DISCOVER THE LATEST TREND IN
EXPRESS COSMETICS
"FLASH EFFECT" FACIAL AMPOULES

The ideal solution to instant skin radiance!

4 SOLUTIONS WITH ULTRALIGHT FORMULA.

A sublime infusion of active ingredients that deliver immediate visible results, at the same time that can improve your skin condition resulting in long term positive results.

Casmara's flash effect facial ampoules are an essential complement for any special occasion or time of the day when you need to enhance the beauty of your skin.

RETAIL product. Not suitable for professional use in Beauty Salons.

Available in two formats: **20 units blister** and **5 units blister**.

Hyal Pro

FACIAL AMPOULE FLASH EFFECT “OIL FREE” WITH **HYALURONIC ACID**.

Water-based fast absorbing formulation, based on a high concentration of hyaluronic acid of low and very low molecular weight that manages to penetrate deeply and plump wrinkles from the inside, at the same time that works as a powerful, long-lasting facial moisturizer. It contains minerals and amino acids present in the natural factor of the skin that protect the epidermis by balancing its metabolism.

ACTION

- Wrinkle filler.
- Long-lasting moisturizer.

RESULTS

- Hydrated, smooth and supple complexion.

WHO IS THIS FOR?

Suitable for all skin types

ACTIVE INGREDIENTS

Hyal Filleronic: hyaluronic acid complex of low and very low molecular weight that acts at two levels of the dermis, helping to slow the skin aging process and improving its viscoelastic properties. It retains water in the intercellular matrix of the connective tissue; helping to keep your skin firm and hydrated; at the same time, its very low molecular weight with a high penetration capacity, is ideal to ensure an anti-wrinkle efficiency, plumping wrinkles up from the inside and reducing their appearance.

Red Beet Betaine: helps the skin to retain moisture, keeping the water balance of the cells, which allows the skin to rehydrate quickly and naturally.

Hyal Pro
*Wrinkle filler and
long-lasting moisturizer.*

Age Complex

FACIAL AMPOULE FLASH EFFECT “OIL FREE” WITH **ELASTIN COMPLEX** AND **JAPANESE CEDAR EXTRACT**.

Water-based fast absorbing formulation, enriched with Japanese cedar extract and amino acids, precursors of collagen and elastin production; indispensable for the elastic and consistency fibers to recover their ideal state. It provides elasticity and firmness and reduces wrinkle depth whilst preventing their future appearance.

ACCIÓN

- Anti-wrinkles and reaffirming.
- Prevents premature skin aging.
- Helps to recover a good skin condition.

RESULTS

- Firm, toned skin.
- Younger-looking and smooth skin.

WHO IS THIS FOR?

Suitable for mature and/or flaccid skin.

ACTIVE INGREDIENTS

Elastin Complex: complex of amino acids precursors of collagen and elastin, responsible for providing firmness and elasticity to the skin. They improve the synthesis of natural collagen and provide resistance to dermal tissue, preventing sagging skin and the signs of aging.

Japanese Cedar Extract: anti-aging active with a high concentration of plant stem cells. It stimulates the cell renewal process, helps smooth the skin microrelief and softens fine lines. In addition, it significantly increases natural skin hydration.

Age Complex

Firming anti-aging.

Hydra Sensi

FACIAL AMPOULE FLASH EFFECT “OIL FREE” WITH **MALLOW EXTRACT** AND **MARINE COLLAGEN**.

Water-based fast absorbing formulation, composed of a complex mixture of amino acids, hydrolyzed marine collagen and mallow extract, which provides balance and hydration, at the same time that its soothing and refreshing effect helps reactive skin to recover its natural state.

ACTION

- Hydrates and balances the skin.
- Refreshes and relieves instantly.

RESULTS

- Soothed and deeply hydrated skin.

WHO IS THIS FOR?

Suitable for all skin types. Especially recommended for sensitive, reactive, and/or atopic skin.

ACTIVE INGREDIENTS

Mallow Extract: active of natural origin which is soothing, moisturizing and emollient. It refreshes and helps recover the natural state of your skin. It provides elasticity and stimulates skin renewal, which enhances the biomechanical capacity of the most superficial layer of the dermis, essential to recover its proper functioning.

