### MDGA RULES GOVERNING THE CONDUCT OF OFFICIAL LIVE SHOWS 1.

Eligibility to participate in an MDGA-sanctioned Live Show requires that you be a current MDGA member in good standing.

2. For animals to be accepted for participation in an MDGA show, the owner must present either an official registration certificate or a registrar-issued confirmation email.
3. To compete in an MDGA-sanctioned “Experimental” show, a miniature dairy goat is not required to be registered with MDGA but may be registered with another official miniature dairy goat registry. If such an animal is awarded Grand Champion of its breed, the animal’s owner will have two weeks from the show date to register the goat with MDGA for the animal to receive the winning leg; otherwise, the leg will be awarded to the Reserve Champion as long as the Reserve Champion is registered with MDGA.
4. All MDGA-recorded “Grade” animals are eligible to be shown in sanctioned “Experimental” shows and are also eligible to receive Champion or Reserve Champion wins. To be shown, all registered or recorded grade animals whose certificates were issued by a registry other than MDGA must meet the MDGA standards for registration/recording. Should it win, an animal belonging to this category must be registered with MDGA within two weeks to receive its official Champion win.
5. In an MDGA-sanctioned “American” or “Purebred” show, all entries **MUST** be registered as an “American” or a “Purebred” with MDGA before the show.
6. For all entries in a sanctioned show, either a registration certificate or an email from the registrar showing that an application for registration has been submitted to the registry must be presented to the show secretary or appointed trustee at the time of check-in.
7. All animals **must** be tattooed with assigned tattoo numbers or microchipped before arrival at the show. ***No tattoos or EIDs (microchips) should be applied at the show.*** Owners of animals with EID (microchips) must have a microchip reader available at the show. Champion and Reserve Champion animals will not receive official awards if the tattoo or microchip cannot be read. ***\*Tattoo(s) and/or EIDs must match the recorded information exactly*** on the registration certificate to receive credit for an official “leg”. If the tattoo is correct but in the wrong location, MDGA will award the Championship but without the “official leg”. If the tattoo is incorrect for that animal, said animal will be disqualified.
8. Proof of Ownership shall be the name on the certificate of registration or application confirmation email. \*Animals pending transfer of ownership being shown by the new owner or entered in the show by an exhibitor on behalf of the owner, must have proper documentation signed by the current OWNER of the animal appointing such persons as their “Agent.”
9. Animals with horns or scurs exceeding two inches are not acceptable for showing.
