Dear Friends of WACCRA

The Washington Continuing Care Residents' Association (WACCRA) has been working to get legislation passed that secures rights for residents in Independent Living in CCRCs across Washington.

These efforts have paid off.

On Friday, the House of Representatives passed SSB 5691 as amended by the Health and Wellness Committee. The next steps are for the Senate to formally concur with the amendment and then for the Governor to sign the bill.

Our lobbyist says that Gov Ferguson is likely to sign our bill into law. Residents in Independent Living will finally have the support and protection of the Office of the Attorney General.

Here is a link to the bill as it was approved by the House: [5691-S AMH HCW H2114.1.pdf](#)
