# Ministry Summary

The City Church - Reynoldsburg **originated in June 2000** as Agape Outreach Ministries under our founder, Pastor Renee Green-Russell. **In January 2011, the ministry transitioned** into the hands of Pastor Renee's son, and our current Senior Pastor, Erick Miles, affectionately known as "Pastor E."

Pastor E was installed as the Senior Pastor of Agape Outreach Ministries on January 8, 2011, by Bishop Howard Tillman. The ministry reignited with worship services being offered initially on Saturday and shared a location at 1159 Clinton Ave (Columbus, OH) for the next six months until transitioning in July into the Kings Arts Center on Mt. Vernon Ave (Columbus, OH). Unknowingly at the time, this move put the ministry within less than two miles from what would be our home for the next five years. In October 2011, the church moved into 899 St. Clair Ave (Columbus, OH) and it was at this point that the ministry began to develop a greater heart for outreach. By the grace of God, the ministry was able to purchase our first building and relocated to 9733 Taylor Rd SW (Reynoldsburg, OH) in September 2016 and **paid off the mortgage** in January 2024. This was done in just over 7-years.

From the beginning, The City Church - Reynoldsburg has been a **multicultural, multiethnic** and **multigenerational** Church where the Love of God is our DNA! Since relocating in 2016, God has fulfilled His promise to us, membership has soared, hundreds have been led to Christ, and **"Serving The City"** through outreach has been our heartbeat. In 2018, Pastor E knew the Lord had spoken to him about changing the name of the ministry. While the narrative of who we've become as a Church through the strength's of our Love for people, focus on outreach, teaching of the Word, and sincerity of our Worship toward the Father, wouldn't change, Pastor E knew that God wanted to establish and position the ministry as a **Church for the City**. From this, in January 2019, Agape Outreach Ministries became The City Church – Reynoldsburg.

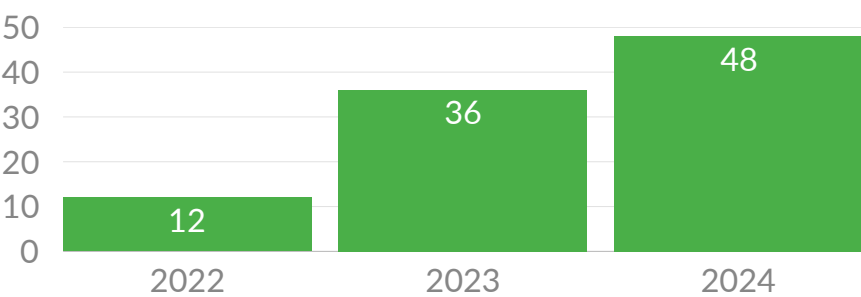

# Our Continued Growth

2024 has been a **record setting year** for The City Church - Reynoldsburg. Prior to 2024, like many churches, we were impacted by the Global Pandemic. In-person worship was paused and we did not see any significant growth through membership. Unlike many churches and businesses, we were able to remain healthy and open.

In 2024, we currently have the **highest active adult membership** (134) in our church history and this year more people, primarily made up of families, have joined our church than any other year.

2023 saw a significant YoY increase in giving as we initiated and successfully completed our mortgage burning campaign. This momentum also accelerated and led us to a **current year of record giving**.

To continue our commitment to outreach, we refreshed our Blessing Box, the **largest in Central Ohio**, and reinvested over \$10,000 back into the community.

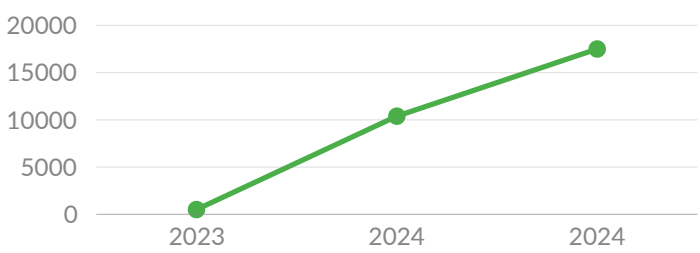

## New Adult Members

In 2024 Adult Membership (18+) grew 33.3% YoY.

## Giving

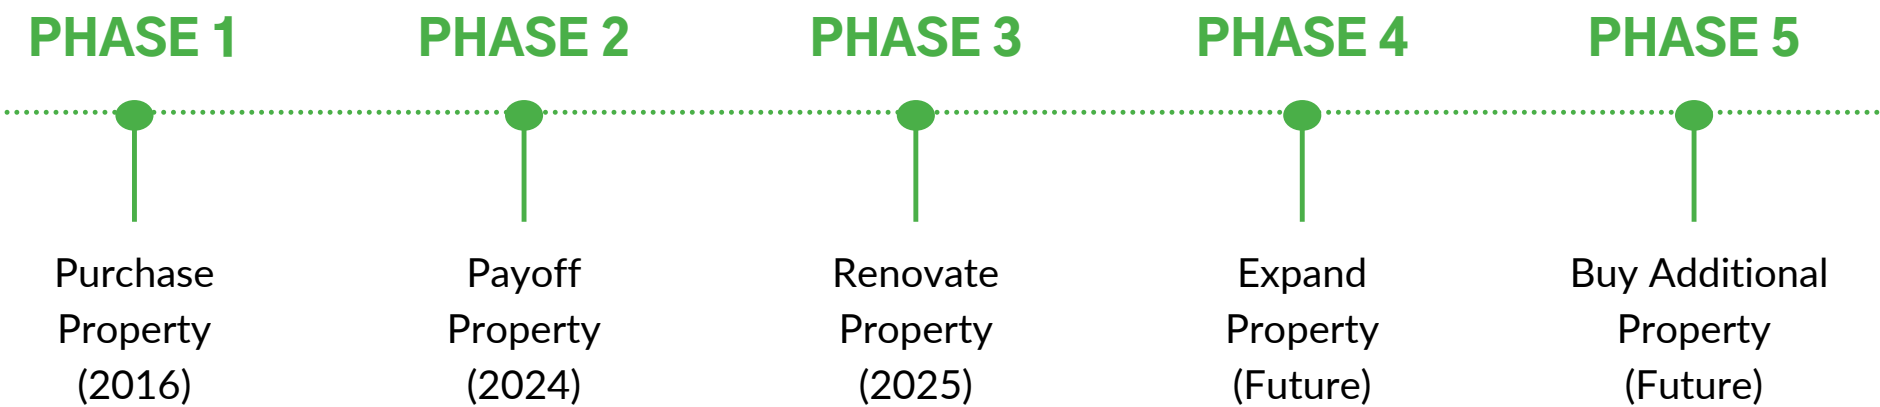

2024 giving is +33.9% YoY.

## Community Outreach

We are committed to supporting the Reynoldsburg community. We are targeting a 68% YoY increase in dedicated funds for 2025.

# Proposed Project Scope

The City Church - Reynoldsburg and its Board of Directors is **seeking a partnership** with a financial institution that will support our current needs and enable our future growth.

Our property consist of two parcels, spans 2.34 acres, has 22,000 sq. ft. of paved parking, over 9,000 sq. ft. of building space, and sits in the heart of an **expanding Reynoldsburg community**. The property is valued at \$723,400 (Licking County Auditor Site) and is tax exempt.

**Phase 3** of our proposed project scope will allow us to address current facility needs and bring our outdated facilities up-to-date. This will create a more modern facility that can support our current growth, community outreach initiatives, and open the door for partnerships that will also **generate profitable revenue streams**.

# Proposed Renovation Plan
