After the applicable Minimum Service Term or Renewal Service Term expires, the term of this Agreement will automatically renew on a month-to-month basis.

Termination Fee. If you cancel the Internet Service (resulting in termination of this Agreement) before completion of any applicable Minimum Service Term or Renewal Service Term, the Termination Fee is equal to the number of months left in your Minimum Service Term or Renewal Service Term multiplied by \$15.00 unless a different termination fee is stated in this Agreement for your Internet Service plan.
