The Regenerative Summit

THE COMPLETE SOLUTION
FOR CLINIC, SALON & SPA

SEMINARS MONDAY 22ND

9.30AM

Sisneo Bioscience Global Launch with Alfredo Martinez

Sisneo Bioscience unveils a global first: Genosomes + TDX20.

In an **exclusive, invitation-only reveal**, Alfredo Martinez introduces a groundbreaking device set to redefine aesthetic technology. Powered by the revolutionary TDX20 system, this innovation enables the creation of the world's most potent cosmetic serum—impossible to formulate or stabilise in any traditional lab.

With encapsulation tech that supercharges actives up to 20×, Genosomes + TDX20 bridges clinic and home care with unmatched efficacy. For salons and spas, it offers true exclusivity—driving client loyalty and transforming retail potential.

**This isn't just innovation. It's a seismic shift in skin health.
High-performance. High-integrity. High-impact.**

11.45AM

11.45AM

Love & Light With Louise Thompson

A holistic facial ritual refined over 30 years by expert facialist Louise Thompson. This transformative method offers more than skin-deep results: it invites clients to release stagnant energy, restore inner balance, and reconnect with a sense of calm, clarity, and radiant presence. Each session becomes a gentle reset—helping your clients greet the day with renewed positivity and a softened, luminous outlook.

1.00PM

Pure Wool Baby Cocoon with Branka Gluhinic

The Pure Wool Baby Cocoon Treatment by Physio Natura is a nurturing full-body pregnancy massage that supports both mother and baby, easing physical changes and releasing feel-good endorphins for deep relaxation.

A pure wool mold is gently shaped around the bump during the treatment, capturing the baby's safe haven. This cocoon becomes a comforting nest for the newborn—offering a familiar, secure space in their first months of life.

2.15PM

Cult Alchemist Facial with Lisa Harris

Lisa is a pioneer of clean, non-invasive beauty, delivering visible results through holistic methods. Her treatments blend Physio Natura with advanced biomagnetic frequencies from Sisneo Bioscience to restore skin health—physically, emotionally, and energetically. Including her renowned neck lift, Lisa's signature approach works at a cellular level, recalibrating the energy field to awaken deep vitality and radiant wellbeing.

3.30PM

Rigenera Facial with Hollie Simpson

Hollie Simpson is a leading facialist and educator, known for her Lift & Sculpt technique—a hands-only method that works deep into facial muscles and fascia to lift, re-oxygenate, and restore natural vitality. Her approach blends anatomical precision with massage artistry, delivering visible lift, radiant glow, and long-term skin health. Paired with Physio Natura's high-performance skincare, the results are both immediate and lasting.

FOR CLINIC, SALON & SPA

THE BRANDS

Sisneo Bioscience

Sisneo Bioscience is a leading biotechnology company specializing in aesthetic medicine and electromedical innovation. Founded 20 years ago by Jorge Márquez and Alfredo Martínez, Sisneo brings together a world-class team of researchers, engineers, and clinical experts to develop some of the most advanced therapeutic devices on the market—where scientific precision meets aesthetic transformation.

Laser & Aesthetics

Providing independent, expert advice across the aesthetic and laser industry. We help clients source new and pre-owned equipment with tailored recommendations and transparent guidance. Whether expanding a clinic or entering the industry, our mission is simple: the right product, for the right client, at the right price. We simplify the process, protect your investment, and support confident decisions.

Louisa Webb Aesthetic Solutions

Louisa Webb Aesthetic Solutions specialises in skin analysis machines of varying grades to suit the unique needs of spas, salons, aesthetic clinics, and surgical practices. From entry-level systems to advanced diagnostic platforms. Providing your clients clear, targeted recommendations, personalised for their plan. Your staff will be able to sell rejuvenation and skincare treatments more effectively.

Fresh Face Pillow

Fresh Face Pillow is clinically proven to reduce lines and wrinkles by 13.1% in just 8 weeks. Its contoured design elevates the face, supports posture, and aids recovery—making it the perfect post-procedure care product. With memory foam, cooling gel, and a silk pillowcase, it delivers restorative comfort while preserving aesthetic results and promoting long-term skin health.

Collagenil

Laboratori Collagenil, formulated in Italy, creates advanced skincare designed to complement aesthetic medicine. Developed in collaboration with doctors and researchers, each product supports clinical treatments with targeted, at-home care—promoting timeless, harmonious beauty through science-led innovation. Its elegant formulations bridge clinical precision with sensory pleasure, elevating everyday rituals into moments of transformation.

