MDGA Show Rules

Eligibility to participate in an MDGA sanctioned Live show requires that you be a current MDGA member.

1. In order for animals to be accepted for participation in an MDGA show, the owner must present either an official registration certificate or a registrar-issued confirmation email with a registration number assigned to each animal being considered for registration. Late MDGA registration applications must be submitted to the registrar a minimum of 8 days prior to a show.

For those needing rush application review and/or overnight service (as of 1/1/18) in order to have papers in time there will be a \$50 fee for members and a \$75 fee for non-members submitting a new application.

2. To compete in an MDGA sanctioned “Experimental” show, a miniature dairy goat is not required to be registered with MDGA but may be registered with another official miniature dairy goat registry. If such an animal is awarded Grand Champion of its breed, the animal’s owner will have two weeks from the show date to register the goat with MDGA in order for the animal to receive the winning leg; otherwise, the leg will be awarded to the Reserve Champion as long as the Reserve Champion is registered with MDGA.

3. All MDGA-recorded “Grade” animals are eligible to be shown in sanctioned “Experimental” shows and are also eligible to receive Champion or Reserve Champion wins. To be shown, all registered or recorded grade animals whose certificates were issued by a registry other than MDGA must meet the MDGA standards for registration/recording. Should it win, an animal belonging to this category must be *registered* with MDGA within two weeks to receive its official Champion win.

4. For all entries in a sanctioned show, either a registration certificate or an email from the registrar showing that an application for registration has been submitted to the registry must be presented to the show secretary or appointed trustee at the time of check-in.

5. All animals must be tattooed or microchipped with assigned tattoo numbers prior to arrival at the show. *(No tattoos or microchips should be applied at the show.)* Owners of animals with microchips must have a microchip reader available at the show. Champion and Reserve Champion animals will not receive official *awards* if the tattoo or microchip cannot be read.

Tattoo(s) must match the recorded information exactly on the registration certificate to receive credit for an official “leg”. If the tattoo is correct but in the wrong location, MDGA will award the Championship but without the “official leg”. If the tattoo is incorrect for that animal said animal will be disqualified.

6. Animals with horns or scurs exceeding two inches are not acceptable for showing.
