

100 E EPDM Rubber Sheet (Ethylene Propylene)

Description: 100 E EPDM rubber is one of the newer elastomers. It is particularly suited to outdoor applications because of its excellent resistance to ozone, oxidants, and the outdoor weather environment in general. 100E sheet has excellent color stability. It is odor-free and has very good electrical properties.

Durometer: 60 +/-5

Tensile: 800 psi

Elongation: 250%

Temperature: -40° F to + 212° F

Color: Black

Finish: Smooth