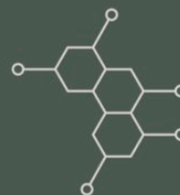

Casmara

Founded in Valencia in 1974, Casmara is a premium cosmetics laboratory celebrated for its exclusive formulations and pioneering spirit. Rooted in family tradition and driven by innovation, the brand gained global recognition in 1979 with its iconic Algae Peel-Off facial masks—developed under the ethos of “Cosmetics Without Limits.” With over 50 years of expertise, Casmara continues to empower customers to look and feel their best through cutting-edge skincare crafted with care.

THE BRANDS

Physio Natura

From the heart of Puglia, Italy, creating products that meet real, everyday skin needs. Crafted for natural aesthetics professionals, each formulation reflects a commitment to deep, lasting, and sustainable beauty. Rooted in Italy's rich territorial identities, Physio Natura blends sensory elegance with clinical purpose—offering not just skincare, but meaningful rituals that invite connection and care for every skin type.

Aqua Natural

Aqua Natural's Strip Sugar Wax is a gentle, water-soluble formula made purely from sugar syrups—no chemicals, additives, or preservatives. It's biodegradable, easy to clean, and kind to skin, offering smooth results with less discomfort. Ethically made in the UK, it's the only wax registered with The Vegan Society and approved by Cruelty Free International. Through its 'Refill Reuse Reduce' scheme, Aqua Natural leads the way in sustainable beauty.

uGlow

uGlow Tanning Water, proudly British and award-winning, is a professional-grade self-tan system for flawless, everyday radiance. Its overnight formula is wearable all day or night, with odour-neutralising technology and no guide colour—so nothing transfers onto bedding or towels. Powered by Hyaluronic Acid and Clear Water Technology (CWT), uGlow hydrates, plumps, and perfects the skin from first spritz, delivering a luminous, ageless glow that feels as good as it looks.

Enough Wellness

Enough Wellness Collagen is a premium, British, research-backed supplement created by women, for women—supporting confidence, strength, and vitality at every stage of life. With no fillers, just pure ethically sourced Swiss grass-fed bovine collagen peptides, Vitamin C to boost absorption, and Vitamin D for bone strength and immunity, our formula promotes radiant skin, resilient bones, and lasting wellbeing. With Enough, less truly is more.

Zinzino

Zinzino is a Scandinavian health tech brand pioneering test-based, personalized supplements. Founded near Oslo by Hilde and Ørjan Sæle, it empowers individuals to take control of their wellbeing with nutrition plans that are tracked, tested, and proven. By removing the guesswork, Zinzino sets a new global standard—bringing balance back to life through science-backed solutions.

2LoveMy

2lovemy is a British beauty brand founded by Tracy Whittaker, offering natural, sustainable skincare in high-performance, refillable packaging. With over six years supplying the film and TV industry, the brand blends luxury with eco-conscious care. The 2lovemyskin retail line features filling stations, 2lovemylips delivers targeted nourishment, and 2lovemybaby, launching at the summit, offers gentle care for little ones. At 2lovemy, sustainability is a promise—not a trend.

The Regenerative Summit

THE COMPLETE SOLUTION
FOR CLINIC, SALON & SPA

THE BRANDS

Our Skin Academy

Hollie Simpson is a Facialist and Skincare Educator who champions non-invasive, long-term skin health. She trains salon owners and practitioners to deliver exceptional results through expert mentorship, flexible learning (online and in-person), and a collaborative community. Her holistic approach blends clinical expertise with business insight, empowering professionals to grow their practice and care for skin with confidence.

Skin Club

Skin Club® is your ultimate skin subscription service, designed to make high-end, results-driven facials and advanced treatments more accessible at every age. This exclusive membership empowers clients to look and feel fantastic through affordable, expert-led skincare—while providing practitioners with a consistent revenue stream and the opportunity to deliver optimal, long-term results. It's a win-win model that supports skin success and business growth in equal measure.

Japanese Head Spa Co

A global one-stop destination for authentic Japanese Head Spa treatments. We support individuals and businesses with expert training, tailored products, and professional equipment. With accredited courses across 25+ UK locations and growing internationally, we're committed to elevating standards and empowering practitioners worldwide. Every element of our offering is designed to preserve the integrity and artistry of this deeply restorative ritual.

RevIve

Improving Your Health One Drip at a Time. RevIve specialises in NAD+ solutions, IV therapies, and vitamin boosters designed to elevate wellness and restore vitality. Born from a personal journey to better health, the brand is rooted in first-hand experience and a deep belief in the transformative power of cellular-level care. With a comprehensive range of treatments, RevIve empowers clients to feel energised, balanced, and truly well.

The journey doesn't end here—it regenerates.

We hope you leave feeling inspired—by the visionary brands, transformative seminars, and meaningful connections that shaped this experience. Let the conversations continue, and may they spark new ideas, collaborations, and growth within your business. The House of Sublimity Experts remain at your side, ready to support your journey toward elevated care, conscious innovation, and radiant impact.
