Highlights from the January Meeting

At the meeting held on Tuesday, January 2nd, 2007,

the members present voted unanimously to invest \$5,000.00 in the Preferred Parking Development at the New Castle Fair Grounds. The motion was made by Lois Metelsky and seconded by Harry Logan.

There were some questions raised about the Preferred Parking Development at the November 2006 meeting. The questions and their answers follow:

Q. Did the fairgrounds ask for the money?

A. No

Q. What is the genesis of the situation?

A. New Castle KC asked for the development of the Preferred Parking and asked that the fairgrounds move the project to the top of their priority list.

Q. Will there be more requests like this?

A. I don't know. The New Castle and Trumbull Kennel Clubs have each been donating \$5,000 or more to the fairgrounds for many years. This is the first time that a specific request was made to BCKC.

Newsletter Editor Needed

If any member would be interested in writing the newsletter, please contact BillieJo at (724) 548-5919 or boxerpup712@hotmail.com. I have enjoyed working on the newsletter but I would like to "retire" and pass the newsletter onto a new writer. I would like next month to be my last newsletter.
