Balancing Cleanser

150 ml 5 fl. oz.

Multifunctional balancing cleansing gel.
Sensitive skin.

WHAT IS IT?

Multifunctional balancing cleansing gel with a fluid texture that cleanses and balances the skin. Its exclusive 3-in-1 formula cleanses, removes makeup and tones in a single step. Specially formulated for sensitive skin, it removes makeup and/or cleanses the eye area without drying the skin or causing tightness.

This innovative natural cleanser is formulated with Goji Berry extract and Avocado Oil to effectively remove residues accumulated on the skin. Respects the cutaneous microbiota while strengthening the skin's natural defenses and softening the face thanks to its vitamins and nourishing active ingredients.

Balancing Cleanser

150 ml 5 fl. oz.

The perfect formula combining a cleansing action with moisturizing and vitamin-rich ingredients to treat sensitive skin effectively, leaving it beautifully cleansed and soothed.

MAIN ACTIVE INGREDIENTS:

- **GOJI BERRY EXTRACT:** Antioxidant and hydrating superfruit with a high biological value. This Himalayan fruit prevents free radical generation, protecting the skin against the passage of time while maintaining perfect skin hydration levels.
- **AVOCADO OIL:** Vitamin-rich active ingredient with vitamins A, D and E. This natural emollient oil prevents flaking thanks to its high nutritional value, nourishing the epidermis while strengthening the skin barrier.

Balancing Cleanser

150 ml 5 fl. oz.

WHO IS IT SUITABLE FOR?

Cleanser specially formulated for sensitive skin. Unisex formula.

APPLICATION METHOD

Apply morning and evening to damp skin. Massage over face with circular movements before rinsing with water.

We recommend removing eye makeup with a damp cotton wool pad moistened with the product before rinsing with water.

This product has passed all the physicochemical and bacteriological controls endorsed by ISO Standards and GMP certifications, allowing us to ensure maximum quality and safety in its use.

IMPORTANT: only complaints specifying the product name and batch number will be dealt with.
