Mary was hands down the best decision we made for our beach elopement. Our ceremony was perfect and working out the final details was such a breeze. We brought a bottle of champagne with us to enjoy afterwards and she was more than kind enough to bring us a small table to place our glasses on. Our beach ceremony was truly special and we are so thankful we chose Mary to officiate it for us. She took time to ask our wants and how we wanted the verbiage of the vows to be read. Highly recommend working with her, she won't disappoint!

My wife and I were vacationing on Marco Island to celebrate our 10 year anniversary and I saw this as a perfect opportunity for a surprise vow renewal ceremony. Without any knowledge of the area, I luckily came across Mary's website and inquired on her services. From initial communication until the very moment of the ceremony, Mary provided professional and personalized communication and services. She helped with location, coordinating the perfect time, and most importantly worked with my photographer to make it a perfect surprise. Her ceremony was beautifully written and she was clearly passionate about her work. Anyone considering Mary's services, don't hesitate! It was a pleasure working with you Mary, I look forward to our 20 year vow renewal!
