BRILLIANT LED LIGHTS
WITH OMNIDIRECT MODE™

EXPERT LINE
ONLY FROM POOL PROS

BRIGHTEN EVERY CORNER WITH OUR FULL FAMILY OF LIGHTS.

From spas to steps and everywhere in between, there's a perfect ColorLogic light for any backyard application. With 10 fixed solid colors and 7 coordinated color-changing light shows, it's easy to compose just the right theme for any occasion.

UNIVERSAL COLORLOGIC LED POOL & SPA LIGHTS

Instantly add rich, deep color and long-lasting energy efficiency to any new or existing pool or spa. Designed without any bulbs, filaments or moving parts, these innovative 12V LED lights install or retrofit easily for a total transformation in seconds.

COLORLOGIC 320 & 160 LED ACCENT LIGHTS

Ideal for multi-light pools and spas or for highlighting water features, baja shelves, steps, landscaping and more, these versatile 1.5-inch lights are available in two brightness levels and can be installed wet or dry.

COLORLOGIC 80 & 40 LED ACCENT LIGHTS

The only 0.5-inch light on the market to coordinate with a full portfolio of backyard lighting, these low-profile lights can be installed wet or dry and are ideal for hard-to-illuminate areas such as waterfalls, decking, landscaping and more.

COLOR AT YOUR FINGERTIPS.

The ColorLogic Light Controller puts the power of vibrant LED lighting anywhere you want it. Easily installed over any existing light switch, it lets you choose the perfect color for your pool from right inside your home using the convenient dial and preview window.

TOTAL TRANSFORMATION WITH JUST A TAP.

ColorLogic® lights are even better with backyard automation.

With the addition of OmniDirect Mode™, ColorLogic LED lighting is optimized for use with Hayward® OmniLogic® and OmniHub™ automation systems.

OMNIDIRECT MODE FEATURES

- » Instant navigation to desired colors or light shows (no more cycling through every option)
- » Dimming capabilities (20% increments)
- » Speed adjustment for light shows
- » Access to 10 additional colors for increased customization opportunities (special occasions, sports teams, school colors and more)

To enjoy the full capabilities of ColorLogic lights, pair them with a Hayward smart control system. You'll not only enjoy full control of every aspect of your backyard right from your phone, tablet or Alexa®, you'll also have access to more features than you get with ColorLogic alone.

A SPECTRUM OF POSSIBILITIES.

ColorLogic LED lights come with 10 fixed colors and 7 color-changing light shows, plus even more options when paired with Hayward automation, so it's easy to set the mood for any occasion.

START DREAMING IN COLOR.

Create the ultimate backyard experience with ColorLogic lights.

ColorLogic LED pool, spa and accent lights are designed to completely transform the ambiance of your backyard with a variety of vibrant colors that can illuminate any new or existing pool or spa. With an array of versatile features, they're the ideal way to create whatever mood you have in mind.

100% BRIGHTER* THAN ANY OTHER LIGHT

Don't settle for lifeless lighting. Rich, vibrant ColorLogic lights blow every other color LED out of the water.

UL-LISTED FOR SAFE INSTALLATION

ColorLogic lights are low voltage and UL-listed for wet or dry applications, so safety is never a concern.

SAVE UP TO 86% ON ENERGY COSTS

Beautiful lighting doesn't have to bust your budget. ColorLogic lights offer big savings on electrical costs.

10X LONGER LIFE THAN INCANDESCENTS

ColorLogic lights last 10x longer than incandescents, making them the lowest-maintenance solution for any pool or spa.

*Based on measured test data for pool and spa at time of print.

THE BRIGHTEST WHITE LIGHTS IN THE INDUSTRY.

CrystaLogic® 100W spa and 300W and 500W equivalent pool lights shine brighter than any others in the industry while saving up to 84% on energy costs.

All Universal ColorLogic® and CrystaLogic lights include Smooth White and Silver Luster Starburst trim rings (pictured).

Additional rings to match your pool and spa are also available including: White Starburst, Black, Blue, Beige and Gray.