Marine Collagen: thanks to its triple helix structure, it has great water retention capacity that improves the balance and hydration of the skin. It progressively rehydrates the different layers of the dermis, at the same time that it enhances the regeneration of the cells and prevents the signs of aging.

Hydra Sensi

*Hydrating, soothing and refreshing.
Sensitive skin.*

Lightening

FACIAL AMPOULE FLASH EFFECT "OIL FREE" WITH **WHITEBIO** AND **VITAMIN C**.

Revolutionary anti-aging formula that firms, regenerates and hydrates, at the same time that brightens and evens out the skin tone. The sublime infusion of wild plants (of great lightening power) and the bioavailable vitamin C (very stable and easy to assimilate by the body), give your face a glow that re-surfaces from the inside while helping to lighten the skin tone and return all its luminosity immediately.

ACTION

- Lightens, brightens and evens out the skin tone.
- Prevents the appearance of spots on the face, neck, neckline and hands.
- Moisturizing anti-aging.

RESULTS

- Even and more glowing skin tone.
- Hydrated and younger-looking skin.

WHO IS THIS FOR?

Suitable for all skin types, especially indicated for dull and uneven skin tone.

ACTIVE INGREDIENTS

Whitebio: complex of active and wild natural plants of great lightening and brightening power that acts in the process of melanin formation. It reduces, mattifies and prevents spots, freckles and uneven pigmentation, helping to even out the skin tone and providing brightness.

Vitamin C: stable and bioavailable Vitamin C that unlike traditional vitamin C, is able to penetrate deeply at different levels and prevent its degradation, being used by the skin in an optimal way. With a powerful anti-aging, lightening and antioxidant action, it prevents the oxidation of cells and the damages produced by UV radiation that cause premature skin aging. It stimulates the process of dermal regeneration, improving the skin microrelief structure, at the same time that it provides luminosity and reduces hyperpigmentation, evening the skin tone.

Hydra-Cell+: helps keep optimal intracellular water content. It hydrates the different layers of the skin and improves the water retention capacity, ensuring an optimal concentration and water balance.

Lightening
Lightening anti-aging.

HOW TO USE:

The application is recommended at any time of the day, to boost the beauty of the skin or before a special occasion.

It can be used daily and as many times a day as desired.

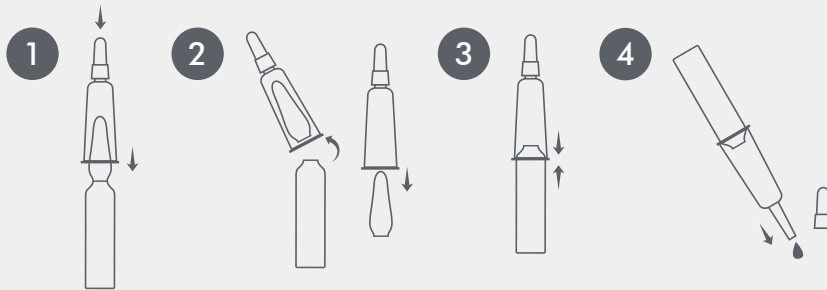

AFTER CLEANSING, APPLY OVER **FACE**, **NECK** AND **NECKLINE**, AND EVEN ONTO HANDS, GENTLY PATTING IN WITH YOUR FINGERTIPS, SMOOTHING UPWARD AND WORKING FROM THE INNER AREAS OUTWARD.

WARNING:

- For external use only. Non-injectable.
- Shake well before use.
- Avoid contact with eyes and mucous membranes
- Keep ampoule away from direct sunlight. Seal immediately after its use to ensure product preservation.
- Once opened, the contents progressively loses effectiveness when in contact with air. To preserve the effectiveness of the ampoule, it is recommended to consume within 4-5 days of opening.
- Keep out of reach of children.

DIRECTIONS FOR USE:

1. Insert the ampoule into the protective tube.
2. Snap off the top half of the ampoule with the help of the protective tube and discard it.
3. Insert the ampoule into the protective tube, applying gentle pressure until it clicks into place.
4. Unscrew the lid from the protective tube and smooth the contents of the ampoule into the skin.
