UrbanProtect

DD CREAM

ANTI-POLLUTION AND ANTI-AGING CREAM WITH COLOR.
A new concept of multi-function cosmetics for the **daily defense of the skin.**

CASMARA's Research Centre has created Urban Protect DD Cream.
Revolutionary advanced multi-protection cream with a touch of color.

Thanks to its powerful anti-pollution and anti-aging active ingredients; and the innovative **MULTI-LIGHT TECHNOLOGY** S.P.F. 30 (UVA-UVB and artificial light), it protects and treats the skin at the same time that evens out the skin tone with a natural finish.

Flawless skin in one single gesture!

✓ PROTECT

- It **protects** with broad-spectrum solar filters S.P.F. 30 (UVA, UVB and blue light).
- It **neutralizes** and prevents the absorption of damaging particles and toxins, harmful to the skin (atmospheric pollution)
- It **strengthens** the anti-oxidant capacity of the skin.

✓ PERFECT

- It is **color-adapting** with a natural finish.
- **Blurring effect.** It minimizes fine lines and diminishes flaws.
- It **revitalizes** your complexion and boosts skin's luminosity.

✓ TREAT

- Immediate and long-term **anti-aging action.**
- It **stops** photo-aging.
- It **stimulates** the production of collagen and elastin.
- It **fight**s the signs of fatigue and tiredness.

RESULTS

- ✓ Protected and revitalized complexion.
- ✓ Even tone and natural finish.
- ✓ Blurring effect. Expression lines and imperfections blurred instantly.
- ✓ Soft and velvet skin.

WHO IS IT FOR?

Available in two shades that match your skin tone (Dark and Light). Unisex formula.

MAIN ACTIVE INGREDIENTS

PURE BAMBOO: natural **anti-aging** active ingredient that fights off premature aging and helps prevent oxidative stress.

GLASS DIAMOND: sea plankton active ingredient that creates an **urban shield** which protects with broad-spectrum sun filters against: atmospheric pollution, blue light and UVA, UVB rays.

ALMOND OIL: **moisturizing** as well as **nourishing**. It helps keep the proper moisture balance of healthy skin. It provides the skin with vitamins A and E.

GINSENG AND CAMOMILE EXTRACTS: **anti-fatigue** and **delay**. They hydrate and slow down skin aging, improving its elasticity.
