

PAST ACTIVITIES & CAUSES SUPPORTED

Here is how the funds were invested last year:

- ◇ **\$4,650** donated to purchase 22 reclining chairs for every patient room for the Hospital of Karpenisi. They are badly needed to comfort those who accompany their loved ones spending nights in the hospital.
- ◇ **\$1,000** to the Evrytania Rescue Team, a group which is active in Evrytania and provides its services every time someone is in need of assistance or lost in our region's difficult and precipitous landscape.
- ◇ **\$1,000** to the Greek American Nursing Home in Wheeling.

In addition to the above donations, our association funded the following events for its members, free of charge:

- ◇ Annual Picnic
- ◇ Annual Christmas Party for our youth

In past years, we proudly supported educational causes by donating funds to the Hellenic American Academy (\$2,000), the University of Illinois Modern Greek Studies Program (\$2,000), and scholarships for our youth participating in the Essay Contest Program (\$2,000). The Essay Contest has become a very worthy, annual practice and tradition.

Our members have also participated in the Race to Cure Sarcoma and our Association donated funds to the Sarcoma Foundation of America.

The above is a non-exhaustive list. Our organization also participates in the activities of the community, including the annual Greek parade, and provides financial support to other worthy causes as they come to our attention.

**WE NEED
YOUR HELP!!!**

We need everyone's support to continue our programs and live up to our record of achievements.

Each member of our board devotes hours of hard work to deliver the promises made to our Evrytanian Community.

We need each other, and our kids will need us, to foster an environment of friendship, care, and association.

It is our duty—and everyone's responsibility—to keep our Association active and make sure it keeps growing!
