About Beyond Believe Beauty

BBB is not about quantity, it is about quality.

Each course is priced at R7500 for the year of 2024.

However we do have a special if you decide to Quality in all 3 Courses at once.

The special is priced at R18 000. You will save the amount of R4500.

After completion of Exams etc. you will receive framed certificates with your qualification number on, in one course you have completed, or in all 3 courses completed.

All our courses are designed to to teach you how to start doing nails on a professional level.

You will receive training and help from our CEO and Founder Alexia Erica Breedt, Nail Master Educator.

We will do our utmost best to help you succeed, and to master the art of doing nails. Whether this be Acrylic Sculpting, Acrylic and Tips or Gel X Extensions & Gel, or all the above.

If you follow the BBB methods, and the application and prep work is done correctly nails should last more than 4 weeks.

We will teach you all you need to know, the do's and don'ts in the nail industry.

Doing good quality nails will help as a stepping stone in our industry. By doing good nails that last long will help you to build a good clientele.

The industry is full of nail techs and that is why your nails need to stand out and be of good quality.

BBB strives to give you all the material and skills you need to start your own businessd in the nail industry.

That is why your educator will always be available during your course period and after.

This Business is Owned by Alexia Erica Breedt, Skills Development Facilitator. We are accredit through SETA
