Amen, Amen, and Amen! 1st hand accounts are the best! It is black and white, polygamy is, was wrong, past, present, and future! It has never been part of the gospel of Jesus Christ. The LDS [Mormon Church] has a problem with D&C 132 because it contradicts all the 1st hand accounts of the Prophet Joseph D&C 42:18-29 and D&C 49: 15-17.

Here Is what the Prophet Joseph Smith had to say about "contradicting a former revelation," of which D&C 132 unequivocally does.

“There have also been ministering angels in the church which were of Satan appearing as an angel of light:— A sister in the State of New York had a vision who said it was told her that if she would go to a certain place in the woods an angel would appear to her,— she went at the appointed time and saw a glorious personage descending arrayed in white . . . he commenced and told her to fear God and said that her husband was called to do great things, but that he must not go more than one hundred miles from home or he would not return; whereas God had called him to go to the ends of the earth; and he has since been more than one thousand miles from home, and is yet alive. Many true things were spoken by this personage and many things that were false.—How it may be asked was this known to be a bad angel? . . . by his contradicting a former revelation.” Times and Seasons 3 [April 1, 1842]: 747

Polygamy (D&C 132) is breaking several of the 10 Commandments of God and is diametrically opposed to God’s established pattern for godliness and holiness in a divine marriage relationship.
