

COUNTING THE COST

\$24,269

Cost to incarcerate one inmate for a year

\$9,000

Cost for one person to participate in the Arise program for a year

The Arise program has saved the state approximately \$9.1 Million

Each prisoner costs the state \$24,269 a year in prison, each Arise completer costs the state \$9,000. 177 Arise completers cost \$1,661,676 but had they simply gone to prison it would have cost the state \$20,580,112. If they only served 52% of their sentence then it would have cost the state \$10,799,705. This would conclude that **the Arise program has saved the state between \$9,138,029 - \$18,918,436.**
