a heads up so I can stave off a bumper crop.
