

I BELIEVE . . .

. . .in your worth, in the value it adds to others,
and the value it gives to You, and your
CONFIDENCE TO BELIEVE.

. . .That tomorrow is a chance to Begin Again,
that failures are the stepping stones to Greatness,
OPPORTUNITIES FOR THOSE WHO BELIEVE.

. . .That compassion is in the giving of Love and Appreciation,
with an open heart and mind, a feeling of connection to your higher self.
A POWERFUL FORCE TO BELIEVE.

. . .In your Faith, Family and Friends, the most important people in your life.
They are Angels that lift us to our feet, give us wings to fly, and the
FAITH TO BELIEVE.

. . .In Your Greatness, to inspire your Dreams and Desires, knowing
ALL THINGS ARE POSSIBLE FOR THOSE WHO BELIEVE.

. . .that you deserve the Best Life and You Do Make A Difference!
There is something Magnificent about You
that shines through everything You Do. . .

IT'S TIME TO IGNITE THE POWER IN YOU!
