Pastor Mark's Column

*Be rooted and built up in him,
be established in faith, and overflow
with thanksgiving just as you were
taught. ~ Colossians 2:7*

November is the season of gratitude. It's that time when we start to get into the holiday mood. On the road of life Halloween is in our rear view mirror, we're coming up on Thanksgiving, while we see billboards advertising Christmas (which keeps coming sooner and sooner). It's important for us to take that time to be thankful and practice gratitude. This month we'll be focusing on humility, our relationship with Christ, and gratitude.

It's important to take that time to count the many ways in which God has blessed us. It could be something as simple as nice weather or a good warm cup of coffee on a cold day. I'm grateful for the many ways God has blessed me. Right now it's October 16th and the baby is due to come tomorrow (probably isn't gonna happen). A few years back, I had so much hope just for a full time job. God has gotten me this far, and I know that it's only because of God that I'll go farther.

This season, I pray that you are able to take some time to reflect on this past year. What are you thankful for? In what ways has God blessed you? It's important to remember that by centering ourselves in Christ through the spiritual practice of gratitude that Jesus then opens our hearts to service. How can we bless others in ways that we've been blessed? That's the challenge for us this holiday season!

So please join us this November as we read the book of Matthew and talk about humility, our relationship with Christ, and gratitude.

Blessings!

On Sun., Oct. 29th the Sunday school class finished their lesson on **ESTHER: The Courageous Queen** and got to paint & decorate their own Paper Mache pumpkins for Halloween! And then... what better way to end the lesson than to watch the Veggie Tales movie, "*Esther: The Girl Who Became Queen*"! This was a fun lesson and the kids thoroughly enjoyed it, especially Jack Marquette, as the bus driver for our musical chairs game "*Wheels on the Bus*"!

On Sunday, Nov. 5th The class will start a 3-week series for Thanksgiving titled, "**GIVE THANKS**" with crafts, games, skits and a class favorite, "**MINUTE TO WIN IT**" games!

FE-ED UPDATE

October 24th Food Drop Report

What a wonderful Food Drop! Untiedt's gifted us with fresh produce on Monday and volunteers accepted and handled it for Tuesday's drop.

Phoenix Learning Center sent 14 students to help us on Tuesday. They did an awesome job! We had light rain but there was

"singing in the rain" as people loaded cars. The rain was light and intermittent and attitudes were great!

We prepared 211 boxes which came out just right! We were happy Bill picked up for all our most western clients. He does a great job delivering to these families.

Pat spent her birthday working at FE-ED, we celebrated with cupcakes.

We can always accept more volunteers. Come join us, this is a happy and productive group. Thanks to them these drops are possible.

We had 43 volunteers for a total of 120.25 volunteer hours!

Our community contributed a lot of extras:

- 1,400 Lbs. of fresh produce from Untiedt's.
- 240 Lbs. of Frozen Food from the Buffalo Food Shelf.
- 260 Lbs. of bread products from Waverly Food Shelf.
- WCCA donated an assortment of Activity Books for Seniors!

Finance Update

Hello everyone from the finance team!
Tis the season of budgets, conference forms, and all the other exciting day-to-day finance/treasury items. Located here is a donation form for our annual Christmas/Advent Fundraiser. This year we are focused on Apportionments to our conference and Building Repairs. For 2023 our Annual Apportionments owed the conference is \$9,877. Through October 15th we've

collected \$4,115.77. Your help in meeting our full apportionments is very much appreciated. For Building Repairs, now as our (new) church building and old section are starting to age we're seeing a lot of repairs that are needed. Good news, concrete work is complete! Next is the installation of new railings, planned around Nov. 15th depending on weather. Total expense for just these two repairs; \$24,662! We've done these as economically responsible as we can, not giving up quality over price, but still large costs. The Church Council has discussed in the past that our sprinkler system is in need of repairs, estimated at \$68K. At this time we do not have enough in savings to cover this, as we do not want to deplete our savings. There are some potential roof leaks and more of day to day repairs. Your support in this fundraising activity is appreciated. I'm putting the donation form out for November and December newsletters to allow you to put this into your holiday budget.

We're currently working on the budget for 2024. Like your household, the church is seeing increased costs in all of the "things" as well. Again, we'll remain as financially responsible as we are able, but your dedicated giving is appreciated.

As always, please reach out to me with any questions.

A Special Update from the Board of Trustees

BUILDING & CHURCH GROUNDS UPDATE:

- **Mickles Concrete** finished concrete work in front and back of the church on Fri., 10/20.
- **Westbury Railing** out of Buffalo cannot install railings for 3-weeks to allow concrete to cure. We estimate railings will be installed the week of 11/13 (depends on weather).
- **A HUGE THANK YOU TO RUX FAMILY!** They have saved the church hundreds of dollars in lawn maintenance! Terry mowed this season, Kelly recently aerated the lawn, fertilized and put down grass seed (lawn already looks better). Diane & Kelly have tackled front and back gardens, removing dead plants/bushes, and cutting back everything for winter. **Jeff Dostal will cutback the oak tree in the Memorial Garden mid-November.
- We Thank the **City of Montrose Public Works** for cleaning our parking lot with their street sweeper in July.
- **Palabra Viva** has generously offered to have the carpets professionally cleaned in the Fellowship Hall, the landing at the top of the stairs and hallway by mailboxes. (To be done once all water damage is completed in Sanctuary.)
- **NEW DIRECTIONAL STREET SIGN** Is coming and will be posted on NW corner of 3rd Street to direct people to our church! Long overdue!

