

## The Mystery of the Circle of Truth ...Claiming our Inheritance!

This “circle of truth” represents a mystery<sup>i</sup> that can **only** be awakened within! The reason it is called a mystery is because only you can experience it! It represents the **potential** in all people and races including the God of Abraham, Isaac, Jacob and the God or Gods of all religions. There is not a God or individual that is not represented by this circle. The line down the middle of the circle represents our agency or choice. Each of us is responsible for the “**attributes**” we create! Which “side” of the circle we build upon is the character or kingdom<sup>ii</sup> we are creating for ourselves. When it comes to our greatest **potential**, it is character that defines who we become! It matters not what DNA, race, culture, religion or heritage we are from;<sup>iii</sup> for the ultimate decision of **character** is based on what we choose to **personify**! We are all Spiritual Beings<sup>iv</sup> of “Truth”<sup>v</sup> creating our own destiny through the “Unconditional Attributes & beliefs of Freedom” or the “Conditional Attributes & beliefs of Bondage!” The secret is in the choice we make!<sup>vi</sup>

The “Unconditional Attributes of Freedom” is the path to a “**fullness of truth,**”<sup>vii</sup> of holiness,<sup>viii</sup> of atonement in 3D,<sup>viii</sup> of harmony, peace, miracles, healings and the resurrection! All will eventually embrace either a “**fullness of Truth**” or a “**portion of the Truth.**”<sup>ix</sup> By accepting **the beliefs** that reflect the “unconditional attributes of freedom” is to experience a “**Fullness of Truth;**” which “is knowledge of things as they are, and as they were, and as they are to come”<sup>x</sup> from Gods perspective!<sup>xi</sup> Any other belief system which embraces any “conditional” attributes or “conditional thinking” becomes the veil that separates one from

fulfilling ones greatest potential; that of becoming co-equal and co-eternal with God!<sup>xii</sup> As we test these “Attributes of Freedom” we begin to discover *the beliefs of God* and the *potential* we all have and all that we are connected to via the “*Truth*” that is manifest in and through all things. The *key to interpreting* all “conditions of the law” or commandments from God is to view them symbolically and not judgmentally, spiritually and not temporally,<sup>xiii</sup> so that our *thoughts and intents of our heart* embrace the “Spirit of the Law.” The “Spirit of the Law” is the mystery of holiness we extend to others of all races and religions through the “unconditional path of love, patience, kindness, honesty and virtue” without any intent of judgment, anger or blame<sup>xiv</sup> in our thoughts, words or deeds.

“Religion”<sup>xv</sup> and its laws, ordinances, ceremonies and commandments are here to awaken and bless all mankind to the unconditional grace of a godly character. That is the purpose of religion! In stead religions have used *their doctrine* to find fault and judge one another. Our *potential character* is the “*only religion*” or plan that is co-equal and co-eternal to all people regardless of race. “Religion” has sadly become a weapon and a test for mankind... rather than an opportunity to seek, find and embrace “again” a character and attributes of godliness as we did in our first estate, *personifying* and *manifesting* godly attributes in all endeavors without the “judgment, blame or anger” that comes from the ego of man. Judgment is our greatest obstacle in fulfilling our greatest potential. Christ taught this truth!

**1 JUDGE not, that ye be not judged. 2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again. 3 And why beholdest thou the mote (a “mote” is an external symbol of a religious structure or external traditions of a culture and/or politics that man uses to judge, condemn or blame others by) that is in thy brother's eye, but considerest not the beam (a “beam” is another external symbol of a religious structure or external traditions of a culture and/or politics that man uses to judge, condemn or blame others by) that is in thine own eye? 4 Or how wilt thou say to thy brother, Let me pull out the mote out of thine eye; and, behold, a beam is in thine own eye? 5 Thou hypocrite, first cast out the beam out of thine own eye; and then shalt thou see clearly to cast out the mote out of thy brother's eye. (In both cases the “mote of judgment” and the “beam of judgment” must be cast out in order that unconditional clarity of “heart” and “mind” can awaken in us and be manifest by us).**<sup>xvi</sup>

“Judgment” and its train of attendants has ruined more relationships, families, homes, tribes, cultures, business, governments, religions, nations, countries, races and friendships with broken hearts, despair, greed, separation, lust, war, anger, worry, revenge, stress and hate than any other characteristic or attribute of the human character! It is poison to the soul! It cunningly damns any individual who embraces it! The only way to get rid of it is to not use it or engage in it ...it is that simple! To be aware of it is good but to give it our energy and obedience is damming. Change our thinking to “unconditional thinking,” “unconditional love,” “unconditional honesty” and our lives will change for forever!<sup>xvii</sup> The truest mark of our success in life will be the noble, virtuous and honest character we develop! This is claiming our *inheritance*!
