Subject:Final Fundraising Hurdle — Help Send 110 Wilson Musicians to Carnegie Hall

Dear Wilson High School Community,

We are in the final stretch of fundraising to ensure that **all 110 Wilson Band and Orchestra students** can perform at the 2026 National Band & Orchestra Festival at Carnegie Hall in New York City on April 4th.

This invitation is an extraordinary honor — one that reflects years of dedication, rehearsals, competitions, and growth from our student musicians. Performing at Carnegie Hall is a once-in-a-lifetime experience, and our students have earned it.

For the past eight years, the Wilson Instrumental Music Booster Club has been setting funds aside to help make this dream possible. Thanks to that commitment — and the generosity of our community — we are close.

However, we are still **\$10,000 short of our \$65,000 goal.**

These funds go directly toward supporting deserving students and ensuring that financial circumstances do not prevent any musician from participating in this milestone event.

Every dollar matters. Every contribution makes a difference.

Business Sponsorship Opportunities

Do you own a local business — or know someone who does — that would like to support Wilson's musicians? We are inviting community partners to help us cross the finish line.