- **Frontier Fire Protection** As stated in our October newsletter, we could not afford installing wet system to replace the dry air system in the sanctuary (\$68K). We will continue to look at options. The compressor keeps coming on which signals a leak somewhere. In the meantime, to address the air leak(s), Frontier Fire performed a water test in our dry air system in the sanctuary on Mon., 10/16. After waiting 4 hours no water was leaking. They returned 10/24 to double-check and found no sign of any leaks. However, on Fri., 10/27 when Diane Rux and Carol Hoppe came to clean, Diane noticed water leaking on window by the piano and informed Kim Wagner Sun., 10/29. Frontier Fire was contacted and came out on Tue. 10/31. There was no sign of any leak in the pipes, but sheetrock along the wall and insulation was damp.

They recommended we contact someone to look at roof & siding for exterior damage. *ON WED., 11/1 WHEN THE CHOIR ARRIVED FOR PRACTICE, THEY FOUND THE SANCTUARY FLOODED WITH WATER, WHICH RAN DOWN THE FLOOR AND WALLS TO THE LOWER LEVEL!*

D-I-S-A-S-T-E-R!

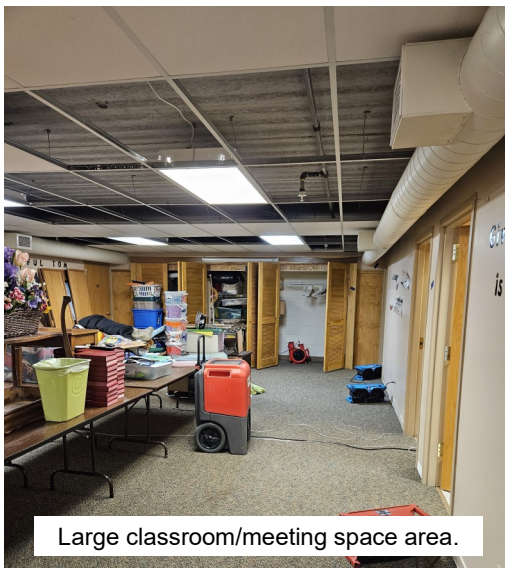

Frontier Fire and Lindstrom Restoration were called immediately! Both companies arrived within 2-1/2 hours and got right to work. **THANK YOU ROGER VANDERLINDE and JASON CHAFFIINS** for turning water source off!! Another fail here, our alarm panel did not send a call to the monitoring company that there was a problem, thus water was leaking for hours, possibly late Tuesday into Wednesday.

AN INSURANCE CLAIM HAS BEEN FILED WITH OUR INSURANCE COMPANY (Brotherhood Mutual) AND THAT PROCESS HAS BEGUN. DEDUCTIBLE \$2,500. Lindstrom

Restoration will work directly with the insurance company on damages and losses, but we do not know at this time what all will be covered and whether the church will owe for any clean-up/damages. We can only imagine the water bill... and the electric bill to run over 50 industrial fans and 10 industrial humidifiers 24/7 for a week!

IS THERE ANY GOOD NEWS HERE? Well, yes! The church organ, piano, all sound system equipment, church office, the copier, our banners, confirmation stoles, were not affected! And we're still able to hold Worship Service the next two Sundays in the Fellowship Hall! The downstairs suffered the most damage and there will be a lot of work to do in the coming weeks; sorting, organizing, putting everything back in place and possibly some painting.

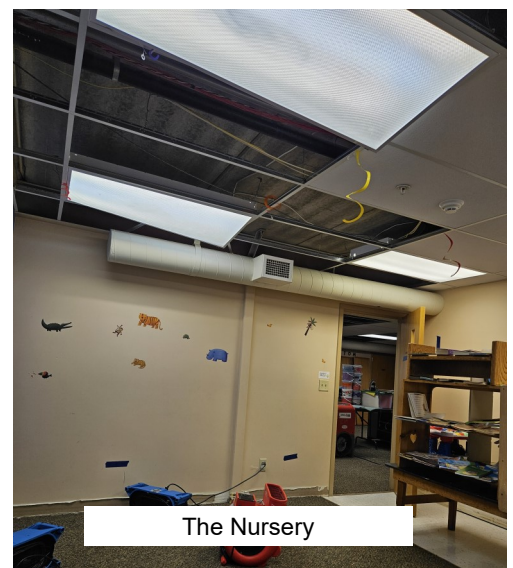

THE SANCTUARY AND LOWER-LEVEL HAVE LIMITED ACCESS UNTIL LINDSTROM RESTORATION COMPLETES THEIR WORK AND GIVES US THE OKAY FOR ACCESS.
