

Balsall Common Run Club

Inclusion Policy 2025

Introduction

For the purposes of this policy 'inclusion' means access for all. It means recognising differences between individuals / groups and providing opportunities for them to participate in running regardless of those differences, whether this is as a Club member, leader, official or volunteer.

Balsall Common Run Club ("the Club") embraces diversity and difference and is committed to providing opportunities that are safe, inclusive, accessible, and equitable. We want our Club to be equally accessible to all adult members of society, whatever their age, disability, gender, race, ethnicity, religion or belief, sexual orientation, or social/economic status.

We will develop a focus on inclusion, not exclusion, and ensure that we provide appropriate advice to members and volunteers to ensure that everyone can participate as fully as possible.

The Inclusion Policy is intended to promote a change in attitudes and perceptions and to improve opportunities for everyone to participate at our Club.

We will seek to ensure that we comply with the Equality Act 2010 and the characteristics protected by it (age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage and civil partnership and pregnancy and maternity) and encourage our members to do so. We will seek to include everyone regardless of whether they have a protected characteristic or not.

Our aim is to provide an environment where everyone feels;

- Welcome
- Represented
- Included in decision making
- Able to participate
- Safe and free from discrimination, bullying, harassment and vilification.

Aims

The aims of the Inclusion Policy are;

- To promote the development of knowledge and understanding of disability, equity and inclusion amongst our members, leaders, officials and volunteers by the provision of appropriate guidance and training. To guide and support the integration of inclusive practice into our core Club programmes and activities
- To contribute towards growing and sustaining numbers of people from under-represented groups participating within our Club
- To promote inclusion within athletics and running wherever possible and in accordance with the provisions of the Equality Act
- To adopt inclusive practice within our competition and events
- To promote close working partnerships with relevant groups and organisations to support the development of inclusive practice within our Club

Commitment

We will

- Not tolerate discrimination, harassment, bullying or victimisation
- Actively identify and reduce barriers to participation for under-represented groups
- Consult with expert partners and other organisations to facilitate inclusive practices and remove barriers to participation
- Ensure under-represented groups are given the opportunity to participate in all aspects of our Club
- Provide opportunities for all in officiating and leadership positions

There are a number of measures that we will take to ensure that we are working under the guidance of the Policy and within the requirements of the Equality Act (2010).

We will provide a welcoming environment

- We will think positively about how we can include people rather than focusing on potential barriers to participation
- We will consider how our Club is promoted. For example, by providing information in formats which are accessible and by using appropriate imagery
- We will encourage people to contact us to discuss their needs and requirements to facilitate inclusion and we will ensure we consider what reasonable adjustments could be made to enable them to participate
- We will develop the knowledge and understanding of officials, leaders and other volunteers of disability, equity and inclusive practice by providing appropriate guidance and training

We will talk to people

- We will, so far as is reasonably possible, consult with relevant groups and with prospective individuals about their needs and requirements
- We will not make assumptions and will try to speak to people about the reasonable adjustments they believe might be made to enable them to participate and to discuss how these could be made

We will make reasonable adjustments

- We will demonstrate that every effort has been made to enable everyone to participate and that inclusion not exclusion has been the priority
- If reasonable adjustments are required to make an event/activity accessible, then we will make those reasonable adjustments
